### NEWS OF THE SPORTING WORLD

#### NO TWO-YEAR-OLD RACES UNTIL AFTER APRIL IN 1916

Jockey Club Passes Rule That May Bar Many From Stake Events—Will Help to Make the Thoroughbred Sounder of Limb

New York, Feb. 12.—Beginning with the year 1917 no two-year-old will be allowed to race on tracks under the jurisdiction of the Jockey Club until April 1. The amendments to the rules of racing curtailing the activities of the baby racers were passed at a meeting of the Jockey Club held yesterday afternoon at the offices of the club, 18 East Forty-first street. It is believed that the sport will be helped by conserving the efforts of the youngsters until they are more fully developed and that it will go far toward making the thoroughbred sounder in limb and enabling them to withstand a longer racing campaign.

An amendment which provides for barring from stake engagements any two-year-old having violated the new rule was tabled for the time being. Before taking action on this clause the stewards were empowered to confer with the officials of the Kentucky and Canadian tracks. Should these agree on the inadvisability of admitting the early racing youngsters it is probable that the two-year-old racers at Juarez and New Orleans will be denied the privilege of racing on Jockey Club tracks.

#### EASTERN TRYOUTS SUGGESTED

This Plan Advanced to Select Athletes for Coast Games

New York, Feb. 12.—All Eastern tryouts are suggested as the best means of determining the men to be sent to the Pacific coast for the A. A. U. track and field championships to be held at San Francisco next August. Fred W. Rubien, president of the Metropolitan Association, said last night that it would be impossible to consider the proposition of sending all the winners of the Metropolitan championships on such a long and expensive trip. He said that no definite move had been made as yet to insure the representation of the East, but that the matter would be taken up soon.

#### SHEPPARD'S LAST RACE

Olympic Champion Injured at N. Y. A. C. Games

New York, Feb. 12.—Melvin W. Sheppard, hero of the 1908 Olympic games and for ten years America's best middle distance runner, said yesterday he has run his last race. The peerless Mel was limping around town as the result of a fall at the N. Y. A. C. games on Wednesday night. Sheppard ran his first race on August 2, 1902. His victory on that occasion was the forerunner of many successes in championship events. At the London Olympics Mel won the 800 and 1,500 meter races. Perhaps his greatest achievement was in running 1,000 yards in 2:12 2-5.

#### YORK PLAYS HERE TO-NIGHT

Fast Scholastic Game in Chestnut Street Auditorium—Girls Will Have Contest

The Central High school tossers will engage the York High school this evening in the Chestnut street auditorium. York this season has one of the strongest scholastic teams in the State and once at York defeated the Central basketballers by the score of 40 to 25. The trimming handed Williamsport after a defeat at that place gives the locals the hope that York will also fall on the local floor.

The Central girls will play the Lebanon Valley College girls' team before the game and between the halves. The boys will have their regular lineup in the game, which will start at 8.15 o'clock. The lineup for the girls' game follows:

- Central: Lebonon Valley, Melville, F., Hershey, Kamsky, Boltz, Rauch, C., M. Engle, Rote, G., R. Engle, McCormick, G., Meyer.

#### Regent

Beatriz Michelena appears at this theatre to-day in the interesting film-play of "Mrs. Wiggs of the Cabbage Patch," a picture produced with far greater attention to minute detail than was possible when it first appeared upon the stage. An entire circus was hired and transferred to San Rafael while Theo. Roche, a leading lawyer, supervised the court scenes.

The production is a dramatization of Anne Crawford Plezners' successful play based upon the widely read stories of "Mrs. Wiggs of the Cabbage Patch" and "Lovely Mary" by Alice Hegan Rice. Taken all in all this is one of the most interesting and at the same time one of the most enjoyable films ever produced and thrown upon the screen for the amusement of the public.

This most entertaining production will be followed on Saturday by an equally attractive drama entitled "The Gilded Fool," with William Farum as the star, who for several seasons has been the reigning favorite of the Broadway successes. In this very enticing play his support consists of some of the best known artists on the stage among whom are Maude Gilbert and Margaret Vale, the niece of President Wilson, which fact has made this film one of the most popular of the picture plays on account of the eminent position held by her esteemed uncle as President of the United States.—Adv.
