STAR COURSE BEGINS FRIDAY

Miss Lucille Landers to Open the Popular Y. M. C. A. Entertainments, Pebruary 12

One of the most charming Lyccum entertainments ever given in this city will be that of Friday evening, in Fahnestock hall, Y. M. C. A. building, Second and Locust streets, when Miss Lucille Landers, of Boston, comes to open the Y. M. C. A. Star-Course in a program of humorous and dramatic readings and folk songs. Miss Landers is a graduate of the Leland T. Powers School of Oratory, of Roston. She is one of the youngest members of the Lyccum profession and is considered one of the most talented. Wherever she has prepared this season her reception has been most cordial, because of her splendid work. The program will popen at 7.30. The entertainment will begin at 8.15 o'clock. Single admission tickets may be purchased at the box office Friday evening. There will be no reserved seats.

Miss Landers will be followed February 18, by Ambroso Jeffries, of New

ment saw fit to make over their bright headliners, namely, Emma Carus and Carl Randall, was easily understood by the appreciative audience that greeted them at the Orphem this afternoon.

In presenting this duo of theatrical brightlights, Manager Hopkins points to this week's headliner with a good deal of pride. He saw the act at the Palace theatre while on a recent trip to New York City and he was so favorably impressed with their excellent act that he immediately set about securing them for the Orpheum. He says Miss Carus is all sunshine and one of the most pleasing artists in vaudeville. Miss Carus is all sunshine and one of the most pleasing artists in vaudeville. Her partner, Mr. Randall, is also pleasing and an exceedingly mimble dancer. He seems positive that their fame will spread in Harrisburg after they have appeared for one or two performances. Bert Fitzgibbon, the original "nut" comedian, and a favorite in Harrisburg, appears on this same line-up. The Volunteers, presenting a surprise comedy skit sprinkled with exquisite harmony, and the Welling Levering troupe, of comedy cyclists, much on the order of the Charles Ahearn troupe, will be two other important acts of the Orpheum's new bill. Other big names on the new bill will include the Kramers, Mack and Vincent, and Mr. and Mrs. Ed. Especial carries and then started after the man he alleged was responsible for breaking up in shome.

Hibner escaped by carrying his chilleren over a narrow ledge at the top of his house to the home of a neighbor. Relatives here refused to claim the oddy of the murderer and suicide, and it was taken in charge last night by a brother, William Miller, of Baltimore.

Reaches every home. The Singer sewing machine store in Harrisburg, and the Welling Levering troupe, of comedy cyclists, much on the order of the Charles Ahearn troupe, will be two other important acts of the Orpheum's new bill. Other big names on the new bill will include the Kramers, Mack and Vincent, and Mr. and Mrs. Ed. Es-

Vincent, and Mr. and Mrs. Ed. Es-

a veritable circus comes in our many and its slated to camp at the Busy and its slated to camp at the Busy corner for the first three days of the week. Robbin's fine specified was followed by the week. Robbin's elephants, fine specified was followed by the week. Robbin's fine specified was found beneath a Quarry-ville Railroad bridge, near Providence, the control of the week. Stewart and Hall through the crossties of the way home from New Providence Ehrhart fell through the crossties of the bridge in the darkness.

Lawmaking
I seldom make a law for me. It is
usually you I am forcing to do some
thing or preventing from doing something else. And when I do make a
law for me I feel very free in violating
it if occasion seems to require.—Life

What is not necessary is dear at anny.—Cato.

sewing machine talked of, and are prepared to give prompt attention to anything needed in the sewing machine line. Their prompt and courteous treatment have helped to win a large patroment.

Fresh Shipment **Buckwheat Coal**

Several hundred tons of Nanticoke Buckwheat have just been received and unloaded in the Kelley yards. This is the ideal size for consumption in homes that are equipped with steam heating sys-

tems. It leaves less ashes by actual test than other buckwheat-this means more heat for the same money.

There is no dirt or slate in it because it's all coal reduced to the smallest size.

Price, \$3.75.
