There's No Touch of Sameness in These Dollar Waists

Striped dimity, dotted and figured Swiss and striped voile waists are seldom shown in such excellent grades as you will find here to-morrow for \$1.00. Some are made with a dainty touch of blind embroidery, some are hemstitched on the collar-piece and others are effectively made with a vest of organdie. You'll like every style shown in this new group.

Equally fascinating are the waists that have been coming in this week to sell for \$1.95. There are white voiles and stripe batiste Royal garments in styles that are very fetching.

A particularly pleasing waist is finished with lace and organdie insertion.
