

HEADACHE, COLD OR SOUR STOMACH. REGULATE YOUR BOWELS---10 CENTS

Sick headaches! Always trace them to lazy liver; delayed, fermenting food in the bowels or a sick stomach. Poisonous, constipated matter, gases and bile generated in the bowels, instead of being carried out of the system, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, sick-

ening headache. Cascarets will remove the cause by stimulating the liver, making the bile and constipation poison move on and out of the bowels. One taken to-night straightens you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular, and make you feel bright and cheerful for months. Children need Cascarets, too.

PROF. DIONISIO ZALA RESIGNS POSITION AT WORKS

The Popular Bandmaster Announced This Morning That He Contemplated Leaving the Borough in Near Future—Has Several Good Offers

The resignation of his position at the Pennsylvania steel works by Prof. Dionisio Zala and his announcement, made this morning, that he contemplated leaving the borough in the near

BANDMASTER DIONISIO ZALA

future to accept one of several more attractive offers which he has recently received, has caused quite a commotion among the bandmen of the borough, with whom Bandmaster Zala is quite a favorite.

Prof. Zala was born in Spain, in the Province of Navarra, bordering on France, and began the study of music when but 6 years of age. He became a professional at an early age and served in several Spanish regimental bands prior to the Spanish-American war. He came to the borough about sixteen years ago and joined the Steelton band, then called the Citizens' band. About eight years ago he was offered the position of director of the local band and has been unanimously re-elected each year since that time. He is also director of the Imperial band, which was organized a short time ago by consolidating the Liberty and East End bands, whose membership is composed entirely of foreigners. Through his efforts the Steelton band had reached a high pinnacle in concert music and has secured some lucrative engagements.

ENGINE FRACTURES RIBS

While crossing a track near No. 5 Scales at the local plant of the Pennsylvania Steel Company last evening about 6 o'clock, Jundio Removic, aged 29 years, was struck by a wide gauge engine and thrown heavily to the ground. He was removed to the Harrisburg hospital where it was discovered he suffered body bruises and the fracture of the fifth and sixth ribs, left side. His condition is not serious.

Ambition of the Baron

Miss Beverly Bayne performs two daring feats in the Essany photo-drama, "The Ambition of the Baron," which few would dare attempt and none could successfully accomplish without Miss Bayne's nerve and physical strength, born of continuous devotion to outdoor sports. She leaps from a second-story window, where she is supposed to be imprisoned, into the arms of Francis X. Bushman, her rescuer, without a slip. Other thrilling leaps by Miss Bayne are splendidly portrayed in motion pictures at the Standard Theatre to-night.—Adv.*
