GRANT FOUR APPLICATIONS

State Water Supply Commission Give
Permission to Concerns For Im-
provements to Their Plants

The Water Supply Commission of
Pennsylvania has approved the following
applications: Water Company for
permission to make certain changes in
its dam across Back run, in Peters
township, Franklin county.

Commissioners of Berks county, for
permission to construct a bridge over
Saucony creek, 2.0 miles northwest of
Kutztown.

S. M. Kitzmiller for permission to
make repairs to dam on Mountain
creek, near Mount Holly Springs, in
South Middletown township, Cumber-
land county.

Lebanon Valley Consolidated Water
Supply Company, for the purchase of
Jonestown Water Supply Company, the
North Annville Water Supply Com-
pany, the South Annville Water Sup-
ply Company and the North Cornwall
Water Supply Company.

CASSEL PAID FOR AUDIT

Agrees to Commissioners' Terms, De-
spite His Several Announce-
ments to the Contrary

After holding out for half a year and
several times informally declaring that
he will not accept the county Commis-
sioners' terms whereby eight hours was
to constitute a working day, John W.
Cassel, president of the Dauphin county
audit board, yesterday afternoon com-
promised for the work he did on the
1913 audit and in accordance with the
Commissioners' own plans accepted pay
for thirty days and mileage, amounting
to \$95.76.

Cassel did not present a claim for the
money that yet is due him on the 1914
audit, neither did he say when he would
present a bill for that money. Auditors
Fred W. Huston and Francis W.
Riegel have been paid for their work
on the 1913 audit and Huston also has
settled in full for the work on the 1914
audit work. Riegel, however, has ob-
tained only an installment on the last
year's work, but, it is understood, will
make settlement within the next week
or two, possibly to-morrow.

In the Court House it was said this
morning that Cassel's allowance for
work on the 1914 audit is trifling and
will not exceed \$20. When these claims
all are settled the office of Dauphin
county auditor will be no more, since
it was abolished by the act creating the
office of County Controller.

MANY TO GET OIL AND BRUSHES

Publicity Run Contestants to Receive
Souvenirs Along the Route

When the eighty or more cars en-
tered in the big publicity run of the
Harrisburg Motor Club pass through
Clayton, N. J., each person on the run
will be presented with a set of brushes
and one clothes brush as a souvenir of
the Silver Chamberlain Company.

Other donations recently received are
two fifteen gallon drums of lubricating
oil donated to the club by the Platt
Washburn Company, of Philadelphia,
through the Front-Market Motor Sup-
ply Company.

The Atlantic Refining Company, of
Harrisburg, will place one gallon of
polarine oil on every car in the run.

The Texas Oil Company has donated
two fifteen gallon cans of oil to be
contested for the same as trophies.

The city of Wilmington will pre-
sent a handsome medal with the coat-
of-arms of the city to every person in
the run.

GOVERNOR TO WIELD PICK

Announces He Will Do His Share of
Work on "Good Roads Day"

Governor Brumbaugh yesterday in-
formed State Highway Commissioner
Cunningham that he will place himself
at the disposal of the State Highway
Department on the "State-wide Good
Roads Day," Wednesday, May 25.

The Governor explained to Commis-
sioner Cunningham that he wants to
participate with the other citizens of
the Commonwealth in road repair work
on that day and that he knew of no
better way to do so than by putting
his services at the disposal of the State
Highway Department. The Governor
is ready to shoulder a pick if the High-
way Department desires it.

From every county in the State ad-
vice are being received at the High-
way Department that intense enthu-
siasm is being aroused over the
"State-wide Good Roads Day" plan,
and every effort is being made to en-
list all citizens for work on that day.

Died at the Hospital

Gaietano Ambrosio, aged 45 years, of
777 North Third Street, yesterday, died
at the Harrisburg hospital at 11:30
o'clock this morning from pneumonia.
He was admitted to the hospital yester-
day afternoon at 3 o'clock.

Injured in Fall From Bicycle

While turning the corner of Second
and Chestnut streets on his bicycle this
morning, Ralph Deckman, aged 20
years, of New Cumberland, fell and
badly lacerated his face. He was treat-
ed at the Harrisburg hospital.

**CITY COMMISSIONERS
AMEND CROSSING BILL**

Put Restrictions on Railroad Company.
Then Pass Measure on Second
Reading—Will Build Large Sewer
in Market Street

Harrisburg's City Commissioners as
a whole this afternoon decided not to
go on the publicity run that is to be
conducted May 10, 11 and 12 by the
Motpr Club of Harrisburg, and decided
further to not postpone next week's
regular meeting of the Commission,
which will be held on Tuesday.

Commissioners Bowman and Taylor
announced that extra work prevents
them from getting away on Monday;
Mr. Lynch said he will be engaged in
court in a city case; the Mayor deemed
it inadvisable to go on the run because
of the illness of Mrs. Royal, and sick-
ness was assigned by Mr. Gorgas for not
deciding to go.

At to-day's adjourned meeting of the
Commissioners Lynch introduced an or-
dinance providing for building a 12-
inch sewer section in Market street,
from the east side of Market square to
Court street. Market street merchants
requested this improvement, which will
not cost more than \$950.

