"In Champagne to the north of Souain, Messin, there has been nothing fresh to report since yesterday evening's communication.

COURT HOUSE

WANT NEW COUNTY BRIDGE

Commissioners Want Viewers to Pass Upon the Question

Believing the iron bridge over Wisconsin creek connecting the borough of Lykens on the east side with Wisconsin township to be unsafe, the County Commissioners this afternoon decided to petition the Dauphin county court to appoint a board of viewers who shall pass upon the question of necessity for a new structure.

It is the plan of the Commissioners, if the viewers report favorably, to have the March Grand Jury approve the project and then advertise for bids for the construction of a single span concrete bridge. The new structure is to cost not more than \$4,000.

Contractor Paid

S. W. Shoemaker & Son, the contractors who graded Wisconsin street, from Front to Sixth, to-day were paid \$5,628.60, the full cost of the improvement. It is understood that property owners all have paid their pro rata share of the total cost.

Edward M. Cope also has filed an action against Snyder, reclaiming \$2,000 for the loss of his wife's companionship and services during her illness.

Husband Killed, Wife Sues

A charge of negligence is contained in the \$10,000 suit which Mrs. Bessie Downey has launched against the Central Iron and Steel Company and its receivers, growing out of the death of her husband, Daniel W. Downey, on April 1, 1913. Mark Micholovich, a laborer, employed by the Central, it is charged, turned steam into a boiler in which Downey was working and he was fatally scalded. \$22,000 AWAITS ARTIST TO FINISH CAPITOL PAINTINGS

Money Has Been Appropriated but Alexander Has Not Delivered the Pictures—Board on Tuesday Will Decide What to Do

The Public Grounds and Buildings Commission at its meeting next Tuesday will take up the matter of the paintings for the fourteen blank lunettes on the wall of the corridor in the north wing of the capitol. The contract for this work was let to John W. Alexander, of New York, who was to do the work for John H. Sanderson, contractor for the decorations of the new capitol, for \$22,000, and Alexander gave bond for the performance of the work.

In 1911 a second contract with Alexander was prepared by Attorney General Bell, accompanied by a bond in the amount of \$11,000, or 50 per cent. of the contract price, and the Legislature appropriated \$22,000, but nothing was heard from Mr. Alexander. The appropriation was carried in the 1913 budget, but although Alexander has repeatedly been requested to take some action in signing the contract he has not yet done so.

This year the \$22,000 is not embraced in the appropriation budget, and Superintendent Rambo will refer the matter to the Board of Public Grounds at its meeting on Tuesday with notice that Alexander has not yet complied with the contract, and if the Board decides to go ahead with the work under another contractor the appropriation will have to go before the Appropriations Committee again.

Alexander obtained his canvases in England a long time ago, and, it is said, has made preliminary sketches for the work.

"I should like very much to have the lunettes in place," said Superintendent Rambo, "for I desire that the art program be completed."

The Senate and Supreme Court room pictures, to be painted by Miss Violet Oakley, are not yet completed, but Miss Oakley writes that she is at work and the detail has consumed more time than she thought would be necessary.

FORGERS GIVE UP FIGHT

Mercer and LeBrun Decide Not to Make an Appeal and Will Be Sentenced to-morrow

Counsel for H. R. Mercer and Fred LeBrun, the convicted forgers who, thinging Harrisburg a "jay" town, came here only to be caught five hours after trying to work a crude "skin game," have decided not to press their applications for new trials and the defendants will be called for sentence at a session of motion court on Monday.

John E. Gibb and Albert Heagy, of Steelton, have pleaded guilty to charges of robbing J. H. Higgins, of Austin, Pa., former Sheriff of Potter county and a personal friend of former Senator Baldwin, and they, too, will be sentenced on Monday. Others upon whom the court will pass sentence are criminal cases, include the following:

Clayton Jones, larceny; Frank Johnson, assault and battery; Paul Bates and Thomas Procasco, felonious entry and larceny; Charles Prater, gaming house; Samuel Weaver, false pretenses, felonious entry and larceny, three charges; Charles L. Baugher, felonious entry and larceny; Virgil Brown, surety of the peace; Eugene DeWalt, Charles H. Jones, Walter E. Kerstetter, Clarence R. Bayley, Howard Croft and Hugh W. Norris, non-support; Allen J. Silks, larceny, eight charges; Daniel Frederick, serious charge.

CALGARY RAISES LOAN HERE

Canadian City Gets \$2,000,000 on 6 Per Cent. Treasury Notes

Washington, March 5.—Samuel C. Reat, Consul at Calgary, Alberta, Canada, has reported to the Department of Commerce that the city of Calgary on February 16 got a loan of \$2,000,000 in the United States on Treasury notes bearing 6 per cent. interest. The notes, he says, which are payable in three years, sold at 98.

Municipal bonds amounting to \$2,550,000 are hypothecated with a local bank as security. The city also gives a bond with the debentures to the local bank as trustee. Interest on the loan is payable through the Mechanics and Metals National Bank, of New York.

The turning of this Canadian city to the United States for money is another evidence of the shifting of financial balance in the favor of the United States since the war began.

PIMPLES ON FACE ITCHED TERRIBLY

Scratched Until Became Larger, So Disfigured Ashamed to Be Seen, Could Hardly Sleep at Night. One Cake Cuticura Soap and One Box Ointment Healed.

R. F. D. No. 1, Kutztown, Pa.—"My first small pimples were visible upon my face. They would itch so terribly that I would scratch them until they became larger and larger. They were almost as large as a ten-cent piece. My face was so disfigured that I was ashamed to be seen. I could hardly sleep at night.

"I tried many salves and cold creams but none seemed to help me. I saw the advertisement of Cuticura Soap and Ointment and immediately sent for a free sample. I used these and got relief in a few days. I purchased a cake of Cuticura Soap and a box of Cuticura Ointment and in a short time I was completely healed." (Signed) Miss Katie M. Heffner, Oct. 15, 1914.

How to Gain Weight A Pound a Day

Thin men and women who would like to increase their weight with 10 or 15 pounds of healthy "stay there" fat should try eating a little Sargol with their meals for a while and note results. Here is a good test worth trying. First weigh yourself and measure yourself. Then take Sargol—one tablet with every meal—for two weeks. Then weigh and measure again. It isn't a question of how you look or feel or what your friends say and think. The scales and the tape measure will tell their own story, and most any thin man or woman can easily add from five to eight pounds in the first fourteen days by following this simple direction. And best of all, the new flesh stays put.

Sargol does not of itself make fat, but mixing with your food, it turns the fats, sugars and starches of what you have eaten, into rich, ripe fat producing nourishment for the tissues and blood—prepares it in an easily assimilated form which the blood can readily accept. All this nourishment now passes from your body as waste. But Sargol stops the waste and does it quickly and makes the fat producing contents of the very same meals you are eating now develop pounds and pounds of healthy flesh between your skin and bones. Sargol is safe, pleasant, efficient and inexpensive. G. A. Gorgans and other leading druggists in Harrisburg and vicinity sell it in large boxes—forty tablets to a package—on a guarantee of weight increase or money back.—Adv.

James Boyd, a Philadelphia murderer, is to be electrocuted at the Centre county death house next week, and when Warden Francies, who has charge of the electrocutions, requested the Sheriff of Philadelphia to send Boyd to the scene of electrocution, he was met by the answer that Boyd was not in the keeping of the Philadelphia Sheriff, but was in charge of the keeper of the county prison. Warden Francies then asked the Attorney General's Department whether it was his duty to apply for Boyd from the prison keeper and was to-day informed that he should pursue that course. Boyd will be taken to the death house this week.
