HAVE YOU EVER BEEN HUNGRY? There is hunger of the sort that is produced by vigorous exercise...

Have you ever been out of work for a long time, when work means your sole source of income? Have you ever walked the streets for weeks knocking at doors and applying for a job when there are no jobs to be had?

Actual facts gathered by the Home and War Relief Association of Harrisburg show that there are hundreds of men and women making the fight against hunger in this city to-day.

On April 1, it is believed, the conditions of unemployment here will, in large measure, be improved, but the Association has only enough funds in sight to carry on its work to the middle of March.

Will you not, as a lodge member or member of a Sunday school, use your influence to have your organization vote to give what it can to help those people of Harrisburg who haven't got enough to eat?

NOT ONLY INFANTS MUST LEARN "Tooting on the pipes of infancy continues childish music through adult life" is the way a writer in an educational journal expresses his supreme contempt for the persistence of some human beings in relying upon the comparatively few words they learned in youth to express their thoughts in mature life.

TO Open Bids for Coal Commissioner H. F. Bowman is advertising for 5,000 tons of river coal for use at the pumping station at North and Front streets.

STRONG LANGUAGE IN A KENTUCKY OFFICE Unobserved and unannounced the president of a church society entered the composing room just in time to hear these words issue from the mouth of the boss printer:

TILL PAST THE MIDNIGHT HOUR "Miss Ethel," said Chollie Staylate, "if I should tell you I was going away to-morrow, would you feel sorry?"

GOOD NIGHTS are enjoyed by those in good health. The perfect digestion, clear system, and pure blood upon which sound health depends, will be given you by BEECHAM'S PILLS

Wants State to Buy Snyder Mansion The "Post," of Middleburgh, Snyder county, wants the State of Pennsylvania to buy and preserve, for historic reasons, the old home of former Governor Simon Snyder, in Market street, Seisingrove.
