

HOW TO MAKE THE CHEAPEST AND BEST COUGH REMEDY AT HOME

Most persons neglect a cough or cold for the principal reason that they either don't think it serious enough to go to a doctor or don't know what good medicine to buy at a drug store, with the result that the cough or cold becomes deep-seated through this neglect and hangs on the whole winter—which might have otherwise been speedily cured, had Schiffmann's Concentrated Expectorant been used promptly.

This new remedy is altogether different from any other kind, and is so strongly concentrated that two ounces (50 cents' worth) make a full pint (16 ozs.) of excellent cough medicine, by simply mixing it at home with one pint of granulated sugar and 1/2 pint

of water. It makes a whole family supply, as much as would ordinarily cost from \$2.00 to \$3.00 for the same quantity of the old, ordinary, ready-made kinds of doubtful merit. It is prepared from strictly harmless plants and is so pleasant that children like to take it and it can be given them with perfect safety as it positively contains no chloroform, opium, morphine, or other narcotics, as do most cough mixtures. No risk whatever is run in buying this remedy, as George A. Gorgas will refund money if it does not give perfect satisfaction or is not found the very best remedy you have ever used for stubborn Coughs, Colds, Bronchitis, Croup, Whooping Cough and Hoarseness. In fact, all druggists of this city sell it under the same guarantee. R. J. Schiffmann, St. Paul, Minn.—Adv.

BALD HEADS GET ISSUES AT DINNER; TOWN IS STIRRED

Authorities of Great Barrington, Mass., Investigating Story That Chamber of Commerce Had Three Scantily Clad Show Girls at Banquet

Great Barrington, Mass., Feb. 11.—Charles Astor Bristed, of New York, and Secretary of State Albert P. Langtry, of Massachusetts, were speakers at the annual banquet of the Chamber of Commerce Monday night. Another feature of the program was an entertainment given by three New York show girls, and the character of their performance has caused a police investigation and promises to involve prominent men.

Women were admitted to the gallery of the Town Hall, but after the first appearance of the show girls every woman spectator left the building. There is a report that one or more of the women demanded that their husbands leave the banquet, but this is denied by President D. B. Cornell, of the Chamber of Commerce.

Tuesday morning representations were made to the town authorities about the character of the entertainment. The Board of Selectmen and Chief of Police William J. Oeschman to investigate and if he found evidence that the performance had been immoral, to arrest those concerned in the arrangements for the banquet.

Says There Will Be Arrests
"I do not know when arrests will be made, but they will come," said Chief Oeschman. "I am looking up witnesses. I have found a statute that covers this case and the matter will not be permitted to go unnoticed by the town authorities."

The show girls, it is alleged, wore costumes that were of scanty type, mingled with diapers, stroked the whiskers and kissed the bald heads of banqueters.

"I was invited to speak at the Chamber of Commerce banquet, and accepted in perfectly good faith, just as I have accepted invitations to speak in many other parts of the State," said Secretary of State Langtry. "As a counter attraction the management offered three charming young women from New York who put on a program of lively stunts."

"Some of the entertainment took place before my turn came to speak. When my turn did come I said what I had to say, and then I left for obvious reasons. The incident has been a cause of great embarrassment to me. If I had known what was to take place I certainly should not have gone. Such a thing as this never happened before in my experience, and I sincerely hope will never occur again."

Cornell Blames Jealous Men
The authorities say that if arrests are made, Secretary Langtry will be summoned to tell what he saw and heard.

Mr. Bristed returned to New York the following day.
President Cornell of the Chamber of Commerce said:
"There is a gang in town here which tried to kill the banquet before it was held, and when they found it had been such a success they started in to knock and try to queer it."

He admitted the girls told stories that "could have been taken any way the audience wanted to," and that the women left the galleries.

Letters of regret were read at the banquet from former President Roosevelt and Taft, Howard Elliott and Representative Allen T. Treadway.

MORE PENNSYLVANIA BONDS

Directors Ask Authority to Borrow \$40,000,000
Philadelphia, Feb. 11.—The directors of the Pennsylvania Railroad Company at a meeting held yesterday decided to request the stockholders of the company for authorization to increase the indebtedness of the company at the next annual meeting on March 9, 1915, to the extent of \$40,000,000. The authority already exists under the action of the stockholders taken in March, 1909, to increase the indebtedness \$30,000,000 so that the total authorization, including the \$40,000,000, will then be \$120,000,000. The \$40,000,000 consolidated mortgage 4 1/2 percent bonds sold recently by Kuhn, Loeb & Co., were a part of this issue and authorization.

There will therefore be \$71,000,000 of the authorized increase remaining to meet the capital requirements of the company which may be issued some time in the future in the form of security as the board of directors may decide to be most advantageous.

The action is believed to mean that another issue of these bonds is to be made shortly.

To Hold Entertainment
Arrangements are now being made by the entertainment committee of the Pennsylvania Railroad Young Men's Christian Association for the monthly entertainment to be held in the association building February 25. This will be the fourth entertainment of the season, at which some of the best local talent will be displayed.

How to Destroy Catarrh Germs and End Catarrh Forever

A Specialist's Advice

Catarrh is a germ disease and the only way to cure it is to kill and drive out of your system the catarrhal germs which have found lodgement there. When the germs go the catarrh will stop. The trouble with most treatments, like sprays, salves, creams, greasy balms, lotions, etc., is that they give only temporary relief by opening up for a while the clogged head, throat and nostrils. In a little time the Catarrh comes back as bad as ever.

People who suffer continually from catarrh should drop such temporary makeshifts and get something that really gets at the root of the disease and stamps it out. There is nothing better for such cases than breathing into your nose and lungs the pleasant, soothing, healing, germ destroying air of Hyomei (pronounced High-o-mei) made from purest oil of Eucalyptus and combined with other powerful healing, antiseptic and germ destroying ingredients. Hyomei penetrates and heals the inflamed swollen membranes of your nose and throat, stops discharges, clears the passages and completely overcomes the disease by destroying its cause. For catarrh germs cannot live in your body after Hyomei reaches them. H. C. Kennedy and many other good druggists in Harrisburg and vicinity have long sold Hyomei on a positive guarantee of successful results or money back and find this generous policy pays. Most druggists are now giving a pocket inhaler made from hard rubber with every complete treatment sold. This makes a very simple, easy and convenient means of treating by the best known method this dangerous and often disgusting disease.—Adv.

JUMPS OVERBOARD TO DEATH

Tragic Act of Woman in Presence of Husband on Shipboard

New York, Feb. 11.—Mrs. Chester M. Knepper, wife of a retired captain in the United States navy, fell or jumped overboard from the steamship Niagara during a storm on the evening of February 5 and was drowned. Mrs. Knepper and her husband were returning from France, where they had been living for some time. The Niagara arrived here to-day from Havre.

When Mrs. Knepper was seen in the water lighted buoys were thrown to her and a boat was lowered. The ship was stopped and for over an hour the sailors searched for her in vain.

One party went to Mont Alto, a second to Hamburg and a third to Crescon. In the House yesterday Mr. Roderover, of Berks, introduced a resolution criticizing this visiting of State institutions by legislative committees at the expense of the State, but the resolution was referred to committee where it will be picked until it is entirely lost sight of in the junketing and rush of legislative matters.
