### A Fine Treatment For Catarrh

Easy to Make and Costs Little

If you have catarrh don't be misled or gulled into believing you can obtain a cure for your trouble by breathing a simple medicated air.

Catarrh is a constitutional disease and inhalers, sprays and nose douches merely temporize with the disease and seldom, if ever, bring any lasting benefit. To effect a cure use a remedy that will drive the disease out of your system. Don't employ a remedy that will drive the disease down into your lungs and bronchial tubes. Such methods often lead to consumption, and frequently produce catarrhal deafness and head noises.

If you have catarrh in any form go to your druggist and get one ounce of Parmitin (Double Strength), take this home and add to it 4 pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take a tablespoonful four times a day.

The first dose should begin to relieve the most miserable headache, dullness, sneezing, sore throat, running of the nose, catarrhal discharges, head noises and other loathsome symptoms that always accompany this disgusting disease.

Loss of smell, defective hearing and mucus dropping in the back of the throat are other symptoms that show the presence of catarrh and which may be overcome by the use of this simple treatment. Every person who has catarrh should give this prescription a trial. There is nothing better.—Adv.

### MRS. WM. HENDERSON IS CIVIC CLUB PRESIDENT

Elected at Annual Meeting Held Yesterday at Y. W. C. A.—Other Officers Elected and Report Presented by Retiring President

The annual meeting of the Civic Club was held yesterday afternoon at the Y. W. C. A. and was largely attended. The session was of especial importance, as the annual election of officers was held and interesting reports given by the retiring officers.

Mrs. William Henderson was elected president; Mrs. John W. Reilly, Mrs. Henry McCormick and Miss Alice B. Eaton, vice presidents; recording secretary, Mrs. Harvey F. Smith; corresponding secretary, Miss Mary Jennings. Mrs. Edward F. Dunlap was re-elected treasurer, as were the directors, Miss Letitia Brady and Miss Anne McCormick.

The principal address of the afternoon was made by Miss Alice B. Eaton, librarian of the Harrisburg Public Library, who gave an interesting and graphic account of her work and the inside affairs of the library, of which she is in charge.

The report of the retiring president, Miss Eleanor Shunk, was an interesting one and covered in detail the work and activities of the club since its organization in 1898 and particularly the past year.

In giving her report Miss Shunk spoke of the splendid work done by each department of the club, including the municipal department, the educational department, the outdoor department and the many other various works of the club.

guests of honor and refreshments were served. The Technical High school orchestra furnished music during the evening.

### Lancaster Shrine Club Reception

The women of the Lancaster County Shrine Club will hold a reception in the State Armory, Columbia, to-night. Shrine and their ladies from all parts of the State will attend the reception. More than two hundred will attend from this city, including the Zempo band and Arab patrol.

### Pure Milk for Babies

The Society for Providing Pure Milk for the Needy Babies of Harrisburg, which has worked so effectively for the past five years, will resume active work June 1 and as a preliminary it yesterday announced its annual benefit at which Albert Kelsey, the Philadelphia architect, will give an illustrated lecture on his recent experiences in Mexico.

Mr. Kelsey's best known work is the Pan-American building, in Washington, designed, in co-operation with Professor Paul Cret, of the University of Pennsylvania, who is now serving with the French army.

Mr. Kelsey traveled all through Mexico, studying Spanish architecture, and during a second visit during the past winter, to Yucatan, he visited many Aztec temples and ruins and brought back many beautiful pictures, native costumes and potteries which will be shown here when he lectures.

Prominent women of the city will act as patronesses for the benefit besides the board of governors which includes:

Mrs. Francis J. Hall, Miss Anne McCormick, Mrs. Marlin E. Olmsted, Mrs. William E. Wright, Mrs. Ross A. Hickok, Mrs. Joseph Shearer, Mrs. J. S. Lowengard, Miss Mary E. Reilly and the secretary, Mrs. John E. Fox and treasurer, Mrs. Horace M. Witman.

### SPRING FESTIVAL OF THE CHORAL SOCIETY APRIL 29

Two Hundred and Twenty-five Members Will Sing Handel's "Samson," Which Has Never Been Sung Here Before

Judging from the interest and enthusiasm already manifested by the members of the Harrisburg Choral Society in the sale of tickets, the Spring Music Festival on Thursday, April 29, will be larger than last year, when almost every seat in the house was sold. The society consists of 225 voices and is well balanced. Dr. J. Fred Walle, the conductor, is well pleased with the progress of the society and all the members are enthusiastic over the work to be sung. This work, Handel's oratorio, "Samson," is very tuneful and dramatic and has never been sung in Harrisburg.

