## EITEL WOULD TAKE NO DARING CHANCE

Commander of German Sea Raider Finally Concludes to Intern His Vessel

EXPECTED RELIEF FAILED TO ARRIVE

Captain Takes Step Rather Than Run Into Jaws of Death as the Allied Warships Were Watchfully Waiting Off Virginia Capes

By Associated Press.

Newport News, Va., April 8.—With the interment to-day of the German auxiliary cruiser Prinz Eitel Friedrich and her crew, the commerce destroyer ended her spectacular war career. Decision of Commander Thierichens, of the Prinz Eitel to intern his ship followed the receipt by him of an imperative notice from the United States government early last night that the time limit for his stay in this port would expire at midnight. Had he not asked to intern his ship Captain Thierichens would have been compelled to depart from American waters not later than 4 a. m. to-day.

In requesting permission of the Washington government to intern, Captain Thierichens explained that "failure of expected relief to arrive" made the step necessary rather than "deliver crew and ship to fruitless and certain destruction by British and French warships waiting off the Virginia capes." It was said that he had expected German warships to arrive to aid him in eluding the allies' warships.

## DEMOCRATS FOR PROHIBITION

Bryan Says Party May Make It an Issue in Next Campaign

By Associated Press.

Washington, April 8.—Anti-saloon advocates here were visibly encouraged to-day over a statement by Secretary Bryan expressing the hope that the Democratic party would take the prohibition side in the next campaign in states where saloons are an issue.

The statement was issued in connection with a letter Secretary Bryan had written to L. W. Kennington, national committeeman from Iowa, advocating defeat for candidates who could be controlled by the liquor interests.
