**Hundreds of New Trimmed Hats From \$1.95 to \$12.00**

Here's practically a brand new stock of trimmed and untrimmed hats for this great outfitting occasion—the Saturday before Easter. Thousands of dollars' worth of new millinery has come in this week to enable us to be amply prepared for the demands of the little girls as well as their older sisters and aunts and mothers. And these new stocks are an important factor, for many new ideas have developed since the formal Spring openings, and our Easter assemblage embraces all that's new and correct. For instance—

- The larger shapes
- The vogue of wings
- The new white hats
- The popularity of leghorn
- The new ostrich fancies
- The new flowers
- The new blues and browns

**Trimmed Hats at \$4.95**

Several hundred models of distinctive style and superb workmanship.

**Trimmed Hats at \$5.95 and \$6.50**  
 A wealth of smart, chic modes to select—every one a dresy model of refined style and designing.

**Trimmed Hats Up to \$12.00**

Magnificent qualities of hemp, leghorn and black lisse straw gorgeously trimmed with ostrich fancies, plumes, velvet ribbon and imported flowers or smart tailored effects in the fashionable sailor and shepherdess effects with novelty stickups and simple but effective treatments that only the skilled artists' hands can produce.

Come and see a display of new Easter Millinery that surpasses any showing of the kind seen in this city before!
