HAVE DARK HAIR AND LOOK YOUNG

Don't Stay Gray! Nobody Can Tell When You Darken Gray, Faded Hair With Sage Tea and Sulphur

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound" you will get a large bottle of this old-time remedy, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.—Adv.

RUSSIANS CLAIM A GREAT VICTORY IN OCCUPATION OF SMALL CARPATHIAN TOWN

Petrograd, April 29, 11.30 A. M. Via London, 2.35 P. M.—The Russian occupation of Loubnia, a small village to the northwest of Uzok Pass, was a decided achievement in the Carpathian campaign, for the reason that it seriously endangers the important railroad line between the towns of Uzok and Bereza, a line which made possible the extended Austrian operations in this region and at the same time successfully retarded the Russian advance in the direction of the Uzok Pass.

During the week, as the Russian advance developed, the direction of Uzok Pass, the Austrians exerted their entire strength to protect this railroad line, affording as it did an invaluable means of communication between the Austrian forces on the Uzok summit and those operating near Orsova and Fataks.

The seizure of Loubnia gives the Russian artillery an opportunity of commanding a part of this railroad line and virtually disqualifying it from further service.

The furious Austrian efforts to retake this village culminated the night of April 26 and the morning of April 27, when they reached the Russian positions, but they were forced after a hard-to-hand encounter to retire.

The authorities report that in this region, as well as at Lupkow and Stry, the Austrian troops were not assisted by the Germans, who are said to be concentrating at Craeov and in West-orn Galicia. For reinforcements the Austrians had to rely upon their own troops from Bukovina and upon men of the landsturm from the Italian border.

HOW TO GET A NEW ISLAND

Summary of What Must Be Done Before B. J. H. Douglass Can Acquire Land in the Susquehanna

Despite assertions to the contrary, it was said at the Department of Internal Affairs this morning, there had been no protest filed by anybody connected with the Harrisburg municipal government against the granting of a warrant for possession of a small newly-formed island in the Susquehanna river opposite Keeler street to Benjamin J. H. Douglass, 1606 Green street.

Mr. Douglass made his application in December, 1914 for this small island, which contains 8.8 acres. The Internal Affairs Department referred the application to the State Forestry Commission, which always has first claim on "newly-discovered" land, and the Commission notified the Secretary of Internal Affairs that it does not want the island.

The Internal Affairs Department then advised the fact that the claim had been made, and after three weeks' advertising, if no caveat against granting the claim is filed, and no written protest made within thirty days, appraisers will be appointed by the Governor, Attorney General, Secretary of the Commonwealth and Secretary of Internal Affairs.

These appraisers will place a valuation on the island of not less than \$8 an acre, which will be reported to the Board of Property, which has the last say, in case a protest is filed, and, if none is filed, then the claimant will get the property.

City Solicitor Seitz called at the Internal Affairs Department some time ago in relation to the Douglass claim, but filed no written protest, and unless such protest is filed, and it is shown that Douglass has no legal claim of prior discovery, or that somebody had not filed a claim before him, Douglass will get the island, under the law.

COURT HOUSE

WANT CIVIL SUIT QUASHED

John J. Moffit, of this city, recently brought a suit against the Pennsylvania Chautauqua, of Mt. Gretna, to recover \$158.10 representing the cost of articles taken from his automobile while it was in the custody of the Chautauqua and notice of the suit was served on George W. McHenry, of this city, president of the society.

Thieves removed articles from the auto while the machine was in storage in one of the society's buildings, it is alleged. To-day the defendant society, by its attorney, Senator Heidleman, obtained a rule on Moffit requiring him to show cause why the suit should not be dissolved and further why service of notice of suit should not be stricken from the record.

It is alleged that the society is located in Lebanon county and that the Dauphin county court is without jurisdiction. The matter will be placed on the argument list.

Cumner to Sign Contract

F. D. Cumner, of the F. D. Cumner & Son Company, Cleveland, O., the firm that has been awarded the contract for furnishing Harrisburg's new asphalt repair plant by a phone message to-day advised Highway Commissioner William H. Lynch that he will be here next Monday to sign the contract papers and that work will be begun on the plant construction within the next few days thereafter. The plant is to be constructed and in operation within sixty days after the contract is signed.

Withdrawing his petition for discharge from prison on the grounds of his "alleged insolvency" Artie Dimoff this morning paid the \$50 verdict rendered against him in a damage suit brought against him by Simo Rusnov and he was freed.

Court Ousts Company

An order ousting the Pittsburgh Nail & Wire Company from its charter because of its failure to operate under the franchise this morning was made by Judge McCarrell at the instance of the Attorney General's Department. The court also granted a rule on the Deep Well Water Company, of Hazel township, Luzerne county, requiring that it show at a court hearing to be held on May 17 why it also should not surrender its charter. The bond of James Willis Ballard, receiver of the Keyston Guaranty Life Insurance Company, to-day was reduced from \$200,000 to \$50,000.

To Award Contracts Tuesday

The contracts for a street sprinkler and two street sweepers to be purchased by the City Highway Department will be awarded at next Tuesday's meeting of the City Commissioners. The Charles Hvasse Company will get the contract for the sprinkler and the Good Roads Machinery Company through W. F. Shoemaker, of Hummelstown, the contract for the sweepers, so it was said to-day.

Building on Decrease

Building operations in Harrisburg during the month of April fell off considerably as compared with the corresponding period of one year ago. Thus far this morning forty-eight permits were taken out for new buildings and improvements costing \$95,375, while in the same month last year there were sixty permits for improvements costing \$292,175. One permit was taken out to-day. Daniel Weinhold will erect a two-and-one-half-story brick house at 1924 Market street, costing \$4,300.

