### If Your Watch Could Whistle

If it could give some pronounced warning when it needs cleaning, it would be a money saving arrangement for you. It does give warning in the variation in the time it keeps. But that variation is so slight in the beginning that most men fail to heed it.

The warning comes in 12 to 15 months after cleaning. Letting it go a few months longer usually runs up the cost of cleaning 50

If Diener cleans your watch, he will notify you—blow the whistle
—when it is time to have your watch examined again by an expert watchmaker.

This is only one of the numerous money-saving-to-you advantages of Diener Service. A feature you'll particularly appreciate is Diener's fair and reasonable charges-the lowest for which perfect work can be done.

To-day-let Diener examine your watch.
