LOCAL OPTIONISTS ARE GAINING, SAYS GOVERNOR

Dr. Brumbaugh Declares Inroads Are Being Made on the Opposition Both in Senate and House—Special Trains to Bring Crowds Tuesday

Among those who are taking an active part in Governor Brumbaugh's campaign for local option is J. Denny O'Neill, Commissioner of Allegheny county, who is given to making temperance speeches on the slightest provocation. With T. Larry Eyre, of Chester, the two will make a team that knows the political and legislative game clear through.

Governor Brumbaugh last night gave this review of the local option situation: "We are winning all the time. We are gaining ground every minute. Within the last week a great change has come about in the situation right here in Harrisburg. Inroads have been made both in the House and Senate.

"This change is due to the fact that legislators are getting the right point of view. They are realizing that it is not a thing to be settled on the basis of either wet or dry. They are appreciating the fact that it is a fundamental right that the people should settle their own affairs. It is the right of the people to rule.

"They are realizing that there are two distinct questions involved in local option. One, as I have stated, is the right of the people in local communities to pass upon the liquor question. The other is that it should no longer be a burden upon the shoulders of the judiciary. It is a crime to lay it at the door of the Judges. It has been incumbent on the judiciary.

"The great controlling principle that governs the question are beginning to operate. We are beginning to see that as a fundamental right the issue should be lifted out of partisan politics. It never should have been in partisan politics. It is a shame that it has not been taken out of politics long ago. These are hard-headed facts.

In Philadelphia special arrangements are being made to send a large delegation of local option friends to Harrisburg next Tuesday. Many of the large industrial establishments will shut down for the day to enable their employees to come to Harrisburg, and some of the establishments will pay the expense of the men. Special trains will leave Philadelphia on Tuesday morning at 8.30 o'clock on the Pennsylvania and Reading roads, returning at midnight, after the night meeting in the Chestnut street hall.

Pittsburgh and other cities also will send large delegations. E. Z. Wallower, of this city, who is a member of the Brumbaugh state-wide committee to further the passage of the local option bill, is busily engaged in arranging for the mass meetings at Chestnut street hall, assisted by the following: George I. Reed, E. Z. Gross, Frank T. Smith, A. Carson Stamm, the Rev. Dr. Lewis S. Mudge, Dr. C. M. Arnold, the Rev. Dr. John D. Fox, E. F. Weaver, F. R. Ayster, W. G. Stary, S. P. Eby, O. K. Kines, Ray Shoemaker, Mervin Steringer, Louis J. Houseal, Robert P. Webster and O. P. Beckley.

Plans for Local Option Meetings The following was issued to-day by the local option committee of Pennsylvania from its headquarters in the

NO STOMACH PAIN, GAS, INDIGESTION IN FIVE MINUTES

"Pape's Diapepsin" Is the Only Real Stomach Regulator Known

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with vile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back. It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach regulator in the world.—Adv.

Brumbaugh to Make Speech The commanding figure of next Tuesday's meeting and the man around whom the whole interest of the State will revolve, will be the Governor. He has stood unwaveringly for local option ever since he became a candidate for the great office he now holds. It is upon his invitation that the great crowd will come here next Tuesday to help him redeem a sacred campaign pledge, and it is Governor Brumbaugh who will be the strongest speaker at the night meeting in the vast Chestnut street auditorium.

The plans for the day as now arranged, call for a mass meeting in the Chestnut street auditorium at 10.30 a. m., a hearing in the hall of the House of Representatives before the House Law and Order committee, which has the bill in charge and the great mass meeting to be addressed by the Governor and others, in the evening. Every section of the State will be represented in the list of speakers, as well as in the throng which will respond to the Governor's invitation.

Plans are being made in every county in the State for great numbers of the constituents of the members to call upon them personally and demand that they vote for the Governor's local option bill.

