ACTIVE TRADING AT HIGHER PRICES FEATURES MARKET

to Four Points, Bethlehem Steel Selling at a New High Record of

New York, April 5 .- Wall Street-

Vrey active trading at higher prices marked the resumption of operations on the Stock Exchange to-day. Some of the specialties rose from 2 to 4 points, Bethlehem Steel selling at a new high point of 92. American Locomotive rose over five points and the motor shares were again prominent at substantial advances. Cuban-American sugar jumped seven points and reacted five. Among the important railway issues Union Pacific and Reading alone gained a full point. Rock Island was active and strong, likewise the entire Eric group. Profit-taking reduced many of the gains before the end of the half hour.

Early realizing sales were induced largely by the peculiar course of unimportant specialties, which again suggested manipulation in that group. Trading in the first hour exceeded 200, 000 shares, after which came a brief lull, followed by a broader buying movement. This time the inquiry extended to standard railway shares, notably Union Pacific and the grangers. In a number of instances best prices of the year were then established. United States Steel rivalled the other market leaders and at 50 3.5 attained its high water mark since the supension of dividends last January. Bonds were irregular. point of 92. American Locomotive rose water mark since the ssupension of dividends last January. Bonds were in

PROPERTY INQUIRY POSTPONED

Court Investigation as to Deeter and Richwine Holdings to Be April 20

Because of the illness of Charles H. Because of the illness of Charles H.
Bergner, one of the attorneys in the
case, and also because of the recent
death of Charles A. Disbrow, one of
the judgment debtors, the inquiry that
was scheduled to be held by the court
to-day to ascertain, if possible, whether
J. N. Deeter, A. Grant Richwine and
the late Charles A. Disbrow have no
property, as is reported by Sheriff H.
C. Wells, was postponed by Judge Kunkel until April 20.

The inquiry was decided upon fol-

kel until April 20.

The inquiry was decided upon following the Sheriff's return to an execution issued on an \$18,750 judgment held by E. W. Biddle, of Carlisle, against Deeter, Richwine and Disbrow. The Sheriff attempted to make a levy on the defendants' property, but reported he found none.

Miss Ida Kast, a Mechanicaburg lawyer, representing former Judge Biddle, the plaintiff in the judgment, was here this morning prepared to take part in the inquiry.