Dr. Walle has urged the attendance of every active member at to-night's rehearsal. The rehearsal will begin promptly at 7.45 and the whole work will be thoroughly gone over, special attention being given to attacks and shading. Important announcements will also be made concerning the Spring Festival.

The orchestral concert in the afternoon will undoubtedly be the best ever given in Harrisburg. The program is most attractive and the orchestra thoroughly demonstrated its superiority last year. Among the numbers will be the vocal quartet from "Rigoletto." The afternoon program will be announced later. This concert will begin at 3 o'clock.

Tickets for both concerts can be obtained from any member of the society, at Sigler's music store, 30 North Second street, and at the Central book store, 329 Market street, also at the box office of the Majestic theatre three days before the festival.

### TO ELECTRIFY PIPE WORKS

Company to Install New Machinery to Turn Out War Orders

Installation of electric equipment as a substitute for some of the steam driven machinery is being planned by the Harrisburg Pipe and Pipe Bending works in connection with the extensions to its plant contemplated to accommodate recently booked foreign war orders. Negotiations have been closed with the Harrisburg Light & Power Company for the substitution of electric machinery by January 1, 1916, about 2,500 electric horse power will have been substituted for the steam driven machinery.

### RECEPTION FOR DR. AND MRS. GRAVES

An informal reception was tendered Dr. and Mrs. Frank P. Graves last evening by the school teachers of the city, who have been benefited by the course of lectures which Dr. Graves has delivered here during the winter. The reception was held in the auditorium of Technical High school and was a delightful affair. The early part of the evening was given over to a program of informal talks and addresses by educators well known in city, county and state educational circles. Dr. Frederick E. Downes presided and the speakers included Dr. Nathan C. Sheaffer, State Superintendent of Schools; J. C. Wagner, superintendent of Carlisle schools; Professor J. J. Brehm, city supervisor; L. E. McGinnis, head of the Steelton school; County Superintendent E. S. Shambaugh and Professor A. E. Brown, headmaster of the Harrisburg Academy.

Mrs. Graves was presented with a basket of beautiful flowers by the guests, who expressed the hope that Dr. Graves would not leave the State of Pennsylvania. Following the program the guests adjourned to the social room where everyone was introduced to

### EUCRE AND "500" PARTY

Big Benefit Will Be Held in St. Francis' Church by Knights of St. George

Final plans for the eucra and five hundred party to be held in Winterdale hall to-morrow evening under the direction of Branch 168, Knights of St. George, for the benefit of St. Francis' church, will be made to-night and from all indications the event will be one of the most successful ever conducted for the church benefit. Several hundred tickets have been disposed of and to-morrow tables will be placed to accommodate all persons who attend. Members of the Steelton branch of the Knights of St. George are arranging to attend in a body with their wives and friends.

Playing will begin promptly at 8.15 and will continue until 10.15 and dancing from 10.15 until midnight. A full string orchestra has been engaged to furnish the music. More than one hundred and fifty prizes will be awarded to the winners at cards. The committee on arrangements is composed of H. J. Barry, Thomas P. Culhane, Simon P. Hare, Charles P. Theuer and Frank J. Suter.

### "OLD MAID'S" CONVENTION

Plenty of Fun at Entertainment to Be Given by the Spinners' Matrimonial Club

If you want a good laugh go to Stevens Memorial church Thursday evening, April 22, and be entertained by the Spinners' Matrimonial Club. They will tell you all their troubles and trials in trying to find husbands. Good advice will be given and taken. Professor Pinkerton finally comes to their aid with his wonderful electric transform "ber."

The sketch is called "An Old Maid's Convention" and will be given under the direction of Mrs. Charles W. Montgomery, and is a laugh from start to finish. The proceeds will go to the Queen Esther Society and be used in mission work.

Plenty of good music and comic recitations will be features of the program.

### Message Rates Not Unreasonable

Washington, April 20.—The Western Union Telegraph Company's standard message rates between New York and San Francisco and its cable rates from New York to points in England were pronounced not unreasonable or unjustly discriminatory to-day by the Interstate Commerce Commission. The rate to San Francisco was attacked by W. N. White & Company, produce dealers in New York, because of the lower rates for press dispatches.

