BILL BEFORE SENATE FREE SAMPLE COUPON YRAMID DRUG COMPANY, 527 Pyramid Bidg., Marshall, Mich. Senator Tompkins Introduces Measure Providing for Creation of a Pension Fund-No Action Last Night on Deficiency Bill Veto Governor Brumbaugh's veto of the measure providing for an increased number of employes in the Senate and Net revenue from railway operations. \$42,959,608 31 number of employes in the Senate and House reached the Senate last night, but no action was taken. After it was read Senator Sproud moved that its con-sideration be postponed for the present, which was agreed to, and it was said last night that it is possible that noth-ing further will be heard of it. Senator Tompkins introduced a teach-ers' retirement bill which provides for the retirement of superannuated or in-capacitated public school teachers when they have reached the age of 70 or have served twenty years in the schools. A pension fund is to be cre-ated by setting apart a certain per cent. of each teacher's salary. Teachers in all parts of the State have asked that should such a measure be introduced they bay the given a chance to be heard in is ts support. Subate Marking apart a certain per cent. Subaud such a measure be introduced they be given a chance to be heard in is ts support.

Bill Carries \$46,955,722 The total carried is \$46,955,722.42 the largest ever put in a preliminary bill. The Highway Department asks bill. Differ the ast ask bill. Differ the anthracite tax be ing refunded in the event of the act be ing refunded in the event of the act be ing refunded in the event of the act be ing refunded in the event of the act be ing declared unconstitutional, if it should be, with lawfal interest. Per-sons entiled to the increase are to file claims within six months, and sait may be brought to enforce collection. large decrease. Capital Stock and Funded Debt. The capital Stock and Funded Debt. The capital stock was increased \$31,-\$30 through the conversion of that amount of receipts issued under the stock allotment of 1913. The Funded Debt and Equipment Trust obligations show a net decrease of \$7,00,879,32. The stock allot the stockholders ap-proved of the creation by the Board of Directors of a General Mortgage so that the Company might have a broad basis for future financing. This mortgage has not yet been recorded, and no bonds can be issued for any purpose thereun-der without the prior consent of the stockholders, which has not so far been turing Octode (18, 18) and there sturing Octode (18, 18) and there ments to its railroad and equipment. Since the close of the year it therefore sold \$49,000,000 Consolidated Mortgage d's per cent. Bonds, bearing date Feb-ruary 1st, 1815, realizing a price slightly in excess of par, a satisfactory result under existing conditions. Ind und the consolidated Mortgage is almost \$100, 000,000, which is the maximum amount that can at any one time be issued and outstanding. In view of the creation of the new General Mortgage it is deem-ed advisable that hereafter the Consoli-dated Mortgage should be closed, and no further issues of bonds made there-ment. ing the year in placing the telephone and telegraph wires underground, the section from Broad Street Station, Phil-adelphia, to Paoli, and from Jersey City to Raiway, having been completed. The phase in trains movies is to present de-trains action of the Company's business by reason of the destruction of over-head wires by sleet and other storms, and also to avoid interference by elec-tric transmission lines, and other wires. During the year the final link in the automatic block signal system on your Main Line between New York and Pitts-burgh was completed. The installation of the first present will add to the metry argunal system will add to the metry argunal system will add to the streight stations were placed un-der construction at Harrisburg and Al-legiony, which will be completed in 1915. The passenger and freight fadil-ties at Ilizabethown. Altoona and Brookville åre also being enlarged to hade a increase traffic. The Sugar Camp Branch, Tyrone Di-wing burgh on the Cowansup, Pitts-burgh Division, was completed, and a pranch is being constructed to make new coal openings; the Yukon Branch extension from Belis Mills to Cowansup, Pitts-burgh Division, was completed, and a branch is being constructed from Gfi-berton to Mahanoy Plane, Schuylkill Di-vision, to develop additional coal traff.

Governor Brumbaugh last night sent to the Senate the appointment of Wil-liam H. Shoemaker to be judge of Com-Pleas Court No. 1, mon Pleas Court No. 1, Philadelphia, vice John L. Kinsey, deceased, and the name of Ignatius J. Horstmann, of Philadelphia, to be inspector of the Eastern penitentiary vice Robert A. Balfour, deceased. Both nominations