Makes 61 Feel Like 16

"I suffered with kidney ailment for two years," writes Mrs. M. A. Bridges, Robinson, Mass., "and commenced taking Foley Kidney Pills about ten months ago. I am now able to do all my work without fatigue. I am now 61 years of age and feel like a 16-year-old girl." HARRISBURG PEOPLE PRAISE SIMPLE MIXTURE

Many in Harrisburg praise the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka. This remedy is the most THOROUGH bowel cleanser ever sold, being even used successfully in appendicitis. ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler-i-ka cannot grip and the INSTANT action is surprising. G. A. Gorgas, druggist, 16 North Third street and Pennsylvania Railroad Station.—Adv.

To End Catarrhal Deafness and Head Noises

Persons suffering from catarrhal deafness and head noises will be glad to know that this distressing affliction can be successfully treated at home by an internal remedy that in many instances has brought complete relief after all else has failed. Sufferers who could scarcely hear a watch tick tell how they have had their hearing restored to such an extent that the tick of a watch was plainly audible seven or eight inches away from either ear.

Therefore, if you know someone who is troubled with head noises or catarrh, or catarrhal deafness, cut out this formula and hand to them, and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be prepared at home, and is made as follows:

Secure from your druggist 1 oz. Paine's (Double Strength), about 75c worth. Take this home, and add to it ¼ pint of hot water and 4 oz. of granulated sugar; stir until dissolved. Take one tablespoonful four times a day.

The first dose should begin to relieve the distressing head noises, headache, dullness, cloudy thinking, etc., while the hearing rapidly returns as the system is invigorated by the tonic action of the treatment. Loss of smell and mucus dropping in the back of the throat, are other symptoms that show the presence of catarrhal poison, and which are often entirely overcome by this efficacious treatment. Nearly ninety per cent. of all ear troubles are said to be directly caused by catarrh, therefore, there must be many people whose hearing can be restored by this simple home treatment.

Every person who is troubled with head noises, catarrhal deafness or catarrh in any form, should give this prescription a trial. There is nothing better.—Adv.

Fire Destroys Farm Property

Marietta, April 1.—Fire yesterday destroyed the summer kitchen and annex, adjacent to the home on the George Rhoads farm, tenanted by Oscar Martin, together with a brooder and over one hundred chicks. How the fire started is a mystery. By the promptness of the neighbors the flames were kept from spreading to the barn and other buildings.

HOW 700 CENTS EARNED \$175

Demonstration of Parable of Talents By Indiana Sunday School Frankfort, Ind., April 1.—How 700 Lincoln pennies grew into \$175 in a year was related at the Methodist Sunday school here. The school wishes a new chapel and the superintendent decided to test the practicability of the parable of the talents. He distributed 700 pennies among the 700 pupils, who were told to increase the amount as much as possible during the year.

As the classes and pupils were called on to make their report, the Y. W. B. C. class, composed of sixty-seven young women, reported having made \$31.37 from sixty-seven pennies. The Oxford class was next, turning in \$26.69. The home department class was a close third, with \$25.

Reports from some of the little children were interesting. Georgia Dorner bought an egg with her penny, hatched a chicken, raised the chicken and sold it for \$1. Russell Eubank bought a penny's worth of white corn; his mother made it into hominy, which he sold, realizing 40 cents. Esther Stewart bought pop-corn with her penny and realized \$1 from the sale of the popped corn.

The plan worked so well that it will be tried another year.

Enforcing Marietta's Curfew Law Marietta, April 1.—The curfew law went into effect last night and the silk mill whistle sounded the alarm. All children 16 years and under are affected. Borough Council, assisted by several hundred citizens, pushed the movement to its enforcement.

ANTWERP UNDER DOMINATION OF ITS GERMAN CAPTORS

This picture shows some of the German garrison in Antwerp attending a service at the Cathedral. It will be noticed that the soldiers carefully carry their rifles into the building with them in order, apparently, to be prepared for any eventuality. It is also learned that the forts of Antwerp destroyed by the Germans in their attack on the city have been reconstructed against the time when the Germans in their turn might have to defend the city against assault.
