TWO CLERGYMEN DIE

Well-known Methodist Ministers Pass Away on Same Day

Camden, N. J., April 2.—The deaths of two well-known Methodist Episcopal clergymen of this vicinity occurred yesterday within a short interval. The clergymen were the Rev. Dr. Sanford M. Nichols, who for six years was superintendent of the Camden district, and the Rev. V. D. Conover, pastor of the Penns Grove church. Dr. Nichols was 58 years old and had recently undergone an operation in the Methodist hospital in Philadelphia, where his death occurred. Dr. Conover, who was 45, died at his home in Penns Grove. Dr. Nichols is survived by his wife and two children. Dr. Conover leaves his wife and one child. Dr. Nichols, who made his home in Camden, entered the M. E. Conference in 1883. Dr. Conover had served in Penns Grove for about a year.

REGRETS SMALL ESTATE

Lawyer's Will Says He Hoped to Leave Larger Sums to Family

Norristown, Pa., April 2.—Colonel John M. Vanderslice, Philadelphia lawyer, of Collogeville, declares in his will, probated here yesterday: "I have endeavored to provide comforts for my family during my lifetime and to assure them like comforts after my death, but I have met with many disappointments and reverses and my efforts have not resulted to the advantage of my family as I had hoped. I desire that my medal of honor be held by my son, Clarence, during his life and then handed down to my grandson, John L. Vanderslice, or to my then oldest living grandson, and so retained in the family. The medal was awarded to him by Congress for distinguished gallantry at the battle of Hatcher's Run, in February, 1864, when he was 18 years old. The estate is given to his widow, son, Clarence, a Philadelphia lawyer, and daughter, Mabel.

MAN AND \$6,000 MISSING

Bank Decides Messenger Ran Away With Cash

Tarrytown, N. Y., April 2.—Robert G. Abercrombie, president of the Irvington National Bank, said last night that evidence unearthed yesterday showed clearly that Edwin Wood, the trusted messenger of the bank who disappeared Wednesday with \$6,000 in cash which he had obtained from the Yonkers Trust Company, had not met with foul play but had made a getaway. The proprietor of the Pabst Hotel telephoned him yesterday afternoon that a porter had found in the washroom an empty bag which tallied exactly with the bag Wood had when he left the bank. Abercrombie also stated Wood had changed the denomination of the money he was sent for. He was ordered to get a lot of silver, but, instead, asked for large bills, which would not be bulky.

There is no further clue. It is presumed that Wood boarded a trolley car at Yonkers, rode to the Pabst Hotel in upper Manhattan, where he got rid of the bag, and then boarded the subway. Parkerton men and the New York police are searching for him.

TO CLOSE SALOONS JULY 4!

Philadelphia Slow to Realize That Day Falls on Sunday

Philadelphia, April 2.—Thousands of saloonkeepers were profoundly shocked yesterday when D. Clarence Gibboney, president of the Law and Order Society, solemnly announced that he would close all the saloons this year on Memorial Day and July 4. Mr. Gibboney was quoted as saying: "Any saloonkeeper who opens for business then will be immediately arrested and I shall see that his license is revoked."

The saloonkeepers appeared to accept the order with marked resignation. "Tough luck," they observed. "If the authorities would only let us keep open on holidays as has been the custom we would do a rushing business." It was late in the day before they awoke to the fact that both days fall on Sunday this year.

BLUE RIVER KILLS FISH

Poisonous Matter Reappears in West Branch at Williamsport

Williamsport, Pa., April 2.—Dead bass and salmon appeared in the West Branch of the Susquehanna here yesterday and the water turned an indigo blue, indicating poison in the stream again.

This is the first occurrence of this kind since the State Fish Commission started an investigation of poisonous matters in the river, which threatened to destroy all fish life a year ago. The matter has been reported to the Commissioners.

CLAIMS AGAINST WABASH

State and Individuals May Now Seek Redress for Overcharges

St. Louis, April 2.—The State and individuals were authorized to file claims of overcharges against the Wabash Railroad, according to an order

filed in the Federal District Court here yesterday by Circuit Judge Adams.