The ordinance giving the Philadel-
phia & Reading Railroad Company per-
mission to cross Tenth street with its
tracks, so as to provide a railroad sid-
ing for Montgomery & Company, who
propose to build a big warehouse on the
site where their old building was de-
stroyed by fire some weeks ago, was
amended. As revised, the measure pro-
vides that the railroad company shall
not make more than three shifts a day;
a watchman shall be provided when
shifts are made, and the company is
required to keep in repair the paving
between the proposed tracks an eight-
een inches on each side thereof. The
paving may be of brick, wood block or
asphalt. The measure was passed on
second reading and likely will be passed
finally next Tuesday.

The ordinance giving the Philadel-
phia & Reading Railroad Company per-
mission to cross Tenth street with its
tracks, so as to provide a railroad sid-
ing for Montgomery & Company, who
propose to build a big warehouse on the
site where their old building was de-
stroyed by fire some weeks ago, was
amended. As revised, the measure pro-
vides that the railroad company shall
not make more than three shifts a day;
a watchman shall be provided when

required to keep in repair the paving
between the proposed tracks an eight-
een inches on each side thereof. The
paving may be of brick, wood block or
asphalt. The measure was passed on
second reading and likely will be passed
finally next Tuesday.

When her daughter, Mrs. Porter,
arose yesterday morning, she noticed
Mrs. White's condition was worse. A
physician was summoned but nothing
could be done and she grew constantly
weaker until 8 o'clock last evening
when death came. She was the daugh-
ter of Mr. and Mrs. George Gertner and
was born in York county in November,
1817.

Mrs. White is survived by two daugh-
ters, Mrs. Porter and Mrs. Mary Ash-
burn, of Altoona; two sons, Daniel
White, Harrisburg, and John White,
Philadelphia. The funeral will be held
Saturday afternoon at 2 o'clock and in-
terment will be in the Chestnut Hill
cemetery.

WOMAN DIES IN 98TH YEAR

Mrs. Sarah White, Oldest Resident of
Cumberland County, Succumbed
After 3 Years' Illness

(Special to the Star-Independent.)
Mechanicsburg, May 6.—Following
three years' illness, Mrs. Sarah White,
aged 97 years, the oldest resident of
Cumberland county, died last night at
the home of her daughter, Mrs. Susan
Porter, South Market street. Although
her illness has kept her confined, yet at-
tending physicians say death was due
to old age.

Despite her old age, only once before
was it necessary for her to have a phy-
sician, which was ten years ago when
she underwent an operation for catar-
acts. She was then able to see for sev-
eral years, but recently she became
blind. Following this operation she con-
stantly complained of feeling ill, when
she became quite serious three years ago
after which she lost her power of
speech.

When her daughter, Mrs. Porter,
arose yesterday morning, she noticed
Mrs. White's condition was worse. A
physician was summoned but nothing
could be done and she grew constantly
weaker until 8 o'clock last evening
when death came. She was the daugh-
ter of Mr. and Mrs. George Gertner and
was born in York county in November,
1817.

Mrs. White is survived by two daugh-
ters, Mrs. Porter and Mrs. Mary Ash-
burn, of Altoona; two sons, Daniel
White, Harrisburg, and John White,
Philadelphia. The funeral will be held
Saturday afternoon at 2 o'clock and in-
terment will be in the Chestnut Hill
cemetery.

DISBROW WILL FILED TO-DAY

Provides That All Income From the
Estate Shall Go to Widow

The will of the late Charles A. Dis-
brow, former head of the Harrisburg
Shoe Company, was filed for probate
this afternoon, naming the widow, Mrs.
Henrietta Affleck Disbrow, and the Uni-
on Trust Company as executors.

Inasmuch as creditors making claims
for about \$30,000 against the estate
filed a petition with the Register a few
days ago praying that the Common-
wealth Trust Company be named as ex-
ecutor, the Register refused to pro-
bate the will pending the outcome of
that litigation.

The will, which was made in Aug-
ust, 1913, directs that after the pay-
ment of all just debts the rents and
other income shall be paid to Mrs.
Disbrow and if they fall below \$6,000
a year she may take from the principal
an amount each year sufficient to make
her annual stipend \$6,000.

Upon her death this income is to go
to her grandson, Charles Disbrow
Lloyd. The amount of the estate is not
mentioned in the will.

PERMIT FOR BOYD MEMORIAL

Harrisburg's building record re-
ceived a big boost this morning when Build-
ing Inspector James H. Grove issued
permits for new structures the total
cost of which will approximate \$56-
250. One of these permits calls for the
erection of the John Y. Boyd Memorial
building by the Pine Street Presby-
terian church, at South, Myrtle and
Willis streets. This building will be of
brick construction, will be two stories
high and will cost \$35,000.

The Merchants Ice Company, which
proposes to erect an ice plant at Berry-
hill and Cameron streets, also obtained
the necessary permit for the improve-
ment. This structure will cost \$20,000.
John P. Hallman got a permit to build
an addition to the two-and-one-half-
story frame house at 165 North Fif-
teenth street, to cost \$1,250.

Friendship Goes to Newport

The Friendship Fire Company base-
ball team will play the Newport nine
at Newport Saturday afternoon. The
Friendship team has been quite success-
ful so far this season, having won all
of the three games played. During
the past two weeks they won over the
"Washes," the Shamrock and Good
Will Fire Companies.

Elks to Observe Mothers' Day
The first observance of Mothers' Day
at the Elks' Home will be held on
Sunday afternoon at 3 o'clock. A com-
mittee is preparing a musical program
appropriate to the day.
