'T WAS A SLUR AT DANCE LED TO AL REICH'S DOWNFALL

Coffey Anxious to Wipe Out Insult Decides to Fight and First Refusing to Be Party to Opponent's Making Money

New York, May 7.—Trivial incidents in the past have led up to great wars. As a result of merely turning his back on Jim Coffey at the ball of the Avonia A. C. last winter Al Reich has lost much of his prestige as a heavyweight boxer and was knocked out by the Irish champion.

Coffey was anxious to wipe out the insult. That was the true reason why he agreed to box Reich at Madison Square Garden on Wednesday night. It was the first bout since Coffey began his career as a boxer nearly three years ago in which the good-natured big fellow has shown the slightest trace of anger.

The memory of Reich's deliberate slight rankled in his heart and was foremost in his brain. Coffey made up his mind to clean the score with a knockout or be knocked out himself.

Coffey and Reich were quite friendly at one time. They used to box together in a gymnasium. The night of the ball Coffey was led into the middle of the floor and introduced. Just as he was about to step back Reich started for the center of the ballroom. Coffey said, "How do you do, Al," at the same time extending his hand. Reich, much to Coffey's surprise, deliberately turned his back on the Irishman.

Some of the onlookers jeered and that brought a flush to Coffey's face. Later Reich, so friends of Coffey told him, said things about the Irish champion that were far from complimentary. This further incensed Coffey, and when Billy Gibson, his manager, proposed a match with Reich, he at first refused, saying he would not be a party to affording Reich a chance to make money. When Gibson said "You can wipe out the insult by knocking him out," Coffey consented to the match.

NO SIGNS OF PEACE YET

Ban Johnson Makes Further Statement Denying Report

New York, May 7.—Hopes that the statement by President Johnson, of the American League, in Boston, Tuesday, favoring withdrawal of the legal suits between the Federal League and organized baseball presaged peace were diminished yesterday by a further statement from Johnson.

"No secret pact, regardless of the many conflicting reports has been signed between the American League and the Federal League," the American League president was quoted as saying. "The American has no understanding of any kind with President Gilmore or his organization. There will be no peace as far as I am concerned."

"I wish to say that neither the American League nor the National League has made a single proposition to the Federal League," the American League president said. "All these reports about peace negotiations and the American League and the Federal League coming to an agreement are fabrications."

"Organized baseball, so far as I know, is as determined as ever to decide this fight on its merits. Nobody is looking for anything or expects anything. If our case is wrong the sooner we know of it the better. We believe that we are right. We ask no favors. We stand by our record."

TRENTINI IN DIVORCE SUIT

Wife of Composer Firms Names Her Co-respondent and Wants \$100,000

New York, May 7.—Mrs. Rudolph Friml, wife of the light opera composer, has brought suit for absolute divorce, naming Emma Trentini, light opera prima donna, as co-respondent. Mrs. Friml has also brought suit against Miss Trentini for \$100,000 for alleged alienation of Friml's affections. The papers in both suits were served on Friml and Miss Trentini last Monday. Friml is a Bohemian. He came here six years ago as the accompanist of Kubelik, the violinist, and turned his hand to writing light opera scores. Mrs. Friml charges misconduct on the part of her husband and Miss Trentini at the Hotel Statler, Buffalo; the Ritz-Carlton, Philadelphia; the Bellevue, Boston, and at various hotels in this city.

PLANT IN HATE KILLED MAN

Expert Says Emotional Vegetations War on All Animal Life

Philadelphia, May 7.—Blue rockets show fear and the deadly nightshade is full of hatred. Both of these are plants, but that does not prevent them from declaring merciless war on all animal life. The blue rocket perfume carries one of the deadliest of poisons. One-sixteenth of a grain shot from its poison pistol has proved fatal to a man.

"Give this plant the semi-muscular system possessed by the carnivorous plants and it would be more dangerous than the cholera," said Prof. Henry G. Walters, head of the plant research bureau at Langhorne.

The professor, who maintains that plants have memories and are capable of love, believes also that there are plants which exercise all the emotions of emity.

It's a mighty short way to pipe-joy

if you go via Prince Albert—tobacco that answers every question any man can hand out! You can jam it in your old jimmy pipe or roll it into a makin's cigarette and it will produce more real and true happiness than any brand at any price you ever bucked up against. Now, let's all get together, and repeat slowly and distinctly:

PRINCE ALBERT
the national joy smoke

can't bite your tongue, and can't parch your throat, because it is made by a patented process that removes the bite and the parch. No other tobacco ever was or can be made like P. A. And P. A. tastes as good as that sounds!

So the warm tip is: Get the jimmy pipes out of dark corners, out of the rafters, where you've hidden them for fear of more tongue bites. Get 'em out and fire up with P. A., for you can go to it fancy-free from sun-up right down the line to the pillow-period!

And the sooner you know this little thing personally, the more joy 'us you'll be.

Prince Albert is sold everywhere in tippy red bags, 5c; tidy red tins, 10c; pound and half-pound tin humidors—and that classy pound crystal-glass humidor with sponge-moistener top that just beats the band for keeping P. A. fine like silk. You buy one quic'.
