

\$15 PER MAN WAS GOVERNOR'S IDEA OF COST OF TRIP

Continued From First Page. oral principles, and he sent for the Senate and House attaches and asked for figures on the cost. The Governor himself suggested that the cost of the entire trip should not be over \$15 a man, but this was shown to be entirely too small, and when the details were gone over it was found that the expenses, covering everything, including transportation and boarding, would be not less than \$1,700, and that is about the amount that will be expended. That is an average of \$48.57.

Size of Party Kept Down. The Pennsylvania railroad will have entire charge from the time the party leaves Harrisburg on next Monday night until it returns on Wednesday morning. The party will go by way of Washington and Richmond to Newport News, entirely by rail, occupying Pullman cars—parlor, sleepers and diners—and only those invited by the legislative committee, of which Senator Beideman, of Dauphin, is the chairman, will be allowed on the train.

They will arrive at Newport News on Tuesday morning and will attend the launching at noon, in which ceremony Governor Brumbaugh will take part, and then go to Old Point Comfort for the afternoon, leaving there in time to get back to Harrisburg on the following morning.

Much disappointment has been expressed among those Senators and Representatives who will not be of the party, but the Governor is determined that there shall be no junket and no scandal such as has heretofore characterized some legislative expeditions to participate in ceremonies.

It was expected that by some means the Pennsylvania delegations could be enlarged to at least a hundred in order that a big showing might be made for a big State, but the money was not there to pay the expenses, and the chief clerk—the Senate and House who will have to pay the bills out of their contingent funds are not going to sanction anything more than what is desired by the Governor, and expenses will be paid to the bone.

COURT HOUSE TROLLEY CO. QUITS FIGHT

Had Appealed Damage Suit But at Last Moment Decided Not to Press It

Failure on the part of the Central Pennsylvania Traction Company, now the Harrisburg Railway Company, to press its appeal in the damage suit against it by Clarence A. Cornman, 1604 Derry street, this city, resulted in the Superior Court, now in session in this city, non-prossing the suit.

Cornman, who is a grocer, brought suit against the trolley company following an accident on April 27, 1910, in which his delivery wagon, loaded with eggs, was struck by a trolley. A Dauphin county jury awarded him \$950 and the traction company appealed. Cornman's claim now must be paid.

Grant Liquor License. The Court this morning made an order allowing the transfer of the liquor license held by John E. Umbolt, proprietor of the Elman hotel, Lykens township, to Oscar Kessler.

Building Permits. Samuel Gardner has obtained a building permit for the erection of three three-story brick houses on Susquehanna street, near Bayford avenue, costing \$7,500. Kopenhaver & Garrett got papers to build two two-story brick houses at 2213-15 North 11th street, costing \$3,000, and the Rev. O. H. Bridgman will build a three-story brick residence at 229 North Fifteenth street, costing \$2,200.

R. R. TELEGRAPHERS HEARD. Argue Before House Committee in Favor of 2 Days' Rest a Month

The railroad committee of the House, of which Representative H. I. Wilson is chairman, gave a hearing to the telegraphers yesterday afternoon on House bill 297, which requires all railroads operated in this State, to give not less than two days' rest in each calendar month to all telegraphers who handle train orders or messages for the movement of trains.

A. L. Rex, legislative representative in Pennsylvania for the telegraphers, and J. F. Miller, general chairman of the telegraphers on Pennsylvania lines east of Pittsburgh, spoke in favor of the bill. The railroad committee decided to give a hearing to those who oppose the bill at some future date.

Hold Reception for Nurse. A reception in honor of the birthday anniversary of Miss Violet Maley, head nurse at the Polyclinic Hospital, Front and Harris streets, was held at the hospital last night. At 10 o'clock a luncheon was served to the following guests: Miss Pebecco Blessing, Miss Edith Keesey, Miss Ruth Rosner, Miss Catherine Page, Miss Florence Carpenter, Miss Blanche Carothers, Miss Elsie Dinger, Mrs. Matich, Mrs. Boser, Dr. and Mrs. C. W. Batdorf, Dr. and Mrs. H. R. Douglas, Dr. and Mrs. H. F. Gross, Dr. and Mrs. S. Z. Shoop, I. R. Arthur, Forrest Alcorn, Fred Myers, Robert Stiles, Clinton White and Ralph Page.

