

The Life Experiences of a Family of Traction Experts Are Embodied in THE MORTON TRUCK

When you buy a Morton Truck you buy something more than a mere motor-propelled vehicle of the ordinary type. Back of the finest materials that can be put into a modern motor vehicle, are the years of study and experience of an entire family of traction experts who have devoted their life to producing traction and motor-propelled machinery.

As designers and experimental experts for several of the largest machinery corporations in the world, father and sons have invented and perfected self-propelled machinery that are famous in every country on the globe. Consequently, when they market a truck under their own name, backed by ample local capital and experienced machinery manufacturers, you are assured of a product that is equal to the best in its price class.

When your transportation problems demand something more rapid, powerful and economical than old "Dobbin," but just as faithful and trustworthy in its performance, the following specifications of high-grade mechanical merit combined with the "Morton" experience should be ample assurance that you make no mistake in choosing a Morton motor vehicle.

SPECIFICATIONS OF MORTON TWO-TON WORM-DRIVE COMMERCIAL TRUCK

MOTOR—Continental, 4-cylinder, 4-cycle, vertical "L" head type, 14-inch bore, 5 1/2-inch stroke. Horsepower, 40 H. P. This motor will develop 55 H. P. at 1,500 r. p. m. Cylinders are cast in pairs. Carburetor: 1 1/2-inch Carter Carburetor. Lubrication: Positive plunger pump system with constant level having one lead of oil to the timing gears and one to the rear main bearing. Water Pump: Centrifugal, of ample size. Fan: Pressed steel, 18-inch diameter, with belt tension and adjustable. Ignition: Bosch dual with one unit of dry cell batteries. Motor Controls: Motor controlled by throttle on top of wheel. Governor: Pierce type, operating butterfly valve in manifold. CLUTCH—Multiple disc type. TRANSMISSION—Cotta, three (3) speeds forward, one (1) reverse, of the selective type. LEVER CONTROL—Is right hand drive levers operated on right hand side of main frame. AXLES—Front: Front axle is made from a solid block of drop forged steel, spring pads and steering knuckle brackets are all forged integral with the axle. This axle is made after our standard construction and is one of the oldest and most successful of any type known. Rear: Worm Drive Type. Worm made of 2 1/2 per cent. Nickel Steel, hardened and ground to size. Worm wheel made of a special mixture of phosphorus bronze specially adapted and made for this kind of worm. Ratio of worm and worm gear is 6 to 1. Full floating type worm shaft is mounted on annular ball bearings with ball bearings to take end thrust. Driving wheels are mounted on self-aligning ball bearings. Springs—Front and rear springs are semi-elliptic and are made from a high grade of manganese steel and are of ample size and length to carry the load and give great resiliency without jar or jolt. Front springs are 45 1/2 inches long, 2 1/2 inches wide and 10-ply thick. Rear

springs are 52 inches long, 2 1/2 inches wide and 12-ply thick. BRAKES—Two: brake, foot and emergency brake, both applying directly on rear hub. Brakes are specially large and designed to give good service. Foot brake of the external type contracting on brake drum, emergency or lever brake expanding type inside of brake drum, which is 17 inches in diameter, with 2 1/2-inch face and will hold the car on the steepest grades. Wheels—Front: 36-inch by 5-inch with fourteen 2 1/2-inch spokes of the oval type. Rear: 38-inch by 6-inch with fourteen 2 1/2-inch spokes of the oval type. TIRES—Front: 36-inch by 5-inch single. Rear: 38-inch by 6-inch single Firestone solid unless others are specified. WHEEL BASE—140-inch. Tread: 60 1/2-inch. Chassis Length, back of driver's seat: 10 ft. 6 in. FRAME—Frame is made of Channel Steel 5-inch by 8-inch, 5 lbs. per ft. Height from floor to top of frame, 28 inches. Load Percentage: Rear axle, 60 per cent; front axle, 40 per cent. STEERING GEAR: Of the Lavigne Type, Model "C". FANS—Gasoline: Made of pressed steel, seamless, provided with division plates in center. Capacity, twenty (20) gallons. Water: Capacity of radiator is 3 gallons. Oil Capacity: Two (2) gallons. Location: Attached to bottom part of engine in crank case. Normal Speed on the road is 20 to 25 miles per hour. COOLING—Water is cooled by a force circulating water pump. Radiator is of the honey-comb type, made especially heavy for this particular service and is ample to cool the motor running the car under the most severe conditions. FENDERS—Are made from sheet steel of ample thickness and are held to frame with heavy forged steel brackets. DRIVER'S SEAT—16 inches wide, 50 inches long, back 18 inches high. Upholstered in good grade of black leather. EQUIPMENT—Two (2) gas head lights, oil tail light, horn and tools complete.

Fire Apparatus, Commercial Trucks, One-and-One-Half to Three-and-One-Half Tons Capacity. Four-Wheel Drive Trucks and Heavy Tractors

RAPIDLY CONSTRUCTED ROADS IN MODERN WARFARE

The above picture shows a road made by Germans in five hours in East Prussia, which afforded a rapid movement of troops, following a fierce engagement. There are emergencies occurring like this very often during the great conflict, when it is necessary to construct roads, when impossible passes are encountered, and quick action is most necessary in modern warfare.

