

"WILD BILL" AND HIS BROAD SMILE

There's a reason for "Wild Bill" Donovan's broad smile. The genial manager of the New York Yankees has his charges up in front in the American League race and promises to keep them there during the entire campaign.

NEWS OF THE SPORTING WORLD

MERCERSBURG ACADEMY HAS A FAST TRACK TEAM

Jimmy Curran Has Developed a Number of Record Breakers—Read and Smith Making Fast Time on Cinder Path

(Special to the Star-Independent.)
Mercersburg, May 12.—The Mercersburg track team is about to close one of its most successful seasons. This record-breaking track organization has won every meet in which it was entered this season, the important victories being in the Erasmus Hall meet in Brooklyn, relay classic at Baltimore, New York University meet, Cornell meet, Washington and Lee University meet, the University of Pennsylvania relays and the dual meet with the Penn Freshmen.

The victory in the Penn relays was a signal victory for the Mercersburg quartet, winning from the crack Exeter team. Many individual stars make up the 1915 team and records have suffered. Harvey D. Reel, of Reading, broke the school's record for two miles by twelve seconds, making the distance in 10 minutes and 11 seconds. Reel will strive to clip five seconds from this mark in the Pennsylvania State championship meet Saturday at State College.

Elmer Smith is winning many laurels in the dashes and has demonstrated his ability to run the hundred yards in ten seconds flat. George Meredith, brother of the famous Ted Meredith, the Olympic runner now smashing records for Penn., is making a name for himself at Mercersburg. Other members on the team are:

F. Davis, E. Smith, William Banks, captain; W. Brownville, L. Sigel, H. Shugg, Dunsmore, Stark, Appley, Helff, Brumback, Stone, Shields, Laughy and Childs. To Jimmy Curran, the coach, belongs a bit of credit for turning out this team. His coaching has brought him to the eyes of the college world.

RIGHT OR WRONG

We do not believe a whole lot in expending much money for newspaper advertising so that we are thereby compelled to ask increased prices for our goods. However, we do, just occasionally like to let EVERYONE know that this store is now as always selling furniture and other housefurnish at lower prices than most other stores.

OUR WAY—

We do a large business under an economical expense system which enables us to quote the lowest possible prices on EVERYTHING. Our prices are uniformly low on all our goods. Our stock is one of the largest and most complete in the city.

Our customers will tell you that this store is not only one of the largest, but the best store in which to purchase their home needs. In fact, our customers really prove to be our advertisers and they have done it very well indeed. We believe thoroughly in a business system that will convince the customer that what he purchases here is at least just a little better for the same money, or as good for less money than he can obtain it for elsewhere.

This is the system which has built up our business to its present large proportions and is still doing good work for us. We try our best to give our customers the most for their money and our experience has been that the customer can always be depended upon to return the favor in some good way.

REMEMBER THAT—

You may not see our advertisement in the newspapers very often, but we ask you to chalk this down: When you want to buy good furniture at the way-down price, this is the store that is sure to be there with the goods you may want and with the price that will suit.

A JITNEY WILL LET YOU OFF RIGHT AT OUR DOOR.

HOUSE DROPS NEW PLAN FOR ELEVATOR INSPECTION

Bill Providing to Send Second Regiment to Panama Pacific Exposition Also Is Killed—Lawmakers Are Influenced by the Cost

The Beidleman bill creating a state bureau of elevator inspection, with jurisdiction in all but first and second class cities, was dropped from the calendar in the House of Representatives last night by a vote of 112 to 49. It was said the bill would cost the state \$75,000 and the measure was attacked on that score.

The Daix bill providing for a trip to the Panama-Pacific Exposition by the Second Regiment, National Guard, of Pennsylvania, lacked 33 votes of passing. Mr. Showalter attacked the bill because it allowed officers their per diem play while on the trip.

Other bills defeated were:
Repealing act governing boiler inspection in third class cities.
Resolution proposing constitutional amendment to abolish poll tax.
Senate bill regulating interest payments on damages caused by taking property for public use.
Bills passed included:
Providing standard form of policy contract for fire insurance.
Senate bill consolidating proceeds of municipal loans in first class cities.
Appropriating \$425,300 for vocational education.

GOLDEN EAGLES' BIG PARADE

Knights From Eastern and Central Pennsylvania in Demonstration—Grand Castle Opens Sessions

Lebanon, May 12.—The climax in the Knights of the Golden Eagle Grand Castle convention here this week was reached yesterday afternoon in the parade of several thousand members of the military and civic branches of the order. Coming from all parts of Eastern and Central Pennsylvania, they marched to the music of many bands over a route five miles long, along thoroughfares lavishly decorated and earned the plaudits of thousands.

Daniel R. Tschudy, of this city, was chief marshal, and among the organizations participating were the First, Second and Third regiments, K. G. E., under Grand Chief John B. Graybill, of Lancaster, commander-in-chief. City Councilman Edwin U. Sowers delivered the address of welcome to the delegates at the opening session of the Grand Castle yesterday morning in the Academy of Music and response was made by John B. Graybill, the grand chief. The Rev. Aaron Barlett, chairman of the local general committee, also spoke. Last evening the visiting knights and ladies were guests at a ball in the Sons of America hall.

Immediately following the parade the competitive drills were held and early last evening these awards were announced: Susanah Commandery, Hellertown, \$50, competitive drill; Lancaster commandery, \$25, for most men in line; Denver commandery, \$25 for finest uniformed commandery; Norristown castle, \$25, for largest number of men in line coming greatest distance; Boyertown castle, finest appearance.