Services at Enola. The Rev. Floyd Appleton, rector of St. Paul's church, will conduct services to-morrow at 8 p. m. at the residence of Edward Knawbe, Beal avenue, Enola, and on Sunday at 4 p. m. at the Reformed church near the School House, Enola.

W. C. T. U. Meeting. The East Harrisburg W. C. T. U. will meet to-morrow evening at 7:30 o'clock at the Fourth Reformed church, Sixteenth and Market streets. The topic will be "Clara Barton" and the leader Mrs. A. W. Swengel.

SUPERIOR COURT DENIES EMBEZZLEMENT APPEAL

Swab, Who Was Attached to the Northumberland County Treasury, Must Stand Sentence—Justices Adjourn, to Meet in Pittsburgh

The Superior Court this morning held its final meeting of its present session and, after hearing argument in the last case, handed down a number of opinions and adjourned, to meet in Pittsburgh in April. One of the decisions made by Justice Kephart was in a Northumberland county case, wherein Swab, who was connected with the Northumberland county treasury and was convicted of embezzling county funds, made an appeal for a new trial. It was denied and he was ordered to appear for sentence. Justice Kephart went over the facts in the case at length and found that there was nothing in the appeal to justify a reversal of the court below, and he decided against Swab. Justice Kephart also affirmed the Delaware county court in the appeal of Evans, and in the case of Floyd vs. the Lehigh Valley Railroad Company reversed the court below and ordered a new trial.

Other opinions handed down were as follows: By Justice Trexler—Harry Euseion's appeal, Lancaster, affirmed; estate of Aideon Wagner, appeal, No. 1, Lebanon, affirmed; same, No. 2, appeal dismissed; Joseph W. Bain vs. Ben's Cream and Coke Co., Blair, appeal dismissed; Margaret A. Wilson estate, Lancaster, appeal dismissed; Wm. W. Elzea vs. Herbert H. Brown, Philadelphia, affirmed.

By Justice Orady—Estate of I. Newton Snavely, Philadelphia, affirmed; Herbert DeLong vs. Lehigh Valley Transit Co., Lehigh, affirmed; Per Curiam—Robinson vs. Harshaw, et al., Philadelphia, rule to advance discharged and petition dismissed; Finck vs. Northern Central Railway Co., York, petition denied; Mary P. Loy vs. International Mercantile Manufacturing Co., Philadelphia, reargument allowed; petition of Frank Kus, Luzerne, petition refused; Leon Holz and Alexander Rosenblum vs. Charles A. Smyth, appellant, petition for reargument denied.

The last case argued was the liquor license case appeal of Beardsley from the decision of the Bradford county court. Beardsley was one of the applicants for a license at the last court and his license, as were all others, was opposed on the ground that the applications had not been properly advertised. On the ground the court refused to grant the license. Rodney A. Mercier appeared for the appellant and argued that the Brooks high license law did not intend drastic action such as was taken by the court when a mistake had been made in the advertising of an application. Former Congressman Horace B. Packer, for the appellee, held that the court had simply carried out the mandate of the law and was justified in refusing the license and quoted numerous authorities in support of his position. The court took the papers and will hand down an opinion at the session in Pittsburgh.

No decisions were handed down in the Dauphin county cases argued this week, and they may be expected to be heard from when the court sits in Pittsburgh two weeks from now. These include the case of Athens, George A. Proprietor of a Market street motion picture theatre, who took an appeal from the Dauphin county court's decision regarding the segregation of negro patrons of his house.

