

Statements That Bring the Money Quick

A machine-made statement is a good collector; it brings the money in quick because it goes out quick—on the first, or the afternoon of the 31st. Then, it isn't held up to have the total verified. "Made on a Burroughs" is a passport that gets immediate approval of the Custodian of the check book, because he knows that statement is accurate.

But quicker collections is only one advantage. In making out statements on a Burroughs Statement Machine, you verify all ledger balances and can take a trial balance at the same time. It takes the worry out of statement time, the mistakes out of the ledger, and trouble out of the trial balance.

And all this work can be done in half the time it takes to get out statements alone in the old way.

When your statements are on the way, the machine is ready to figure for you for the balance of the month, as it is a modern all around figuring machine plus a statement machine.

To find out how the Burroughs will help you handle your statements will cost you at the most the price of a two cent stamp.

Burroughs Adding Machine Company

EXPECTED RUN ON BANK AT MYERSTOWN DIDN'T OCCUR

Not an Account Withdrawn From Institution Whose Treasurer Is in Jail—Hassler Says Shortage Was Merely Made by Errors in Books

Myerstown, Pa., March 30.—When the Myerstown Trust Company's bank was opened for business at the usual hour yesterday morning everything was in readiness for a run.

Extraordinary precautions had been taken by the directors. The regular cash on hand was augmented by the receipt of \$33,000 in cash from the First National Bank of Lebanon. Not a penny of the money was required as not one account was withdrawn as the result of the announcement that Amos Hassler, treasurer of the institution, was a confessed defaulter to the amount of \$3,300 and was in the Lebanon jail.

It was not until yesterday morning on the arrival of the Philadelphia newspapers that the townspeople learned of Hassler's defection and it caused a sensation.

Depositors and shareholders alike gave every evidence of support by assuring the bank management there would be no necessity to call on a Philadelphia bank for an additional \$30,000, which had been arranged for in the case of an emergency.

Hassler, yesterday, steadfastly adhered to his original statement that he had not taken a penny of the missing \$3,372.81 of the bank's funds.

He insists that shortage was first disclosed in the accounts several years ago, and that being for but comparatively small amounts he sought to avoid a disclosure by making false entries in the accounts. Hassler says these shortages continued from time to time, growing less frequent, however, during the last year, but he refrained from making the truth known to the directors.

He did not charge any one with the theft, and his failure to speak in this respect causes little credence to be given to his story. Careful and thorough investigation into the manner of Hassler's living since coming here five years ago failed to disclose any extravagance or speculation on his part. His habits were exemplary and, as showing his standing in the community, he lacked but one vote last January of being elected superintendent of a local Sunday school.

In a signed statement issued yesterday afternoon the bank directors gave assurance that the shortage was not in excess of \$3,372.81, as shown by an inspection of the books by State Bank Examiner Charles E. Gebhard, of Lebanon, whose findings coincided with the figures in Hassler's private memoranda.

It was also officially announced yesterday that the trust company was not the depository of any county funds.

Strong efforts are to be made to have Hassler tell of the whole transaction on the plea that his failure to tell all may direct unjust suspicion toward others, present and former employes of the institution.

Get Rid of Lingering Colds, Coughs and La Grippe

Spring finds many afflicted with lingering, hacking coughs that weaken the system. Slush and wet cause more colds than zero weather. Croup, bronchitis and pneumonia are prevalent. Every family should have a safe and reliable cough medicine ready for use. Foley's Honey and Tar Compound contains no harmful ingredients. It eases a cough, checks a cold and relieves inflamed and congested membranes. It clears the air passages and soothes inflammation. Geo. A. Gorgas, 16 North Third street. Adv.

RULE HITS 30,000 CHURCHES

Methodist Property for Church, Not Conference, Court Decides
Chicago, March 30.—A ruling that the actual physical property of a Methodist church is under the control of the church and not under the jurisdiction of the Methodist church conference was upheld by the Appellate Court yesterday.

