"Security Lock"

The Only Handbag That Really Locks

Unlike all other bags, after it "catches" a small but strong lever "locks" the catch and makes it impossible to come open accidentally. This patent will be found only on the "Security Lock" bags.

Made of genuine Indian goat (in walrus grain) and pin seal leathers; with German silver frame and two to four fittings. Well lined.

Considering the fine quality, the new shapes (illustrated), fittings, and the "Security Lock," no better bags have ever been offered at \$1.00.

Be sure to ask for the "Security Lock."

"Kantturn" Umbrellas, 95c

Has your umbrella ever turned inside out? If so, you will welcome the arrival of the "Kantturn" Umbrellas. There are a great many new frames on the market that have merit but none as practical as this new frame introduced in Harrisburg at Bowman's. The "Kantturn" is fitted with a double frame in such a manner as to obviate its turning inside out, even in a stiff gale.

The COVERING of these umbrellas is a waterproof material that will give service. The HANDLES are of natural and mission woods in the newest styles.