COMMERCE DIRECTORS MEET

Encouraging Reports Were Received From Bureaus and Committees—New Members Admitted

The monthly meeting of the directors of the Harrisburg Chamber of Commerce was held yesterday afternoon in the rooms of the Chamber. President Henderson Gilbert, First Vice President David Kaufman, Second Vice President Warwick M. Ogelsby, Treasurer Donald McCormick, W. B. McCaleb, George A. Shreiner, George P. Watt, Edward S. Herman, George W. Boger, J. William Bowman and Secretary E. L. McCoolgin were present.

Monthly reports of officers and committees showing much successful activity on the part of every interest in the Chamber were submitted. Detailed reports upon the recent successful train excursion to Sunbury, Wilkes-Barre and Reading; upon the Raymond lectures. It was announced that the Credit Rating Bureau recently established by the Chamber would be open for business sometime in March, voluminous data on thousands of people being tabulated for the records of the Bureau.

Five new members were elected: L. M. Bricker, of the West Shore Bakery; Buras & Co., furniture; Ezra F. Hershey, of Hershey, Pa.; Lalance & Grosjean Manufacturing Company, for John Gray, their new local manager, and E. S. Marks, proprietor of H. Marks & Co.

The directors gave much time and attention to the consideration of several important items of new business, the progress and result of which will be announced later. It was stated that the Harrisburg Chamber of Commerce through bringing Magnus W. Alexander here and other means had done more intelligent work in regard to Workmen's Compensation than any other Chamber in the State.

DR. FAGER TO TELL OF TRIP. Will Speak at Pine Street Church Meeting To-night

Dr. Charles B. Fager, Jr., principal of the Technical High school, will talk on his recent European trip to the members of the McCormick and Reinhard Bible Classes this evening at 8 o'clock in the lecture room of the Pine Street Presbyterian church.

The State Department of Education has furnished colored slides from photographs taken by Dr. Fager during his travels which will be used to illustrate the lecture.

Wants Bids on Water Supplies. Harry P. Bowman, Commissioner of Public Safety, who is in charge of the water department, this afternoon prepared estimates for the water meters, water pipe, valves, fire hydrants and alum that will be required in the department during the coming year, and he will begin to-morrow to advertise for bids. The bids will be opened on March 22, at 3 o'clock, and the contracts probably will be awarded by the City Commissioners at the meeting on the following day.

CAPITOL HILL COMPLAINTS FILED WITH PUBLIC SERVICE BOARD

Philadelphia Enters Protest to the Commission on Fares Charged by the Pennsylvania Railroad Company to Suburban Stations

Fred N. Bradley, secretary of the Belmont Improvement Association, residing at 4133 Mantua avenue, Philadelphia, has filed a complaint with the Public Service Commission in relation to the fares charged by the Pennsylvania Railroad Company at the Fortieth street station. It is alleged that, notwithstanding that the Fortieth street station has been a regular station for more than five years, the railroad company has declined to sell a single trip ticket or any other kind of a ticket between Broad street and Fortieth street and only sells a ticket entitling transportation between the Fifty-second street station and Broad street, charging for that distance. The complainant, as an evidence of discrimination and unfairness, points out that the railroad company makes provision for the sale of tickets between Pittsburgh and Shady Side and East Liberty and contends that tickets should be placed on sale marked or printed on the face thereof "Fortieth Street Station."

The White Oak Light, Heat & Power Company petitions the Commission to restrain the Borough of Benson, Somerset county, from constructing an electric light plant for the purpose of lighting the streets of the municipality and furnishing current for the lighting of residences and business places within the borough.

Since 1906 the complainant has been rendering this service, but the borough is now about to have its own plant and intends to cut down the complainant's poles and remove its fixtures from the streets. This proposed action, the complainant says, is interfering with its vested rights and is illegal.

CHORUS WILL MEET MONDAY

Evangelistic Singers to Make Final Plans for Trip to the Stough Tabernacle

Final plans for the big excursion of Harrisburgers to Lancaster Tuesday evening, March 16, to hear Dr. Henry W. Stough, the evangelist who, during November and December, conducted the revival in this city, will be completed at a rehearsal of the Harrisburg evangelistic chorus Monday night in the Ridge Avenue Methodist Episcopal church, Sixth and Herr streets.

