That means the nearest cafe, for this entrancing liquor, like moving picture houses, is to be found everywhere. Moroney's is as necessary to the boniface as his license. ### SIXTY TENNIS PLAYERS IN RESERVOIR PARK CLUB

Charter Closes Saturday and Price of Membership With Locker Privileges in Club House Goes Up—Court Keeper in Charge Soon

Charter membership lists for the Reservoir tennis club will not close until Saturday but already sixty players have enrolled for lockers in the club house. When the house was opened, May 15 was fixed as the time limit for prospective members to obtain the locker privileges on the \$2 basis for the men and \$1 for the girls. After Saturday, however, the membership fee will be raised to \$3 for the men and \$1.50 for the girls.

Of the sixty odd members already enrolled some have not yet obtained their keys, although these can be had at the park department offices upon payment of the membership fee. The keys for the girls' side of the house have not yet been received, although they are expected within a day or two. Within the week a court keeper will likely go on duty after school hours and on Saturdays until the close of the school term, after which he will remain on duty all the time throughout the summer. Charles Pollock, who filled this job last year, will probably be appointed to the place again. ## SOCIALISTS NOW OPPOSE ITALY'S GOING INTO WAR

Rome, May 10, Via Paris, May 11.—Although negotiations with the central empires still are pending and there is a bare possibility the influence of former Premier Giolitti may avert war, military preparations pointing to Austria as an inevitable antagonist are so thorough and vigorous that a conflict seems unavoidable.

Even discussions among the opposition parties have virtually ceased. Only the irreconcilable Socialists whose deputies met in the chamber to-day, still oppose Italy's participation in the war and their attitude is believed to be guided more by a desire for consistency than because of opposition to a war.

## ALL GERMAN SHOPS LOOTED AND SET ON FIRE BY MOB

Liverpool, May 11.—Anti-German demonstrations were continued throughout yesterday and last evening by thousands of infuriated citizens here and in nearby towns. All German shops were visited simultaneously, looted and then set on fire, while their stocks were carried off openly. The police were virtually helpless as only small contingents were able to be present at each place attacked. The fire department was kept busy all evening extinguishing fires.

All Germans and Austrians in Liverpool will be interned and naturalized Germans will be advised to leave the city for their own safety. Fifty already have been interned.

## RUSSIANS CLAIM VICTORY IN THE UZSOK PASS REGION

Petrograd, May 11, 7:03 A. M.—An official statement issued last night by General Headquarters said:

"In the region of Uzsook pass the enemy made a fruitless attack on Saturday. The enemy columns attacked impetuously a position held by two of our companies in a sector of the Javrenina mountain chain on the slopes above Lomnitsa. The enemy's losses were so heavy because of bodies interfered with the fire from our trenches. Our troops, in spite of the enemy's machine gun fire, left their trenches and swept the enemy from the whole region."

"The same day, after a desperate fight, the enemy forced a Russian detachment near the village of Zalovaki to retire to the left bank of the Dniester."

"Sunday night our vanguards having crossed the Dniester, attacked the enemy on the Chaboruki front to the mouth of the Stry. We took 1,300 prisoners, one gun and many machine guns."
