MANY PROMINENT GUESTS AT GOVERNOR'S RECEPTION

More Than Three Hundred Men and Women Attended First Official Function at Executive Mansion. With Governor Brumbaugh As Host

The first large function of the present administration was held last night at the Executive Mansion and took the form of an official reception to the members of the Legislature, State officials and legislative correspondents.

The Executive Mansion never looked more beautiful than last night when decorated with a profusion of fragrant lilies, white hyacinths and other flowers and greenery. Superintendent Samuel B. Rambo directed the decorating which was most artistic and very beautiful.

Receiving with Governor Brumbaugh was acting Secretary Paul Furman, who introduced the guests to the Chief Executive; Lieutenant Governor Frank B. McLain and Mrs. McLain, Secretary of the Commonwealth Cyrus E. Woods and Mrs. Woods, Attorney General and Mrs. Francis Shunk Brown, President Pro Tem of the Senate and Mrs. Charles H. Kline, Speaker of the House and Mrs. Ambler, and Adjutant General Thomas J. Stewart.

Shortly after 10 o'clock the Governor broke up the receiving line and with the other members mingled with the guests, which added greatly to the informality of the occasion.

More than three hundred guests, including the members of the Legislature, State Department officials, the Public Service Commission and members of the press, with their wives and daughters, attended the reception, which lasted from 9 until 11 o'clock. At 11:30 dinner was served to the receiving party in the State dining room. During the evening the Loesser orchestra furnished music.

DAUGHTERS OF 1812 MEET AT HOME OF MRS. LYNCH

There Was an Unusually Large Attendance and Many Out-of-town Members Were Present—Important Business Transacted

A meeting of the Keystone Chapter, United States Daughters of 1812, was held this afternoon with Mrs. Christine W. Lynch, 211 State street, Mrs. Mabel Cronise Jones, regent, presiding.

There was an unusually large attendance and many out-of-town members were present. The national meeting, which will be held in New York City April 27 to 30, was discussed. The local delegates are Mrs. Jones, Mrs. Solomon Hiney of Steelton, and Mrs. James Bari Mersereau, each with the privilege of appointing an alternate if she cannot attend.

The New York City chapters have planned many delightful social features for the delegates, including a large reception at the Waldorf-Astoria on the evening of the opening day; banquet at the same place the next evening; a theatre party on the next night; and an automobile trip on the afternoon of the last day. A new president national will be elected and the local chapter declared its wish to see Mrs. Alice Bradford Wiles, of Chicago, made the next president.

Mrs. James Barr Mersereau, historian, gave a brief resume of the year's work by the chapter, showing what splendid work it has done along philanthropic and educational lines. Letters asking for aid were read from some of the chapter's proteges. The address of the afternoon took the form of a talk on Current Events given by the regent, who discussed the last phases of the European and Mexican wars, new scientific revelations of an unusual nature, and many bits of unique news.

The National 1812 Bulletin is distributed to those present, and a number of minor items of business settled. Included in the musical numbers of the day were two delightful solos by Miss Catherine Heicher, which were thoroughly appreciated by every member.

Chapter dues were payable at the meeting. The treasurer, Mrs. James Edward Dickinson, asked that all who had not paid would send their checks to her at once, in order that the State dues may be paid promptly.

The June meeting will be held with Mrs. Arthur P. Nelson, Mrs. Charles F. Etter and Miss Anne U. Wert being assisting hostesses.

After the close of the business portion of the meeting a delightful social hour was spent with the hostess, who served luncheon.

NO STATE BAN ON CIRCUSES
Sanitary Board Explains It Bars Only Certain Kinds of Animals

Hastening to disavow any intention of depriving the public of its summer amusement of the "circus show," the State Live Stock Sanitary Board announced last night that its pronouncement of March 16, referring to circuses did not include the show proper, but only the animals in the menagerie and in fact only some of the latter.

The original order of the board, when the foot and mouth disease first broke out, used the terms "other ruminants" and "swine" as forbidden to come into the State during the epidemic. It is held by the board that this includes certain circus animals, and to make that matter more clear, it has issued a new circular in which, after declaring quarantined territory, it says:

"The terms 'other ruminants, and swine,' as used in these regulations, shall include the following circus and menagerie animals: deer, peccaries, cattle, sheep, goats, zebu, buffaloes, American bison, camels, Llamas, giraffes and antelopes."

April Is the Diamond Month
The Birthstone for April is the Diamond and for that reason we are making a special showing of Diamond Jewelry now.
The stones vary in size from about 1-64 of a carat to several carats in weight. The quality also varies, for in several thousand diamonds averaging the same weight, it is not likely two stones will be exactly the same weight, color and degree of perfection.
But you are told the exact quality of each stone at Diener's, and the price is as low as you can buy equal quality for. That is why Diener's is such a safe and economical place at which to buy Diamonds.
Diener's "Grow a Diamond" plan makes it easy to acquire a fine Diamond. Ask about it.