At this meeting the special buttons made for members of the chorus will be distributed. Fully 2,000 are expected to go on the Lancaster trip, and all will be permitted to wear the buttons.

Charles P. Clippinger, director of the big chorus, has announced that several interesting surprises are being planned for the Monday night meeting in addition to the regular routine. The songs which will be sung at the Lancaster tabernacle under the direction of Professor Spooner, Dr. Stough's director, will be rehearsed Monday.

At Lancaster members of the Lancaster tabernacle chorus will meet the Harrisburgers and will conduct them to the meeting house with its familiar scenes. Hundreds of the local people who are planning to go on the trip hit the "saw dust trail" during the campaign here.

Owing to the hiring of a special train a special rate of \$1.50 for adults and 75 cents for children has been procured for the excursion by the officials of the Harrisburg Evangelistic Chorus. Pass privileges will be good on the special excursion train.

SHERIFF HAS LIVELY SALE

Two Attorneys Each Claim to Be Highest Bidder When Property Is Knocked Down

Sheriff Wells this afternoon conducted one of the liveliest property sales probably since he took office three years ago. In one case two lawyers, bidding on the same property, each claimed to have filed the highest bid and the Sheriff was obliged to reopen the sale.

Five pieces of Millersburg property formerly owned by J. M. Johnson had been bid up to \$1,730 and the auctioneer "knocked it down" to James G. Hatz, of H. L. Lark, the other bidder, claimed title and had the sale reopened. On second consideration Hatz abandoned the fight. Speedy bidding attended the sales of the remaining properties.

These sales were recorded: Three-story brick property at 1709 Green street, owned by William H. Myers, to E. M. Hershey for \$3,355; 3-story brick house at 213 Harris street, owned by Levi G. Marzetta, to S. L. Leib for \$3,725; property of Adam Fleck, Rudy street, to I. P. Bowman, \$741.31; property on North street owned by William O. Miller to John Lappley for \$6,210; Lena G. Cohen house at 114 Short street to Robert Rosenberg, \$257.92; Fannie Epstein house at 705 South street to W. Justin Carter, \$137.77.

Some of these bids covered only the amount of the Sheriff's costs and not the encumbrance thereon.

REAL MUSIC IN "ROBIN HOOD"

De Koven's Company at Majestic Includes Pleasing Voices

Robin Hood and his merry men, together with the rest of De Koven's excellent company, delighted yesterday's audiences at the Majestic with music that was really music. The company organized two seasons ago for the purpose of restoring the glories of English light opera and giving a jaded public more and better music than is afforded in the modern musical comedy. It is now on its third tour of the country, and is at its stop at Harrisburg, at least, it did much to realize its purpose.

The gorgeous costumes added attractiveness to the production, and the electrical effects aided in pleasing the eye. The voices, of course, provided the real entertainment, including most notably Cora Tracy's contralto, Bessie Abbott's soprano, Harold Blake's tenor and James Stevens' baritone.

STAR-INDEPENDENT WANT ADS. BRING RESULTS.

MOTORCYCLE PARADE TO PRECEDE SHOW TO-NIGHT

Fifty Machines Will Haul Some 200 Riders Over a Long Route Through Principal City Streets—'Society Night' at Big Exhibit

To lead the Harrisburgers who find time hanging heavy on their hands to the motorcycle show in Chestnut street hall this evening the Keystone Motorcycle Club will have a parade of motorcycles over the principal streets of the city starting at 7:30 o'clock from the clubhouse at Thirteenth and Walnut streets.

Fifty machines are expected in the lineup and 200 people will be crowded on the two-wheeled. It has been demonstrated that seven people can "ride" a motorcycle and such a spectacle is promised. The route to be followed is: To Market, to Second, to Walnut, to Third, to Market, to Fourth, to Sixth, to Mackay, to Second, to Reily, to Third, to Market, circle Market square, to the Chestnut street hall, where the show is in progress.

To-night will be society night and if it proves as successful as ladies' night last night all will be well and good. More than 600 attended the show, 387 being paid admissions. The sales of the exhibitors were boosted slightly yesterday.