The ruling was in the case of the Rock River conference against the Trinity Methodist Episcopal Church. The conference presented the claim that it had complete jurisdiction over all Methodist church property on the ground that it was a connectional organization. The Appellate Court upheld the Superior Court, which maintained the distinction between a Methodist church and a Methodist church building.

The decision affects more than 30,000 Methodist churches in the United States, the aggregate value of whose real estate holdings is more than \$30,000,000, according to Emil Wetten, of counsel for the church.

Raise \$120,000 for Y. M. C. A.

Allentown, Pa., March 30.—In a whirlwind finish the local Young Men's Christian Association closed a successful eight days' campaign to raise \$120,000, last evening, to rebuild its quarters, which were recently partly destroyed by fire, or to put up an entirely new structure in some other part of the city. This question will be decided within the next ten days.

Close Schools Because of Disease
Mifflintown, Pa., March 30.—Public schools here were closed on account of a case of diphtheria. Schools of Mifflin were closed and fumigated last week after four cases were discovered. One child, daughter of George Wetzler, 5 years old, died Sunday evening of the disease. The Mifflintown schools are being fumigated.

Stroke Fatal to Retired Merchant
Bamfordville, March 30.—John Wile, a retired merchant, died yesterday from a stroke, aged 73 years. He was a member and trustee of the Lutheran church and leaves a widow and one son and a brother.

Down a Bank as Auto Skids
Locust Gap, Pa., March 30.—Frederick Neumister fractured several ribs, while Barney Coplinger was injured internally and Joseph and John Reichwein badly cut and bruised, and the four hurtled down a high embankment near Locust Summit as they were flung from a skidding automobile.

Banker and Writer Dies
Mt. Carmel, Pa., March 30.—Alfred L. Bastress, prominent local bank official, died yesterday. Two of his ancestors fought in the revolutionary war and another in 1812. He was a veteran of the Civil war, serving in the Pennsylvania reserves. He wrote articles for church publications.

BABIES CAN'T GO BY MAIL

Alleged Experiment in Florida Bound to Fail Says Postal Chief

Washington, D. C., March 30.—"If 6-year-old Edna Neff has been sent from Pensacola, Fla., to Christiansburg, Va., by parcel post, she will never reach her destination in that way," said John C. Koons, in charge of the parcel post service of the Postoffice Department.

"If Miss Neff was started on her journey with parcel post stamps attached to her, the postmaster at Pensacola has violated the rules and regulations of the postal service, and the parcel post law in particular, by attempting to send a human being through the mails. This is contrary to the law, and against instructions issued only a few months ago when an effort was made to send a boy by parcel post from one star route to another in a West Virginia town. Miss Neff's journey will be interrupted, I am sure, at the first large city she touches, and unless she has other means of transportation than parcel post stamps, her trip will be at an end."

PARSON BEATS OFF BANDIT

Methodist Minister Answers Demand for Money With Punch on Jaw

Wilkes-Barre, Pa., March 30.—The Rev. Charles Clark, of the Athens Methodist Episcopal Church, showed ability as a minister "with a punch" while on his way home from church Sunday night. A masked highwayman suddenly crossed his path and ordered him to put up his hands and turn over his money.

Instead of complying with the request the parson shot out a powerful right that landed squarely on the jaw of the highwayman. One blow was enough and before the minister had a chance to complete the job the highwayman beat a retreat. The attempted hold-up was reported to the police, but no arrests have been made.

'Bomb' Proves to Be Cake Order

York, Pa., March 30.—When Joseph Schifani, a fashionable Italian barber, went to his home Saturday night, 407 South George street, there were 100 persons around the door. A package lay at the door and it had been reported that some one had placed a bomb on the doorstep. Investigation disclosed that Mrs. Schifani ordered some cakes which were left on the steps by the baker.

