"Cannot Praise Duffy's Enough"

Duffy's Pure Malt Whiskey

is a true medicinal whiskey, commended by many unprejudiced physicians and chemists for its absolute purity. It aids in destroying the disease germs, and by its building and healing properties helps restore the tissues in a gradual, healthy manner. Because it strengthens and sustains the system, is a promoter of health and longevity. Duffy's is a recognized family medicine everywhere. It's a medicine for all mankind that influences for good every important organ of the body. Don't you know that you can

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very duets which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get from any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.