George W. Boger opened a booth yesterday, displaying Old Town canoes and an Everready board motor. A display of four cups offered by Frank Hemminger, Charles Uhler, Ray Heagy and Joe Adelstine for most consistent riding during the year was made in the booth of the Keystone Motorcyclists yesterday. They are handsome trophies and will be hotly contested for.

LATE WAR NEWS SUMMARY

Continued From First Page.

made another of the swift and unexpected strokes which have marked his campaign against the Russians. Gathering a large force along the Prussian border in Northern Poland, he has begun a new movement outward, apparently intending to strike again at Przasnysz where the Germans recently met the defeat which preceded their general retirement in the north. An important battle has developed as a result of this movement, the result of which, it is said in Petrograd, has not yet been indicated.

With the diminution of activity in Champagne, the western battle front has grown quieter. The German military authorities assert that the allies have suffered a complete defeat in Champagne after undertaking an offensive movement believed in Berlin to have been designed to relieve pressure on the Russians. Desultory fighting continues in Belgium, but along the eastern front, where there have been active and almost continuous battles, weather conditions have enforced a temporary lull.

Paris reports tell of resumption of the Dardanelles bombardment. It is said that the fire of some Turkish batteries under attack slackened perceptibly during the engagement.

Dispatches from both Newport News and Washington indicate that the German auxiliary cruiser Prinz Eitel Friedrich, which took refuge yesterday in Hampton Roads, will be interned.

MEASURE WOULD REDUCE NUMBER OF COUNTY EMPLOYES

Reduction of the number of recording jobs to three in counties the size of Dauphin is the purpose of a bill introduced in the House this morning by Mr. Phillips, of Clark. It provides for the election of a Prothonotary to act as clerk of the quarter session, over and terminer and opeans' recorder, and a Register of Wills and a Recorder of Deeds.

The act must be accepted by the county before its provisions can be taken advantage of. A petition of 25 per cent. of the voters at the last election shall cause an election to be certified to every county commissioner, who shall have charge of the election. The petition must be filed not more than forty and not less than thirty days before the date of the next general or municipal election, the general election laws to govern the election. If the measure is defeated it may be brought up again in three years. The officials named in the measure are elected for four years and shall serve from January 1 next succeeding their election.

A bill to reduce the remuneration of the receiver of school taxes in all school districts in the State outside of the first class—Harrisburg is second class—was introduced by Mr. Hubler, Luzerne. It provides that "if 75 per cent. or more of the school taxes paid prior to the time when a penalty of 5 per cent. is imposed shall be paid by ten or less taxable persons, the compensation of the tax receiver shall be not more than one per cent. paid before the time of imposing the penalty and five per cent. upon all taxes collected after that time."

Providing a board of examiners for

Forrer Has Guests. George R. Fleming, supervisor of the Williamsport playgrounds, and George P. Hepburn, national representative of the Spalding Company, yesterday were guests of V. Grant Forrer, parks and playgrounds superintendent of Harrisburg, Forrer and his family.

Messenger Boy Fractures Wrist. Joseph Stair, 109 Evergreen street, a messenger boy for the Post Telegraph Company, fell from his bicycle yesterday and fractured his left wrist. An X-ray examination was made at the Harrisburg hospital this afternoon.

FIX EARLY DATE TO ADJOURN TO TRICK GOVERNOR

Continued From First Page.

Mr. Cromer, of Allegheny, who introduced a resolution to fix March 17 as the last day for the introduction of bills to be acted on at this session, pleaded for the passage of the Baldwin resolution in the following terms: "Let us adjourn before we pass too much fool legislation."

Mr. Walter, of Franklin, asked for a postponement until Monday evening, saying that the resolution was unfair to the chairman of the Judiciary General and Law and Order Committees who have worked hard on important legislation and necessarily would have to be hurried on more important measures.

A "Kindergarten Legislature?" Mr. Lanius, of York, the blind member of the House, said that at this time in the session of 1913, 1,500 bills had been introduced into the House, and that only 900 have been presented up to this time in the present session. He said he was ashamed to go home on Wednesdays, when recesses were taken on that day, because his constituents thought he had run away from Harrisburg.

