

The Star-Independent (Established in 1876) Published by THE STAR PRINTING COMPANY, Star-Independent Building, 12-20-22 South Third Street, Harrisburg, Pa. Every Evening Except Sunday.

APRIL calendar table with days of the week and dates from Sun. 4 to Sat. 24. Includes moon phases and weather forecasts for Harrisburg and vicinity.

'EASY DIVORCES' REVIVED IN RENO Reno, Nevada, has been a comparatively dull place in the last two years, or since the Barnes amendment to the divorce law made one year's residence in the state imperative for couples seeking legal separation, but now things are beginning to 'pick up' again.

NO SEPARATE PEACE FOR HUNGARY Together with rumors that there are before long to be additional nations participating in the war, come persistent reports that certain of the present belligerents are soon to sue for peace.

TOLD IN LIGHTER VEIN FRIENDLESS 'Have you no friends?' asked the Recorder. 'No, Judge; nothin' but relatives.'—Newburgh Journal.

TOUGH LAMB By ordering spring lamb in a poor restaurant you realize how tough it is to die young.—Cincinnati Times-Standard.

which has made these peoples partners, they could not well act independently of the Austrians even should such a catastrophe as the fall of Budapest be imminent. According to the latest dispatches, it appears that the Russians are having some difficulty making progress in the Carpathians.

INDOOR LIFE MAKES FAT Take Oil of Korain to Keep Weight Down, Or to Reduce Superfluous Fat. People who are confined with doors and who are deprived of fresh, invigorating air and exercise must take precaution to guard against over-stoutness.

Tongue-End Topics Chivalry in Modern Warfare Chivalry still persists in modern warfare, as is proved by the experience of a non-commissioned officer in a Baden regiment, who was wounded in the recent fighting at La Bassee between the Germans and the British.

8,000,000 Pieces of Mail Daily The imperial postoffice in Berlin has met the numerous complaints of slow service of the so-called 'field post' by publishing some statistics showing the enormous amount of work carried on by this branch of the service.

Showing Up Catch-penny Devices The Royal Museum of Industrial Arts, at Stuttgart, Germany, has begun a unique collection and is gathering for exposition purposes all the incongruous, bogus, inartistic and catch-penny devices which unscrupulous dealers, taking advantage of the war, have manufactured and are foisting upon the public.

Making Food of Skins and Bark Dr. Hans Friedenthal, inventor of the new process for converting straw into food, both for human beings and animals, has now, according to 'Vorwaerts,' made the announcement that all non-poisonous substances, including skins, peellings and the bark of trees, may be converted into wholesome eating matter if thoroughly disintegrated and properly treated.

German Praise for a Frenchman In contrast to the action of the French Academy of Science in striking from its rolls, at the outbreak of the war, the names of all German members, Germany's corresponding body, the Imperial German Institute of Berlin, not only has retained its French members, but has paid them high honor when they have fallen in battle.

THE GLOBE OPEN TILL SIX THE GLOBE To-day's the Day—Baseball season opens—everybody happy—everybody young again—Those Suits at '15' Our suits for Spring are younger than ever.

CLASSIC WAR POEMS Selected by J. Howard Wert No. 36. THE AMERICAN PATRIOT'S SONG BY DANIEL M. SMYSER. The compiler turns, with pleasure, from the sickening portraiture of fields of European slaughter, to give, in this number, the exultant song of the happy and prosperous American freeman as penned by a gifted member of the Pennsylvania bar.
