### The Newest Shapes in All Kinds of Straws--A Complete Spring Showing

Hundreds and hundreds of untrimmed hats in toques, pokes, sailors, turbans, military effects and the tiny shapes are attracting a great deal of attention among women who didn't know that such a large display of millinery was in evidence so early in the season.

These early Spring hats offer a welcome change from the Winter hat, and with such a large variety of shapes and shades to select from it becomes an easy matter to pick a new hat and determine how you want it trimmed.

### Brazilian Plot Revealed

Sailors on Battleships Involved in Scheme to Oust Governor of Rio Janeiro State

By Associated Press.

Rio Janeiro, March 3.—Discovery of a plot which is said to have had as its object the ousting of Nilo Pecanha as Governor of the State of Rio Janeiro, has resulted in several arrests. Among those involved are sailors on battleships Minas Geraes and Sao Paulo. A rigid inquiry is being conducted and it is believed the movement is similar to the naval mutiny of 1-0. Official announcement has been made that no officers are involved in the conspiracy, which is considered "a complete failure."

Richard Kirk, a Brazilian aviator licensed by the Aero Club, was killed when his machine overturned at a great height while he was reconnoitering over a rebel camp in the State of Parana.

Sailors on the battleships Minas Geraes and Sao Paulo mutinied on November 22, 1914, murdered four of their officers and bombarded Rio Janeiro. The mutineers sent the government a strong worded ultimatum demanding an increase in pay, the abolition of corporal punishment and several other unpopular naval regulations. The movement was believed not to have political significance. Three days after the mutiny began both chambers of Parliament passed resolutions granting amnesty to the sailors involved in the revolt and the mutineers surrendered on November 26.

### THRONG OF BUYERS CONTINUE

Special Half Price Brings Many Patrons to H. C. Kennedy's

The people of Harrisburg and vicinity appreciate the great advantage H. C. Kennedy obtained for them, in getting the Dr. Howard Co. to allow the regular 50-cent size of Dr. Howard's specific, for the cure of constipation and dyspepsia, to be sold at half price, 25 cents, and have bought hundreds of bottles.

Unlike ordinary medicines for constipation and dyspepsia, the dose of Dr. Howard's specific is reduced after a few days' use, and the cure is soon complete and lasting.

If you have not already taken advantage of this chance to get a month's medical treatment for 25 cents, be sure to call at H. C. Kennedy's to-day, for he has only a small amount of the specific on hand.—Adv.

Ruinous Crawford—I hear it was a bad failure. Crabshaw—Very. Even the receivers didn't make anything out of it.—Puck.
