

It Strengthens the Public's

Here, briefly, is the bill just introduced in the Pennsylvania Legislature which by repealing the Full Crew Law gives the public greater power in its place:

"The Public Service Commission . . . shall have power to require any railroad corporation . . . to employ a sufficient and adequate number of men upon any of its trains."

The railroads urge the repeal of the Full Crew Law because it is right that this inequitable law compelling the railroads to waste two million dollars a year in unearned wages should be off the statute books.

That the citizens of Pennsylvania, who directly or indirectly suffer from this tremendous waste, are back of the railroads in their fight is abundantly evident. Public sentiment, expressed in actions of boards of trade throughout the State, in countless petitions and in hundreds of thousands of letters urging the repeal of the Full Crew Law, has spoken and spoken emphatically.

But the railroads are not asking for the repeal of this law because they seek more power for themselves. The very act repealing the Full Crew Law places in the hands of the Public Service Commission, authorized guardian of the public, the trainmen and the railroads alike, the power properly to man trains.

By putting this control where it belongs, efficiency of operation is assured and the money now wasted in unearned wages can be spent for your better and safer service.

If this bill is passed you citizens of Pennsylvania will be relieved of the injurious effects of an unjust law and at the same time retain to an even greater degree your power of control over your servants, the railroads of your State.

Tell your Representatives at Harrisburg to work and vote for this amendment. It strengthens the Public's hand.

O'DONNELL, Chairman, Executive Committee, Associated Railroads of Pennsylvania and New Jersey, 71 Commercial Trust Building, Philadelphia.

SUNDAY SCHOOL CONVENTION

Cumberland County Association in Session at Mechanicsburg—Interesting Program of Exercises

Mechanicsburg, March 12.—That Cumberland county has a very active Sunday School Association is demonstrated by the convention now in session here in the First U. B. church. The forty-third annual session opened at 1:30 yesterday afternoon, with County President J. L. Young presiding. The exercises of the afternoon opened with singing by a choir composed of members of the choir of the several churches of town, led by H. H. Merer, with Miss Violet Beitzel, who is organist of the convention church, presiding at the organ. A quiet-hour service followed, conducted by the Rev. H. B. Stock, of Carlisle. An address of welcome to the town was then given by H. A. Mishler, Chief Burgess, and an address from the Sunday schools by the Rev. E. C. B. Castle, superintendent of the U. B. Sunday school. A response was given by J. L. Young, president of the association.

The business of the convention opened with reports from the officers and the superintendents of the several departments. The report of the statistical secretary, T. L. Gray, shows a total enrollment in the Sunday schools of 59,356, a gain of 2,843 over the previous year. There are 157 schools in the county. The Rev. A. P. Stover, D. D., superintendent of organized adult Bible classes, reported 161; A. B. Harnish, superintendent of teachers' training classes, reported 55; C. A. Myers, superintendent of the home department, reported 79 home departments, with 1,330 members. Mrs. T. L. Gray, superintendent of the cradle roll, reported 2,462. At the conclusion of the reports the Rev. F. Berry Plummer, of Carlisle, gave an address on "The Sunday School, a Field and a Force in Evangelism." At the close of the address

GLASS OF SALTS CLEANS KIDNEYS

If Your Back Is Aching or Bladder Bothers, Drink Lots of Water and Eat Less Meat

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid waste, so we can readily understand the vital importance of keeping the kidneys active. Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Adv

