Scores Fourteen Goals From the Field in Spectacular Contest

The greatest basketball crowd of the season saw the Harrisburg Independents defeat the Camden team, contestants for the leadership of the Eastern League, Saturday night in the Chestnut street auditorium by the score of 54

Harry Rote, the diminutive forward of the local team, played a spectacular game, scoring fourteen goals from the field. His shooting was responsible for the Harrisburg victory. His opening try was successful after the Camden try was successful after the Camden forward missed and after that Harrisburg was in the lead throughout. The local team played well together, McCord being the handy man to shoot the ball to Rote when the latter was in position to make a goal. At the call for half time Harrisburg was leading by the score of 24 to 16.

In the last half of the game the locals increased their lead over the visitors and had a margin of twelve points at the close of the contest. Foul goals did not figure in the scoring to any great extent. McCord made two of four tries and Adams scored four of nine attempts.
