**The Inside of the Watch**

It contains about 150 pieces, to manufacture which requires about 2,500 distinct operations. Some screws are so tiny the naked eye can not distinguish them. Think of the care and skill required to assemble a watch and the care that must be taken to repair it—and yet you try, when your watch stops, to remedy the trouble by shaking it.

Don't—that shake is too expensive—will very likely do further serious damage.

When your watch stops, or begins to lose or gain time, bring it to Diener's. It will be carefully examined and you will be told what it needs. Then if you want it repaired, the work will be done promptly, guaranteed for a year, and the charge be the lowest for which it is possible to do perfect watch repairing.

**SAM MANN IN "LOTS AND LOTS OF IT" AT ORPHEUM THIS WEEK**

Any new effort of Sam Mann's commands immediate attention because Mr. Mann has long since demonstrated himself to be a comedian of the first water. In "The New Leader" he contributed greatly to the nation's gaiety and did much to lift the load stone from the shoulders of the tired business man. For several years the German musician, "The District Leader," was associated with Mr. Mann as closely as that of "The Music Master" is with David Warfield. Mr. Mann, however, is constantly on the search for a new vehicle. "The Muttons" stories, which run in the "Saturday Evening Post," seemed to possess just what Mr. Mann requires, therefore he arranged with the Curtis Publishing Co. for the dramatic rights of these stories under the title of "Lots and Lots of It," and is presenting them in dramatic form.

Mr. Mann and his capable company will appear in the new sketch at the Orpheum this week. Adv.

**HAVANA TO GREET FISTIC CHAMPION**

Citizens of Cuban Capital Plan Public Reception for Johnson's Conqueror To-night

**MOVEMENTS OF THE PRINCIPALS**

Willard and His Party to Leave Wednesday For Key West On Their Way North—Johnson and His Wife to Go to West Indies

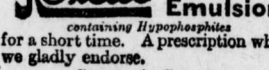

Havana, April 6.—The city of Havana was to-day resuming its customary aspect after the intrusion yesterday upon its normal life of the excitement and enthusiasm incidental to the passage of the world's heavyweight championship from Jack Johnson to Jess Willard. To-night the citizens of Havana are planning to give the new champion a public reception and present him with a gold watch.

The men most interested in the battle took little part in the general celebration last night. Willard spent the early evening sightseeing with friends from Kansas, after which he had dinner and went early to bed. The promoters were at the race track until after midnight counting the gate receipts.

**Preliminary Study of Subject in Willard School Building To-night**  
Owing to the great interest in Professor Douglas Johnson's lecture on Wednesday night, "The Grand Canyon of the Colorado," a preliminary study of this region will be held this evening in the Willard school building, State street. Photographs and maps will be shown. The United States Government publications will be consulted and perhaps a model will be prepared for study. Professor G. N. C. Henschen and others will have charge.

**IF KIDNEYS ACT BAD TAKE SALTS**

Says Backache Is a Sign You Have Been Eating Too Much Meat, Which Forms Uric Acid

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overflows the kidneys in their effort to filter it from the blood and they become sore, inflamed, and lazy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water seals and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.—Adv.

**FARMER IN QUANDARY**

Must Leave Property He Occupies, but Cannot Take Cattle

Media, Pa., April 6.—Edward T. Flounders, of Chester township, is compelled by his landlord, John P. Crozer, to move from the farm he has been leasing for the last 21 years and, the State Livestock Sanitary Board will not let him take his cattle off the place.

Flounders was notified last December that he must vacate the property by April 1. Three weeks ago the hoof and mouth disease broke out on the farm of Mrs. Lewis Crozer, and the district, which includes the farm occupied by Flounders, was placed under strict quarantine. Under the lease he must vacate, and proceedings have been instituted in the courts to force him out, but the Sanitary Board will not let him move his cattle.

**OUR COAST DEFENSE**

In these modern days of heavy armament and scientific war equipment, much thought has been given to our coast defense. The question of preparedness is one that concerns all patriotic Americans for it is always the unexpected attack that causes consternation.

This is also true in matters pertaining to health. That great enemy of health, stomach trouble—may spring an unexpected attack at any time, and it is well to be prepared by always keeping a bottle of Hostetter's Stomach Bitters in the house. It is your bulwark in time of distress.

Be on guard at all times, and as soon as you notice the appetite failing, digestion becoming impaired, the liver inactive and the bowels refuse to perform their daily functions, commence taking the Bitters. Prompt action, together with the aid of this medicine, has been the means of preventing much suffering from Sick Headache, Nausea, Poor Appetite, Indigestion, Constipation and Biliaryness.

Don't trifle with your health, but rather help Nature when weakness manifested. Hostetter's Stomach Bitters is Nature's remedy, and these together form a combination that is sure to result to your welfare. Try it to-day, but be sure you get Hostetter's.—Adv.

be taken up by the Finance Committee and reported upon at the next meeting of Council.

Burgess Withield requested some small-improvement for police headquarters and the installation of a detention cell for women. The Town Property Committee will get an estimate of the cost of these improvements and report to Council.

The Water Board asked for an appropriation for repairs to the filter plant, where a daily leakage of 35,000 gallons of water is taking place. This matter will be taken up by the Water Board.

The Cumber estate will install a fire alarm box at the crushing plant in its stone quarries at its own expense.

The Highway Committee reported that, while progress had been made on the matter of purchasing a street sweeper, sufficient data had not yet been gained to take final action.

**ANNOUNCE CAMPAIGN PLANS**

**Tabernacle at Shippensburg Will Be Moved to Borough**

At a meeting of the Hills evangelistic campaign committee, held in Centenary United Brethren church last evening at 8 o'clock, a motion was passed endorsing the recent action of the Ministerial Association of the borough and vicinity in reference to holding an evangelistic campaign to begin April 26 and continue for six weeks.

Plans were also adopted for carrying on the preliminary work as rapidly as possible. The tabernacle, used at Shippensburg, has been purchased and will be shipped to the borough as soon as a suitable site can be secured. This structure will seat from 2,500 to 3,000 persons, and those who are in charge of the movement believe the building will be large enough to accommodate all who desire to attend the meetings.

**LADIES! DARKEN YOUR GRAY HAIR**

Look Years Younger! Use Grandmother's Recipe of Sage Tea and Sulphur and Nobody Will Know

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

High Class Entertainment on Friday Evening by Members of Trinity Lutheran Church, Harrisburg—The Rev. Dr. Manges to Speak Sunday

A delegation of members from Trinity Lutheran church, Harrisburg, will render a high class entertainment in St. Mark's Lutheran church, Friday evening at 8 o'clock for the benefit of the Adult Bible class of the local church. A feature of the performance will be the appearance of a number of young ladies attired in Japanese costumes. A silver offering will be lifted for the benefit of the Bible class.

The Ladies Aid Society of St. Mark's will meet Thursday evening at 7:30 o'clock at the home of Mrs. Spangler Krout, 172 South Second street.

The Rev. Dr. Lewis C. Manges, of Harrisburg, will deliver the address at the mass meeting for men to be held in St. Mark's Lutheran church Sunday afternoon, April 11, at 3:30 o'clock. His subject will be "The True Christian Motive."

As a result of the Easter offering in St. Mark's Lutheran church arrangements will soon be made for the burning of the mortgage on the church building at Second and Lincoln streets. The Rev. William B. Smith, pastor of the church, has been active during the past year in his efforts to wipe out the debt on the church.

The Rev. William B. Smith, pastor of St. Mark's Lutheran church, was on Sunday night presented with a large picture of "The Last Supper" by the Men's Bible class of his Sunday school. The presentation was made by F. J. Lamke.
