Reading, New York Central and Other Securities Decline-Rock Island Suffers a Loss of Three oints From the Preceding Day's Close

New York, April 1 .- Wall Street-Uncertainty marked the course of to-day's early trading in the stock market. Opening prices showed minor losses in a number of the leading issues, such as Reading, New York Central, Canadian Pacific, Baltimore and Ohio, Lehigh Valley and U. S. Steel. On the other hand Rock Island, Eries, local tractions motors and equipment shares rose from fractions to over a point. American sugar was prominent for its advance of two points. The feverish undertone of the list was seen in the speedy cancella-tion of Rock Island's advance and in

other variable movements.

Trading in the first hour was again on the scale of a million share session on the scale of a million share session but tapered off later. The market's unusual character was reflected in the activity of minor railways like Rock Island and Erie, which led all others. Standard shares, with few exceptions, fell under yesterday's low quotations, and Rock Island declined until it showand Rock Island declined until it show-ed a loss of almost three points from the preceding day's close and seven points from its high of that session. lodge, who is here as secretary of a Senate committee, gained access to the Elk home.

While some of them diverted the attention of those in the home, Alexander and Reinecke, with the aid of two husky assistants, picked up on the street, removed the elk from its fastenings, carried it through the big door and put it into a waiting automobile.

As the elk was being taken out of the building one of the attendants, who saw the end of the transaction, let out a yell that aroused the neighbors, and made a rush to prevent the abductors from carrying out their nefarious purpose.

Speeding on Way to Oil City

He was too late. Before he had the Harrisburg Elks aroused to what was going on, the automobile, containing the elk was on its swift way to Steelton. There it was hidden and about daylight was shipped to Oil City, the home of Mr. Parks. It will arrive there in time to be a feature of his installation as exalted ruler at the lodge meeting to-morrow night.

The Harrisburg Elks mourn their loss, and are wondering why they went to all the trouble to steal the stuffed animal in Reading if they were to so soon lose it.
