MANAGERS WITH CRIPPLED TEAMS WELCOME THE DAY OF REST

Philadelphia, May 13.—The Interstate Association of Baseball Leagues, at a special meeting last night, refused to bar J. Franklin Baker, the home-run king, who is under a three years' contract with the Athletics, from playing professional baseball with the Upland Club, of the Delaware County League. Eight leagues which compose the organization voted on a motion of P. M. Hackney, president of the Philadelphia Suburban League, that Baker be barred, the final vote being nine against the motion and seven in favor of it. Immediately following this action Assistant District Attorney Joseph P. Rogers, president of the association, tendered his resignation, stating that he refused to be associated with an organization which harbored contract jumpers, deserters or quitters.

NO GAME FOR PHILLIES

The action was taken after a three hours' session spent in going over the case of J. Borton Weeks, president of the Philadelphia County League, stated that Connie Mack had said that Baker could play ball with a local club providing it was not in Philadelphia, and that under this agreement Baker is not a contract jumper.

TO ADDRESS ENGINEERS

John Liston to Tell of Electrical Equipment of Panama Canal. John Liston, of the General Electric Company, will deliver a lecture Friday evening before the Engineers' Society of Pennsylvania on "The Panama Canal and Its Electrical Equipment." The lecturer will tell of the uses of electricity in the construction of this great engineering project and by motion pictures will show the actual operation of electrically driven machinery used by the government in constructing the canal. The pictures were taken at the site and are intensely interesting as they show the real conditions under which the work was done. Mr. Liston will also describe the permanent electrical equipment for the operation of the canal and will illustrate this part of his lecture with stereopticon slides.

This is the last lecture of the season at the Engineers' Society and will probably be one of the most interesting of a series of remarkably fine lectures on engineering topics and topics of a general nature but allied to the engineering profession.

Members of the society, State officials, public service men and others interested in this branch of engineering, are invited to attend the lecture, which will be held at the club house, 31 South Front street.

Will Install New Pastor. Cape May, N. J., May 13.—The Rev. Curtis O. Bosserman, pastor of the First Presbyterian church, will be installed this evening and many clergymen from South Jersey will attend the installation. He came here from Shippenburg, Pa. He was graduated from Princeton University in 1891 and from Princeton Theological Seminary in 1895.

FRAUD SENTENCES UPHELD

\$5,000,000 Stock Defrauders and Book-sellers Must Go to Prison. New York, May 13.—The conviction of James J. Farmer and William J. Hartley, tried for using the mails to defraud in the sale of rare books, was upheld in a decision rendered yesterday in the United States Circuit Court of Appeals by Judge Lacombe. The pair got two years each in Atlanta last November and appealed. Judge Lacombe reversed the judgment of the District Court as to one count in the indictments against them, but affirmed the other two.

The conviction of Archie L. Wisner and John J. Meyers, tried on a similar charge in connection with the sale of mining and oil stocks, was sustained. Wisner and Meyers conducted the firm of Wisner & Co., and were charged with having perpetrated frauds aggregating \$5,000,000. They received sentences in March, 1914, of six years each. Meyers, in addition, was fined \$10,000.
