## There's No Secret About This Clear-Away of Trimmied Millinery

Even though styles are fully established, new ideas will be constantly taking shape, and it's our policy to SHOW THEM FIRST in Harrisburg.

But they will not materially affect the present running styles, and hats that were worn on Easter day will be stylish for weeks to come.

Our reasons for this sale right in the heart of the season are (1) to make room for new models; (2) and to dispose of present models before they become common or out of style.

Note the savings:

\$4 to \$6 HATS ... **\$3.25**

\$6.50 to \$10 HATS ... **\$4.75**