Mr. Sones, of Schuylkill, declared he had the same experience and persons in Pottsville would say: "Back, already?"

Mr. Milliron, of Armstrong, appealed to the 140 new members of the House, saying that the people of the State would blame them for delays.

"Let us show them we are not a 'kindergarten legislature' and advance to the front rank before the close of the session," he said.

Several members suggested working Thursdays and Fridays to complete the work. One member even went so far as to propose "seven days a week" to get through. Mr. Kitts, of Erie, said it is unfair to the men who can not get home on the week-ends to adjourn early each week.

Mr. Foster's suggestion for postponement met with a chorus of "noes" and it was evident that a vote was to be forced on the resolution. The debate closed when Mr. Dunn, of Philadelphia, said: "Look at the Democratic side of the House! They are in their seats. And look at the Republican side! It should be filled, too."

A roll call on referring the measure to the Rules Committee fell by a vote of 138 "noes" to 20 "ayes." Wittaker's motion for a postponement was overwhelmingly voted down and the roll call on the passage of the resolution was 137 "for" and 19 "against."

Representatives Willman and Swartz, of Harrisburg, and Nissley and Young, of the Second district of Dauphin county, voted against referring the resolution to committee and voted for the passage of the resolution to fix the date for adjournment.

MORRIS URGES DEMOCRATS

Tries to Induce Legislators of That Party to Support Brumbaugh in the Local Option Fight

At the request of A. Mitchell Palmer, Democratic National Committee-man from Pennsylvania, who has been asked by Governor Brumbaugh to aid in the local option campaign in Harrisburg, yesterday to see what he could do with the Democratic legislators. Before leaving for home last evening Chairman Morris issued the following statement:

"I came to Harrisburg primarily to consult with the Democratic members of the Legislature on the attitude of the Democratic members toward Governor Brumbaugh's local option bill. I find that a majority of Democratic members will stand loyally by their party pledge and vote for local option. There are a number of Democratic members opposed to local option. Several of these are members who also ran on the Personal Liberal party ticket with Governor Brumbaugh and who, therefore, feel obligated to support the local option cause. I pointed out to such members as I talked with that the Democratic State organization is practically a unit for local option, that a large majority of Democratic voters have expressed themselves in favor of it, and that to vote against the local option bill is simply to give aid and comfort to the Penrose machine which, in order to keep faith with the liquor interests, must defeat the Brumbaugh bill. I realize that in the face of growing popular feeling the Penrose machine would be only too glad to fulfill its contract with the liquor interests by delivering a few Democrats in lieu of its own Representatives. I am hopeful, however, that it will find very few Democrats foolish enough to offer themselves as victims to the liquor ring, which used every effort to defeat the Democratic State ticket last fall."

OPERATORS OF STEAM ENGINES IN THIRD CLASS CITIES IN PENNSYLVANIA

delphia, where he spent two months, and previous to this worked in a shoe factory in Massachusetts, although he could not tell the name of the firm where he was employed. He said he left his native country at the time of the war, due to the impoverished condition of his family and country in general. Later in the day he went about the city begging for money to "get back home and was picked up by city police as an impostor.

CHARGED WITH FRAUD

Claiming that he was anxious to get back to his native country, where he had an aged father to support, John Alimary, a Russian, was arrested last night on a charge of fraud.

Alimary applied to the Associated Charities yesterday for help, stating that he came to Harrisburg from Philadelphia, where he spent two months, and previous to this worked in a shoe factory in Massachusetts, although he could not tell the name of the firm where he was employed. He said he left his native country at the time of the war, due to the impoverished condition of his family and country in general. Later in the day he went about the city begging for money to "get back home and was picked up by city police as an impostor.

ARRESTED FOR LARCENY

James Butler was arrested here last night by Policemen Hipple and Gibbons on a warrant from Chambersburg charging him with larceny. He was committed to jail and taken to Chambersburg to-day.
