

"The Thinkers of the Country Are the Tobacco Chewers" said one of the greatest thinkers this country ever produced.

Says the Engineer: "Did you ever think what it means to run a train—signals jumping by every minute and several hundred lives depending on you not missing one of them?"

"Well, maybe you can guess what a help it is to an engineer to find a tobacco that sharpens you up and steadies you just right without any 'rebound'."

PICNIC TWIST is made of the mild, mellow part of the leaf. You get real satisfaction out of this mild, naturally sweet, long lasting chew, without a dark, heavy tobacco's "come back."

How To Make the Quickest, Simplest Cough Remedy

Much Better than the Ready-Made Kind and You Save \$2. Fully Guaranteed

This home-made cough syrup is now used in more homes than any other cough remedy. Its promptness, ease and certainty in conquering distressing coughs, chest and throat colds, is really remarkable. You can actually feel it take hold. A day's use will usually overcome the ordinary cough—relieves even whooping cough quickly. Splendid, too, for bronchitis, spasmodic cough, bronchial asthma and winter coughs.

Get from any druggist 2 1/2 ounces of Pinex (50 cents worth), pour it in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you at a cost of only 54 cents—a full pint of better cough syrup than you could buy for \$2.50. Takes but a few minutes to prepare. Full directions with Pinex. Tastes good and never spoils.

You will be pleasantly surprised how quickly it loosens dry, hoarse or tight coughs, and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, rich in gualic acid, which is so healing to the membranes.

To avoid disappointment, be sure and ask your druggist for "2 1/2 ounces Pinex," and don't accept anything else.

A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

IN FIVE MINUTES NO SICK STOMACH, INDIGESTION, GAS

"Pape's Diapepsin" Is the Quickest and Surest Stomach Relief

If what you just ate is pouring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery. Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.—Adv.

GERMAN TROOPS ENGAGED IN FORTIFYING LARGUE VALLEY

Milan, Via Paris, March 18, 5.10 A. M.—Prudence will mark the efforts of the admirals of the allied fleet to force a passage of the Dardanelles, according to a special correspondent of the "Corriere Della Sera," who gives the captain of the French hospital ship Canada as authority for the statement. At least another month, he says, will be spent in efforts to silence the Turkish fortifications, especially those guarding the narrows at Chanak Kalesi.

The operations against Smyrna, the correspondent declares, had a double object. The first is said to have been to prevent the transfer of the Thirtieth Turkish army corps, which was preparing to leave for the Dardanelles, and the second to cut the communication of the army which was sent against Egypt.