Makes Stubborn Coughs Vanish in a Hurry

Surprisingly Good Cough Syrup Easily and Cheaply Made at Home

If some one in your family has an obstinate cough or a bad throat or chest cold that has been hanging on and refuses to yield to treatment, get from any drug store 2 1/2 ounces of Pinex and make it into a pint of cough syrup, and watch that cough vanish.

Four the 2 1/2 ounces of Pinex (50 cents worth) into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents, and gives you a full pint—a family supply—of a most effective remedy, at a saving of 82. A day's use will usually overcome a hard cough. Easily prepared in 5 minutes—full directions with Pinex. Keeps perfectly and has a pleasant taste. Children like it.

It's really remarkable how promptly and easily it loosens the dry, hoarse or tight cough and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough. A splendid remedy for bronchitis, winter coughs, bronchial asthma and whooping cough.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in guaiac, which is so healing to the membranes.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex," and do not accept anything else. A guarantee of absolute satisfaction goes with this preparation or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

ASKS PARDON FOR SLAYER

Son Thinks Father, Strenuous Defender of a Dam, Amply Punished

Coatesville, Pa., March 30.—On his way to Philadelphia, Leslie Dietz, son of John Dietz, who for five years defended the Cameron dam, in Wisconsin, from the Chippewa Lumber Company, stopped in this town yesterday. He is after signers, and at present has 300,000 names on a petition which he will present to President Wilson to have his father pardoned.

John Dietz was captured in 1910, after holding back Sheriff's and posses, and was convicted of first degree murder. In January last Governor McGovern changed his sentence to that of life. In the battle in defense of the dam, Dietz had two sons killed, his mother received a bullet that caused her to go insane and a sister and a brother were wounded. Young Dietz expects to procure names of prominent men in Philadelphia.

DECIDE ON CAR STRIKE

Wilkes-Barre Trolley Men Reject Proffered Terms

Wilkes-Barre, Pa., March 30.—A strike of employes of the Wilkes-Barre Railway Company, which was thought to have been averted by intercession by representatives of the Federal Bureau of Investigation on New Year's day, has been declared by local officers of the Street Car Men's Union. The strike order was issued yesterday afternoon, following a conference with officials of the railway company.

The men were offered an increase of two cents an hour over the twenty-four cent rate now being received, and were informed that unless the offer was accepted in five days it would be withdrawn and negotiations declared off. It is generally understood that the strike will be declared on Thursday morning.

Efforts at arbitration of the wage scale have been going on for three months. The report of the men's arbitrator Sunday that all efforts had failed brought the strikers to the acute stage. Nearly 400 men will be affected by the strike order. The company operates nearly 100 miles of track in the city and valley.

CONCERT FROM GAS JET

Inventor Says His Scheme Beats Fiddle at Own Game

Pittsburgh, March 30.—Albert J. Payne, auditor of the Westinghouse Electric and Manufacturing Company, has perfected an invention whereby he gets music from an ordinary gas-jet flame.

Flame music, as he terms it, is made by placing a long glass tube over the gas flame, then running the gas to a certain height. When it attains the desired height he strikes a tone on a musical instrument, which causes the flame to vibrate and reproduce the exact tones within the tube.

Tested with a violin, Mr. Payne reproduced the same sweet musical tone as that of the violin, but the volume was much greater.

Payne says that he is now developing an instrument which will show the color of tones to the naked eye, something heretofore unaccomplished, though deemed possible by scientists.

Man Crushed in Elevator Shaft
Northumberland, Pa., March 30.—Caught between the shaft and floor of an elevator he was operating at the Pennsylvania yards here, John P. Lawrence, 42 years old, was crushed to death yesterday. He is the third in his family to die within a short time, his mother and sister having died during the last few months.

Farmer Dies When Thrown From Rig
Phoenixville, Pa., March 30.—Just as John Fox, a farmer of Audubon, seated himself in his wagon, after making a visit to a sister, Mrs. C. H. Logan, at Corner Stores, his horse jerked the vehicle forward. The farmer fell forward unconscious, and before the animal stopped he was thrown to the roadway and died.

