# (Beauty Notes) (Beauty Notes) Merely applying an inexpensive paste to a hairy surface, say beauty special-ists, will dissolve the hairs. This paste is made by mixing a little water with some powdered delatone; after about 2 minutes it is rubbed off and the skin washed. This simple method not only removes every trace of hair, but leaves the skin free from blemish. To insure success with this treatment, be eareful to get real delatone.—Adv. Commissioner Lynch Will Explain to Colleagues Why He Favors the \$9,768 Plant For City

Before the City Commissioners again are asked to award the contract for building the municipal asphalt repair plait, at Ninth and Shanois streets, they are to receive a detailed report showing comparisons of the plants which have been offered through com-petitive bidding, so Highway Commis-sioner Lynch announced today. This data will carry questions of cost, plant output, equipment, time of construc-tion and the specifications in general. Lynch has recommended that the contract be awarded to the F. D. Cum-

output, equipment, time of construc-tion and the specifications in general. Lynch has recommended that the contract be awarded to the F. D. Cum-mer & Son Company, of Cleveland, O. Action on the recommendation was postponed last Tuesday for one week. The Cummer bid was \$9,768. The Bar-ber Asphalt Company, of Buffalo, N. Y., submitted two bids, one on a semi-portable plant for \$7,495 and another for a stationary plant for \$11,675. The smaller plant has an upright, twenty-four horsepower boiler. It was following his trip to Scranton, where he inspected one of the Cummer plants that the Highway Commissioner made his recommendation. In fact, they could not possibly have known about it, as it was dene in one of those flashes of inspira-tion that make Cupid a genius. When Mrs. Sheriff, the boy's mother, learned of the wedding for the first time, she said: "If that young scamp comes home I believe I'll give him a good thrashing. He is too young to marry. I never met the girl and, of course, that might make a difference." Young Sheriff is: in the employ of the telephone company. He was recently transferred to the office of the company at Colorado Springs and left Denvery with his bride to take up his work there.