HERSHEY

Fifty-one Boys Now Housed at the Industrial School

Special Correspondence.—Hershey, March 12.—A mothers' meetings of the kindergarten was held on Tuesday evening. Jacob Behm and family, of Philadelphia, former residents of this place, spent several days here visiting relatives and friends. Among the latest arrivals at the Hershey Zoo is a female giant rhesus monkey. The animal was purchased by Franz Zimer in Harrisburg and is very tame. Another boy was recently admitted to the industrial school. There are now fifty-one boys in the home and excellent progress is being made by them in their studies and industrial work. J. R. Kreider, superintendent of the Hershey Transit Company, was in Philadelphia to inspect the four new trolley cars that have been ordered by the company. Two of the cars arrived this week and the other two will be shipped by April 1. The cars are of the most modern kind manufactured by the J. G. Brill Company. A new frame house will be erected on the street north of Trinidad avenue. Mrs. John Williams, head milliner of the Hershey department store, has returned from Cincinnati, O., where she spent several months with relatives and has again taken charge of that department in the store. Mrs. P. S. Wilson is spending a few weeks with her parents at Hagerstown, Md.

FINDS DEATH IN AWFUL FORM

Stranger Leaps in Path of Train and Is Badly Mangled

Camden, N. J., March 12.—A man, supposed to be W. Kelly, selected the horrible method to end his life yesterday, by jumping in front of a speeding Pennsylvania railroad train near Fish House station. Drawn under the wheels, his body was terribly mangled. Engineer William Tilton says the man stood by the side of the track until the train was but a few feet away and then deliberately jumped in front of the engine. At the Camden morgue Coroner Schroeder found in the man's pocket a piece of paper on which the name Kelly had been written, and on a signet ring were the initials "W. K."

WHITBY ARROW COLLARS C. V. NEWS. Hair-pulling and Fistic Fight Follows and Then Mrs. John Walter Entered Suits Against Pair Before a Magistrate

C. V. NEWS

WIFE CATCHES HUSBY IN OTHER WOMAN'S COMPANY

Gettysburg, March 12.—A hair-pulling and fistic fight marked the discovery by Mrs. John P. Walter at the Lincoln Way hotel, here, yesterday of her husband in company with a young woman who registered at the hotel under the name of Miss Frances LeMar. Mrs. Walter subsequently brought a charge of assault and battery against her husband and lodged a more serious charge against the woman. Squire Hill held Walter for court and continued the hearing in the case against the woman. The LeMar woman appeared in the magistrate's court with one arm in slings and it was said here that she is the woman who, with two men, figured in an auto accident near Westminster less than a fortnight ago. Reports from Westminster had it that Walter, too, was one of the party on the "joy ride" that figured in the accident. It is said that the LeMar woman is the wife of a Baltimore theatrical man.

Why Duffy's Pure Malt. DUFFY'S PURE MALT WHISKEY. ABSOLUTELY PURE & UNADULTERATED. TRADE MARK.

is a Medicinal Whiskey

Authorities generally agree that good, pure whiskey possesses positive medicinal value. Both as a stimulant and tonic its use by profession and laity is widespread. Because of this fact the U. S. Pharmacopoeia (the Government authority on medicines and their proper preparation) has established a standard of purity for medicinal whiskey. Duffy's Pure Malt Whiskey meets the Government Standard and is even higher—obtained only by a costly process. First of all it is made of grain entirely malted, although the Government Standard does not require that all the grain be malted. As only clean and sound grain can be malted, inferior or defective grain never enters Duffy's, but only the most selected grains including barley, are used. This careful selection gives Duffy's a medicinal value far superior to the average whiskey used for beverage purposes.

Duffy's Pure Malt Whiskey

then is a refined distillate, properly aged to acquire smoothness and flavor, without noxious substances to disturb or irritate the stomach or nervous forces. These are reasons why Duffy's Pure Malt Whiskey does not even taste like other whiskeys; why Duffy's is recognized generally as the one medicinal whiskey; and why, when you need a real tonic and stimulant, you should remember to "Get Duffy's and Keep Well."

For the aged, for those who are "run down," for persons suffering from stomach disorders, nervousness or similar ailments who need a real builder-up of the whole system, Duffy's Pure Malt Whiskey has brought quick and positive results. It's "a medicine for all mankind."

Sold in SEALED BOTTLES ONLY. Beware of imitations.