The overcharges in question relate to excess collections, while the passenger and freight rate laws were in litigation.

Similar claims have been filed against other roads, but they could not be filed against the Wabash without the consent of the court, as that line is in the hands of receivers.

\$500 TO MOVE A COOP

Too Big for Cellarway, and Hole in Wall Collapses

Sunbury, Pa., April 2.—John H. Ketter built a fancy chicken coop in the cellar of his home during his spare hours in the winter. When he went to get it out he found the cellarway too narrow and decided to move part of the foundation. The wall collapsed, doing \$500 damage.

AN ALTERNATE REFEREE IS NAMED FOR BIG FIGHT

M. J. Hinkel Chosen to Officiate Should Jack Welsh Be Unable—Willard Planning Triumphant Enter Into States

Havana, April 2.—M. J. Hinkel, of Cleveland, was yesterday named alternate referee for the Johnson-Willard fight next Monday. He will referee in case Jack Welsh is for any reason unable to reach Havana in time. If Welsh does get here it will be Hinkel's duty to sit at the ringside ready to step in and relieve Welsh in case the latter should be knocked out by a stray punch, or suffer from sun sickness. This decision was reached at a meeting of the principals and promoters held late yesterday. At the same time Bob Vernon, of New York, was appointed official timekeeper of the club with Ben Harris, also of New York, as alternate. Sam Leonard, of Toronto, is

timekeeper for Johnson. Otto Flota, of Denver, was named by Willard.

Willard and his followers are so confident of the victory of the challenger that they have planned a triumphant entry into the United States of the "new champion" a few days after the battle. They expect to make a tour of the principal cities of Cuba on April 6 and 7, if Willard's condition permits, and then go to New York by way of Key West, stopping at various places en route. Willard expects to be the principal figure at a great reception in Madison Square Garden. Later, he says, he will make a trip around the world. His plan is much like the one made by Jeffries previous to his defeat in Reno. He has no particular plans if he should lose.

Willard says that fighting is a business proposition with him, and that he bears no enmity toward his opponent. He says he will enter the ring calm and determined to win, because he needs the money and knows he can win it in the prize ring.

Johnson, too, says he has no hard feeling for his opponents and would like to be on friendly terms with all of them before and after his fights. He boxes because there is money in it and not for the love of fighting. As the

champion expressed it, a man looking for a fight can get it on the street, "and a licking, too."

PLAN INDOOR MEET

Governor Brumbaugh, Dr. Jackson and Superintendent McCabe Are Officials

Plans for the indoor meet of the Pennsylvania Railroad Y. M. C. A. were made at a meeting of officials yesterday afternoon. Governor Martin G. Brumbaugh, Dr. John Price Jackson, Commissioner of Labor and Industry, and William B. McCabe, superintendent of the Philadelphia division of the Pennsylvania railroad, will be honorary referees.

The meet will start early in the afternoon in the local association, the events there to include billiards, swimming, volley ball and indoor baseball. The day's sports will close in the evening in the Chestnut street auditorium with a basketball game.

107 Years Old, Never Tasted Liquor

Columbus, O., April 2.—With a total vote of 1,208, Kent yesterday voted "dry" by 100. George W. Austin, aged 107, who never has tasted liquor, voted "dry."

SAYS 1915 BASEBALL WILL BE BETTER THAN EVER

HARRY N. HEMPSTEAD

In these turbulent days in the baseball world, whence the dove of peace has flown and the war eagles screen their triumph, there is one owner who views the future with untroubled eyes and says with a serene smile, "I am an optimist. You can't kill The Game." So declares Harry N. Hempstead, the president of the New York National Baseball Club, the title of the corporation which pays the bills of the far famed Giants. He regrets the quarrels and acrimonious words of last year, but feels the American "fans" will be faithful to their love for diamond battles and says that the 1915 season will find baseball better than ever.