C. V. NEWS

CAN'T "BANG" CIGARETTES

Seventy Children Will Tramp All Streets They Find Lying Along the Streets

Waynesboro, Feb. 18.—Seventy children of the local Loyal Temperance Legion will make a very determined fight on the cigarette. At the meeting of the legion Tuesday afternoon in the Wayne building it was decided to help stamp out the cigarette not only by not smoking it, but by tramping on all the cigarette stubs they see on the streets.

HE RUBBED HER ANKLES

Hagerstown Boarder Gets Punched at Dining Table From Angry Husband

Hagerstown, Feb. 18.—Because his wife had been nudged on her ankles by a fellow boarder as they sat at the dinner table, Wade W. Wiles struck Newton G. Morris over the head, felling him to the floor, in the dining room of a boarding house here.

TEA AGENT ROBBED

Waynesboro, Feb. 18.—Charles E. Howe, an Atlantic & Pacific Tea Company resident at trolley stop 4, near Rouzerville, Tuesday night was robbed of goods belonging to the company valued at between \$60 and \$80.

KEPT WEDDING A SECRET

Gettysburg, Feb. 18.—That a number of Gettysburg girls married soldiers at the time of the Fiftieth Anniversary celebration here in July, 1913, and that their marriages have successfully been kept a secret was stated yesterday by Corporal Charles L. Widman, late of Company K, Fifth United States Infantry, who yesterday announced his marriage to Miss Grace E. Skyles, daughter of Mr. and Mrs. Lewis R. Skyles, recently of Gettysburg.

JOSEPH C. SNYDER DIES

Hagerstown, Feb. 18.—Joseph C. Snyder, a well-known citizen of this city, died Tuesday afternoon at 3 o'clock in a hospital near Baltimore, aged 63 years. Death was due to paralysis. Mr. Snyder had been in ill health for the past six months, but had been bedfast for the past five weeks. He was formerly employed with the Annetam Paper Co., for which company he had worked for a number of years. Mr. Snyder is survived by his wife, Mrs. Florence Snyder, and one son, William, who is located in the South.

TO BUILD APARTMENT HOUSE

Carlisle, Feb. 18.—Announcement of an important business transfer was made yesterday, when it was stated that the property located at North Hanover and Dickinson avenue known as the Boas corner has been purchased by Jacob Wiener from the Boas heirs. This property, one of the most historic and valuable in the town, will be rebuilt as a modern store and apartment building.

TO CURE A COLD IN ONE DAY

Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. GROVES' signature is on each box. 25c.

LOVE LETTERS IN HER GRAVE

Sealed Package Is Buried With Miss Mary A. Wade, 74
Yonkers, N. Y., Feb. 18.—The will of Miss Mary Ashton Wade, of Yonkers, who died on January 11 at the age of 74, was admitted to probate by Surrogate Sawyer yesterday. Miss Louise Bradford, of 956 West End avenue, Manhattan, a friend of Miss Wade, filed an affidavit stating she had carried out the testator's dying wish that a certain sealed package, among her effects should be buried with her.

NORMAL SCRUBS BEAT WAYNESBORO

Shippensburg, Feb. 18.—The Cumberland Valley State Normal school scrubs easily defeated Waynesboro High five on the Normal school floor last night.
Wolf, of Penbrook, again showed himself well, having eight field goals. The line-up:
Normal Scrubs. Waynesboro
Hosfeld F. Esbenschade
Wolf F. Snively
Mellinger C. Neal
Gruver G. Goveas
Boughman G. E. Price
Substitutions, Williams for Hosfeld; Schleicher for Gruver; Coyle for Boughman. Goals from field, Wolfe, 8; Hosfeld, 6; Mellinger, 2; Moughman, Schleicher, Williams, Esbenschade, Snively, Neal, Hoffner, Price, 2. Goals from fouls, Snively, 2; Esbenschade and Williams. Timekeeper, Slaybaugh. Referee, Railing, Shippensburg. Time of halves, 20 minutes.

WHERE HE LEARNED JUGGLING

Rankin—Do you know Professor Toshup, the great juggler?
Phyle—I should say so. We were raised together.
"How in the world did he ever learn all of those wonderful stunts?"
"He started to earn his living as a photographer, and he learned all of those tricks while trying to amuse the babies whose pictures he took."
—Youngstown Telegram.

BOARD OF PARDONS DELAYS EXECUTIONS OF 2 SLAYERS

Grants Delay in Allegheny Case to Permit Introduction of New Testimony—Tioga Murderer Will Undergo Mental Examination

Andrew Malinowski, who murdered his wife in Allegheny county and who was under sentence to be electrocuted during the week beginning February 22, has a chance to escape the death chair. The Board of Pardons yesterday decided to hold under advisement the application of Malinowski for commutation of the death sentence until the Board can get some additional testimony promised by the condemned man's attorney. This will make necessary the postponement of the electrocution.