COLVER POLICE CHIEF KILLED

Guardian of Law Fatally Stabbed in Breaking Up Brawl

Ebensburg, Pa., March 30.—Police Chief Charles Holtzer, of Colver, died last night at the Colver hospital as a result of a stab wound received when he tried to arrest Joe Sabbitti early yesterday morning. Sabbitti is dying from pistol wounds inflicted by the policeman. Tony Bereda has serious stab wounds inflicted by Sabbitti.

A dozen miners employed by the Ebensburg Coal Company had a drinking party Sunday night at the boarding house kept by Bombin Aurelia. It wound up with a fight. Bereda, intoxicated, insulted Sabbitti, who stabbed Bereda through the neck and right lung. Bombin sought the chief of police.

When Holtzer arrived the party was still on. Sabbitti rose from his chair when the policeman entered the house and stood with his hands behind him. "Show me what you have in your hands," commanded Holtzer, approaching the miner.

The Italian, at a distance of two feet, brought a stiletto forward and with a sweeping motion cut through the officer's abdomen, severing the intestines. Holtzer, before he fell to the floor, drew his revolver and fired several shots at the Italian, one of which penetrated his right lung. When assistance arrived the three men were found unconscious.

Constable Harry Black, of Cambria township, rounded up seven men, members of the drinking crowd, and brought them to jail here. They will be given a hearing by Justice Waters to-day.

N. Y. MAIL CARRIER CO. FAILS

Schedules of Concern Contain Claims of \$73,848 for Street Accidents

New York, March 30.—A voluntary petition in bankruptcy was filed yesterday by the New York Mail Company, contractor for the carrying of United States mails in this city, giving liabilities as \$319,272 and assets \$4,754.

The company lost heavily through claims for accidents, amounting to \$73,848. The number of accidents due to the mail vehicles in recent months has been large.

Wife Shooter Released From Jail

Lebanon, March 30.—Vincent Figueron, the Porto Rican, who shot his wife last year on his return to his home after having worked in Ohio, was released from the Lebanon county jail yesterday after having completed his sentence of six months on a conviction of assault. The Porto Rican's wife formerly lived at Carlisle.

Stop scratching your head

That itching is the dandruff germ sapping the life from the roots of your hair and threatening your scalp with that loathsome skin disease—eczema.

You can permanently cure dandruff and prevent baldness and eczema, which follows in its path, by using

Beshore's for Dandruff

Get a bottle from your barber or hairdresser and use it to-day.

Rev. C. W. Eades, York, Pa., says: "Your Beshore's for Dandruff kills the dandruff germ. I can testify from my own experience. I consulted you."

25c, 50c, and \$1.00
Your barber will charge you only 10c for an application.

BESHORE'S FOR DANDRUFF
409 N. Third St.
PHILADELPHIA, PA.

ESTATE LEFT TO CHURCH

Pottstown, Pa., March 30.—The will of William E. Reiff, who committed suicide at his home here last week and which was made public yesterday, proved a disappointment to relatives who expected to share in his estate, estimated to be worth from \$40,000 to \$50,000.

He appointed the trustees of the First Baptist church, Pottstown, his executors and directs that the income be paid to the Board of Home and Foreign Missions of the Baptist Church. If the local church wants to borrow for debt purposes from his estate, a 4 per cent. interest rate will be charged. Reiff was a widower and had no children.

Former Sheriff Ends Life

Newark, N. J., March 30.—George Virtue, 60 years old, a former Sheriff of Essex county, killed himself yesterday by slashing his throat with a razor in his home here. Financial losses in real estate operations are believed to be responsible for his act.

Prisoner Hangs Himself in Cell

Sharon, Pa., March 30.—Despondent because he was compelled to stay in jail, Gabriel Rose, 35 years old, committed suicide in the Mercer county jail yesterday by hanging himself in his cell with his leather belt. An attendant found his corpse when feeding the prisoners.