### Says Typhus Is on the Wane

Washington, April 20.—Surgeon John F. Amerson, of the Public Health Service, who demonstrated the transmission of typhus by means of vermin and who will give detailed results of his work in a lecture before a medical college here next Friday, prophesied to-day that the epidemic of typhus, so destructive in the European war, will wane from now on. He explained that typhus does not thrive as well in summer and that an added factor will be that the soldiers will not be so closely huddled together in the trenches now that the winter is over.

### What Does Diamond "Quality" Mean?

It refers only to presence or absence of flaws. A flawless stone is perfect quality even though "off" color. The trade term describing quality—"degree of perfection"—should be "degree of imperfection" to be good grammar, but the salesman finds it more impressive to speak of "perfection" rather than "imperfection."

Color, weight and cutting are the other main points in determining Diamond value. To judge these and quality accurately requires much study and long practice in handling many Diamonds.

Many years' experience in grading thousands of Diamonds has made Diener an expert judge of Diamonds. Each Diener Diamond is guaranteed as to quality, color, weight and cutting, and prices represent the greatest possible Diamond value in each instance. We'll be glad to show you Diamonds.

### WEAVER-ESHELMAN WEDDING

Ceremony Performed by the Rev. B. G. Welder at Beamstown

Terre Hill, April 20.—Miss Bertha L. Eselman, daughter of Mr. and Mrs. Absalom Eselman and Norman D. Weaver, were married by the Rev. Benjamin G. Welder at his residence in Beamstown yesterday. They were attended by Miss Emily Weaver and William Frankhouser. The groom is a professional ball player and is connected with the New England League. The bride was for several years a school teacher in the East Earl district. They will leave for Lowell, Mass., in a few days.

### MARRIED BY DR. HERSHEY

Leedam-Nissley Wedding Was Solemnized at Parsonage

Florin, April 20.—A pretty wedding was solemnized yesterday at the parsonage of the Church of God, when Miss Blanche Nissley, a popular young woman of this place, was married to M. Miles Leedam by the Rev. Harvey Hershey. The ring ceremony was performed and the couple was attended by Miss Elizabeth Strickler, of Mount Joy township, and Harry W. Greiner, of near Landisville. A reception followed the ceremony.

### Mrs. Jones Will Address Meeting

Mrs. Mabel Cronise Jones will give an illustrated talk on "Historic Points in Pennsylvania" at the meeting of the Parent-Teachers' Association which will be held in the Forney school, Eighth and Chestnut streets, Thursday evening at 8 o'clock. ### 'ANGEL OF CHINATOWN' COMING

Miss Livingston Will Advocate Suffrage Here on Friday, April 30

Rose Livingston, of New York, and Mrs. Ethel R. Vorce, of Cleveland, Ohio, it was announced to-day, are scheduled for speeches under the auspices of the Woman Suffrage party on Friday, April 30, at the Technical High school.

Miss Livingston calls herself a social worker, but in New York she is better known as the "Angel of Chinatown" because of her work for the last seven years in reclaiming the unfortunate victims of commercialized vice in that part of the metropolis bounded by Pell and Doyers streets.

"The girl who disappears" is not a myth," says Miss Livingston, who declared she has accumulated proofs of that fact during her work in New York's underworld. She has traced many of these unfortunates to the evil resorts of New York and Brooklyn and—sometimes alone and sometimes with the help of the police and city detectives—she has rescued them.

Mrs. Ethel R. Vorce, who is accompanying Miss Livingston on tour of the State, is the corresponding secretary of the Ohio Woman Suffrage Association. She has been a newspaper reporter and then engaged in work of various kinds from singing in a stock opera company to doing settlement work in New York. Mrs. Vorce for three years was president of the Municipal School League, which claims credit for having broken up the old political ring which controlled the schools of Cleveland. She was the first organizer of the Woman Suffrage Party of Cuyahoga county and is now its first vice chairman. For the last two years she has been an officer in the State Suffrage Association.

### Materials For Swords

Perhaps no manufactured article has so variously adapted itself to circumstances as the sword. It has been made of stone, wood, bone, copper, brass, bronze and iron. It has assumed as many shapes and sizes. It has been long and short, wide and narrow, curved and straight, heavy and light, pointed, round and square, sharp on one side, on both sides and on neither side.

### Eye-glass Insurance

At the club I accidentally knocked off a man's eye-glasses, which splintered on falling. The man replied to my apologies, "Never mind, old chap, they're insured."
