

Let the Kiddies Have Plenty of Florida Oranges and Grapefruit

The juice of tree-ripened Florida citrus fruits is both food and drink for growing children. It can be given freely, even to very young boys and girls. The juice of Florida oranges and grapefruit will refresh the child when lesson-weary without endangering the digestion.

FLORIDA CITRUS EXCHANGE

No country in the world can produce oranges so spicy, so sweet, so juicy, so fragrant, so strength-giving as Florida. No other country can grow such grapefruit, with its texture of pulp and rind, its richness of flavor, its delicious juice.

FULL CREW LAW REPEALER INTRODUCED LAST NIGHT

Baldwin Measure Gives Public Service Commission Power to Regulate Manning of Trains—Plan to Amend the Election Laws Is Submitted

The long-looked-for full crew repealer bill made its appearance in the House of Representatives at 4.30 o'clock yesterday afternoon, being introduced by Representative Richard J. Baldwin of Delaware county.

Mr. Baldwin's bill repeals the full crew law, puts the regulation for the manning of trains up to the Public Service Commission, the rules laid down by that body to be final. It gives the railroads an opportunity to give their side of the question before the Commission as if it were a court of law.

That the Public Service Commission, created by the public service company law, approved July 26, 1913, shall have power, after hearing upon notice in order in writing to require any railroad corporation as defined in the public service company law, to employ a sufficient and adequate force of men upon any of its trains, and any such order shall be enforceable in the same manner as provided by such public company law, in respect of orders of the Commission made thereunder, and all acts inconsistent herewith, or supplied hereby, are hereby repealed, including the act of June 19, 1911, entitled "An act to promote the safety of travelers and employes upon railroads by compelling common carriers by railroad to properly man their trains."

The bill was referred to the Committee on Railroads, of which H. I. Wilson, of Jefferson county, is chairman.

Bills drafted by the Committee of Seventy, of Philadelphia, to amend the election laws were introduced in the House yesterday afternoon by Mr. Graham, of Philadelphia, by request. They make the following provisions: Requiring voters to mark every candidate for whom they desire to cast a ballot.

Making 2 per cent. of the primary vote the basis for giving a party the right to nominate candidates at primaries. Providing that loss of both hands or blindness shall be only causes for a voter to ask assistance, and requiring affidavits to be filed.

Mr. Graham also presented a bill for a single council of fifteen, to be elected at large in Philadelphia, councilmen to be paid \$5,000 annually.

Would Denounce Robert Swartz Representative Willman, of this city, introduced a bill in the House yesterday asking for an appropriation of \$617.31 to pay a claim of Robert Swartz against the Commonwealth for work alleged to have been done at the request of the Superintendent of Public Grounds and Buildings between May and November, 1895.

PIMPLY? WELL, DON'T BE! People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.—Adv.

The paste is made by mixing some water with a little powdered delatone. When this paste is removed and the skin washed every trace of hair has vanished. Be sure to get real delatone.—Adv.

Vest Pocket Remedy That Quickly Ends Indigestion

There is a perfectly safe and sure way for you to eat whatever your stomach craves and do it over again the next day. Many will say, "How I wish I could eat that, but I have tried and every time it nearly kills me."

People get in a condition like this only because they are not taking proper care of their stomach.

Every stomach has a lot of work to perform in digesting the food and if crowded with extra labor it rebels and kicks up a fearful disturbance.

There is a simple, harmless, inexpensive and most effective prescription easily obtained at any drug store called Mi-o-na that will quickly stop this disturbance. These little vest pocket Mi-o-na Stomach Tablets were especially prepared to regulate out-of-order stomachs. They not only help the over-worked digestive organs by increasing the flow of gastric juices, but surely and safely build up and strengthen the stomach walls so that the stomach can care of the food as nature intended.

It's needless for you to suffer with indigestion, heartburn, biliousness, sour, gassy or upset stomach, for Mi-o-na will give prompt and lasting relief every time. Do not delay, but get some of these indigestion ending tablets drug-gist to-day. Be sure you get MI-O-NA and accept nothing else, as Mi-o-na is always sold with the understanding that if it does not banish all stomach distress your money will be returned on request.—Adv.

Drinking Water.

It is surprising how many people drink little or no water. There is no greater purifying agent than plenty of water internally. An abundance of it not only flushes the entire system, but improves the action of the skin; hence the complexion. Care should be taken that the water drunk is free from germs. If there is any doubt boil it. Do not confine yourself exclusively to either cold or hot water and do not take either at extreme temperatures.

Not Warranted.

Grubbs—Is there any truth in this report that Miss Oldgirl is to be married? Stubbs—She thinks there is no doubt, but in my own view her belief merely represents another triumph of hope over experience.—Richmond Times-Dispatch.
