The Greatest Suit and Coat Sale We Ever Attempted in the Spring Season

to Begin Saturday Morning, To-morrow, at 9 O'clock

The Store will not open until 9 o'clock—to give you good and quick service—The new law prevents us from having our full force come on before this hour.

This has been the biggest Spring Suit Season all over the country in the history of the cloak business. Hundreds of women and girls have not yet purchased their Suits and Coats. There has been very little occasion for us to reduce Suits and Coats this season—for the reason that our purchases were so well planned that new garments came just about as fast as they were sold—consequently the entire stock is new—but better news to follow—Our 25 years of Suit and Coat buying has taught us when the maker would need business to cut up his balance of cloth and keep his organization together.

These 200 Suits for Sale---No. 1

Are arriving by every express and will be here Saturday morning and on sale at popular prices—\$8.50, \$10.00, \$12.50, \$15.00, \$17.50, \$18.50, \$21.50 to \$30.00. We will not place any early season value upon them; being content to let you do that.

Sale No. 2---More Good Luck

Thursday one of New York's best manufacturers wrote us he had 60 Beautiful Suits and Coats (Samples) to close out at a low price—assorted sizes; not all one size, as samples often are. Telegrams and Long Distance Telephoning Brought Them to Our Store This Morning at 40% Less Than the Maker's First Prices to us. They will be turned over to you at the same discount. At least come and examine the tailoring, style and material of these garments.

HOW FAT FOLKS MAY BECOME SLIM

Be Moderate in Your Diet, Breathe Deeply, and Take a Little Oil of Korein

Fat person, particularly those from 10 to 30 pounds above normal weight, will be interested to learn that they may easily reduce their weight without starvation diet or tiresome exercise.

This can best be done by being moderate in your diet, so that you will not over-tax your assimilative organs, by getting plenty of fresh air, by breathing deeply and by taking a few drops of oil of korein four times a day.

Oil of korein may be obtained from any good druggist in capsule form (five drops to the capsule), take one capsule after each meal and one before retiring at night. They cost little, are absolutely harmless, are pleasant to take and are designed to reduce fatty accumulations in the system—wherever located.

Even a few days' treatment should show a noticeable reduction in weight, the flesh should become firm, the skin smooth and the general health improved; in fact your footsteps should even become lighter, your work seem easier and a lighter and more buoyant feeling take possession of your whole being.

Every person who is ten or fifteen pounds over normal weight should surely give this treatment a trial. You will probably find that it is just what you need.—Adv.