Arthur Simons, of Tioga, who murdered his sweetheart because she would not marry him, will be examined by an alienist to ascertain his mental condition before the Board passes on his application for commutation of the death sentence, and he will not likely be electrocuted on March 22, the date set.

Rocco Tassone, the Lancaster murderer, will be among the first to be led from the death house to the new electric chair, in March. Following him will be Nicolo Mondolo, the Fayette murderer, whom the Board refused to consider favorably in his application for commutation and who will be electrocuted on April 5.

David Kaufman, of Harrisburg, a film-fammer, who is serving an indeterminate sentence up to three years, failed to get a pardon. The application of Milton Weaver, of Harrisburg, convicted of sodomy, also was rejected.

George Shaefer, of Adams county, convicted of larceny, was recommended for pardon.

Thomas E. Patterson, Cumberland, serving an indeterminate sentence of from 15 to 60 years on several convictions, and known as "the bad man of the Cumberland Valley," failed to get a pardon.

The Board recommended twelve pardons of the thirty-four petitioned for.

FOR 'EASY DIVORCE' LAW

Nevada Senate Reverses Itself and Passes Measure

Carson City, Nev., Feb. 18.—The "easy divorce" bill, which revives the old six months residence provision abolished two years ago, passed the Senate yesterday by a vote of 12 to 10. The bill has passed the House and it will either be signed by the Governor or go on the statute books automatically.

The passage of the bill marks the end of a long fight, and there is intense rejoicing in Reno, particularly among those who hope to reap again the riches that came to it for years when it held the easy divorce colony of the country.

Most determined in the fight against the bill were the women organized in societies.

The bill all but passed the Senate several days ago, but it was discovered that one of the Senators who favored it was too ill to vote. So the measure was sidetracked.

The bill was taken out of the Judiciary Committee of the Senate and placed in the Railroads Committee, where it was to lay until there were sufficient votes to pass it.

In order to avoid a quorum on one occasion all of the so-called "divorce Senators" disappeared simultaneously. The sergeant-at-arms was ordered to look for them, but he reported that they could not be found. However, they turned up and the movement for the passage of the bill got under way.

BUCHANAN'S SECRETARY DEAD

J. B. Henry, Former President's Nephew, Passes, Aged 80

Annapolis, Md., Feb. 18.—James Buchanan Henry, aged 80, a nephew of James Buchanan and his private secretary while Minister to Great Britain and President, died at Miami, Fla., yesterday morning.

He is survived by his third wife and six sons. One son is in the navy and one in the army. The funeral of Mr. Henry will take place in Annapolis Sunday afternoon.

DOGS KILL ALBINO DEER

Williamsport, Pa., Feb. 18.—An albino deer was run to death by dogs on the mountain near Trout run last night. The dead body of the animal was found in a field near the foot of the mountain by Raymond Cupp, a railroad operator, on his way to work yesterday morning.

FOOD SOURING IN STOMACH CAUSES INDIGESTION, GAS

"Pape's Diapepsin" Ends All Stomach Distress in Five Minutes

Wonder what upset your stomach— which portion of the food did the damage—do you Wolf don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

Relief for Catarrh Sufferers Now FREE

You Can Now Treat This Trouble in Your Own Home and Get Relief at Once.

How the Remedy for Catarrh Was Discovered.

THIS terrible disease has raged unchecked for years simply because symptoms have been treated while the cause of the trouble has been left to circulate in the blood, and bringing the disease back as fast as local treatments could relieve it.

C. E. Gauss, who experimented for years on a treatment for Catarrh, found that after perfecting a balm that relieved the nose and throat troubles quickly, he could not prevent the trouble beginning all over again.

On test cases, he could completely remove all signs of Catarrh from nose and throat, but in a few weeks they were back.

Careful experiments and investigations have shown that as the troubles were expelled from the nose and throat, the real cause of the disease was overlooked and in a short time the Catarrh would return stronger than ever. Mr. Gauss has gone way ahead of the ordinary methods of treatment and has provided a remedy that

Removes the Cause and Immediately Gives Relief to the Nose and Throat

Reese Jones, of Scranton, Penn., says that after trying many other treatments, he used this new method and "My nose is now entirely clear and free and I am not bothered by the disease any more. The New Combined Treatment is worth its weight in gold."

Temporary relief from catarrh may be obtained in other ways, but the New Combined Treatment must inevitably be accepted for permanent results.

Send J. Cape, Mount Pelin, Tenn., says, "I suffered the pains and distress of catarrh for thirteen years and needless to state, tried nearly every method. But by your new method I was completely cured and you cannot imagine the joy that has come over me."

Trial Treatment FREE

This new method is so important to the welfare of humanity, so vital to every person suffering from any form of catarrh, that the opportunity to actually test it and prove its results, will be gladly extended without one cent of cost.

A large trial treatment, with complete, minute directions, will be sent free to any catarrh-sufferer.

Send no money, take no risks, make no promises. Simply clip, sign and mail the coupon and the test package of the New Combined Treatment will be sent, fully prepaid, together with the valuable book on Catarrh.