Three Harrisburg Bankrupts

Notices received in Harrisburg from George C. Scheuer, Federal court clerk, of Scranton, carry the information that Karl T. Opperman and Malcom H. Gettys, of Harrisburg, have been adjudicated bankrupts. The cases have been referred to John T. Olmsted as referee. The Gettys creditors will meet at the referee's office, Third and Market streets, this city, at 2 p. m., May 4, and select a trustee to take charge of the estate.

Similar action will be taken in the Opperman case at a meeting of the creditors in Olmsted's office on May 7, at 2 p. m. Unless objections are filed, William McCalmont Shearer, an adjudicated bankrupt, of this city, will be discharged from all his debts by the Federal court on May 17, at 10 a. m.

LEAGUE SEASON TO OPEN IN HIGHSPIRE SATURDAY

Gus Boyne, Formerly With Cumberland Valley and Southern Leagues, Has Been Elected Captain—Street Parade Prior to Game

Great preparations are being made by the Highspire A. C. for the opening of its Central Pennsylvania League season, Saturday afternoon, at 3 o'clock when it will have for its opponents, its old rivals, the Middletown nine.

Prior to the game there will be a short parade of the players of the two teams and some rooters all headed by the Highspire band which will furnish music throughout the game.

Burgess Klugh will toss out the ball and Manager Walmeyer announced last evening that Gus Boyne, who played first base with the Frederick, Md., team of the Cumberland Valley League last season and a former member of Southern League, has been elected captain of the Highspire aggregation. The pitchers so far signed by Highspire are Wilson, Kramer and Johnson and the first named is likely to do the twirling for the home team in the initial league game.

TO DEDICATE TABERNACLE SATURDAY EVENING AT 7.45

The Rev. Dr. W. N. Yates, of Harrisburg, Will Deliver the Dedication Sermon—Electric Lights Were Installed To-day

The erection of the Hillis tabernacle, at Second street and Booser's run, is progressing rapidly considering the small number of volunteer workers on hand and announcement was made this morning that electric lights would be installed in the structure to-day so that any volunteers who desire to work at night, will be enabled to do so.

The dedication services will be held Saturday night, services to begin at 7.45 o'clock, in charge of the Rev. Dr. W. N. Yates, of Harrisburg, who will preach the dedicatory sermon.

In spite of the wet weather there was a large number of persons present at the first choir rehearsal of the Evangelistic chorus in the First Presbyterian church, Wednesday night.

The Rev. Lawrence Stahl, musical director for the Hillis evangelistic party, will preach in the Methodist church at Cumber's Heights to-night.

PENSIONS FOR CLERGYMEN

"Money Making on Side" May Be Eliminated, Is Assertion

Chicago, April 29.—Pensions for retired ministers would have a tendency to eliminate the commercialization of the pulpit through "money making on the side," according to Dr. W. R. Warren, of Indianapolis, Ind., secretary of the board of ministerial relief of the Disciples of Christ, who addressed the national convention of Conference Chairmen of the Methodist Episcopal Church to-day. Plans are being considered by the convention to raise a \$10,000,000 fund to provide pensions for retired ministers, their widows and orphans.

"Pensions would help to obtain more and better ministers," said Dr. Warren, "by overcoming the natural opposition of parents, by enlisting the sons of ministers who would otherwise have to go into business to care for the parents."

TO INSTALL NEW PASTOR

The Rev. G. N. Lauffer Will Be Inducted Sunday Morning

The council of St. John's Lutheran church is making preparation for the installation of the Rev. G. N. Lauffer as pastor of that congregation, Sunday morning, with services commencing at 10.30 o'clock. The address to the congregation will be delivered by the Rev. Charles R. Trowbridge, of Easton, president of the East Pennsylvania Synod.

The charge to the pastor will be delivered by the Rev. S. W. Herman, pastor of Zion Lutheran church, Harrisburg. Following these addresses the installation ceremonies will be held. The Rev. G. N. Lauffer assumed charge of St. John's, January 1, succeeding the Rev. Dr. M. P. Hoeker, who resigned to take charge of the Emmaus Orphan Home at Middletown. His previous pastorate was at Newville.

BOILERIRON FLYWHEEL

Will Be Used on Electric Motor to Operate Mill Machinery

A flywheel, made of boiler plates riveted together, ten feet in diameter, has arrived at the local plant of the Pennsylvania Steel Company to replace a cast-iron flywheel which flew to pieces some time ago when the large electric motor, to which it was attached, was being tested in the twenty-eight inch mill of the West End extension.

Another feature at the local steel plant yesterday was the giving of the biggest gas engine of its kind ever built its initial test. This engine will be used in the operation of the new blast furnace now nearly completed, and a second engine of the same kind

Every Man Read This

This treatment is said to have acquired wonderful reputation throughout the East, owing to its peculiar propensity to fortify the nerve force and generate health and a consequent personal magnetism, so essential to the happiness of every normal human being. It is claimed to be a blessing to those who are physically impaired, gloomy, despondent, nervous and who have trembling of the limbs, vertigo, general prostration, cold hands and feet, insomnia, fear without cause, timidity, nervousness, general inability to act rationally as others do. Also of vast benefit to writers, professional men, office workers and the victims of society's late hours and over-indulgence in wines, liquors, etc.

By preparing the treatment at home, secretly, no one need know of another's trouble while the ingredients are much used in filling various prescriptions, so that even the purchase of them separately need occasion no timidity.

If the reader decides to try it, let a thorough course of ordinary sarsaparilla compound, and one ounce compound fluid balsamic mixtic, ready to use, for about 50 cents.
