## THIN FOLKS WHO WOULD BE FAT

Increase in Weight Ten Pounds or More

### A Physician's Advice

"I'd certainly give most anything to be able to fat up a few pounds and stay that way," declares every excessively thin man or woman. Such a result is not impossible, despite past failures. Thin people are victims of mal-nutrition, a condition which prevents the fatty elements of food from being taken up by the blood as they are when the powers of nutrition are normal. Instead of getting into the blood, all the fat and flesh producing elements stay in the intestines until they pass from the body as waste.

To correct this condition and to produce a healthy, normal amount of fat the nutritive processes must be artificially supplied with the power which nature has denied them. This can best be accomplished by eating a Sargol tablet with every meal. Sargol is a scientific combination of six of the best strength-giving, fat-producing elements known to the medical profession. Taken with meals, it mixes with the food and turns the sugars and starches into rich, ripe nourishment for the tissues and blood and its rapid effect is remarkable. Reported gains of from ten to twenty-five pounds in a single month are by no means infrequent. Yet its action is perfectly natural and absolutely harmless. Sargol is sold by G. A. Gorgas and other good druggists everywhere and every package contains a guarantee of weight increase or money back.

**Caution:**—While Sargol has produced remarkable results in the treatment of nervous indigestion and general stomach disorders, it should not, owing to its remarkable flesh producing effect, be used by those who are not willing to increase their weight ten pounds or more.—Adv.

## CHARLES FROHMAN LEFT AN ESTATE OF \$350,000

Most of Theatrical Producer's Fortune  
in Stocks—Only Star With Whom  
He Had Contract Is Billie Burke—  
Did Not Leave a Will

New York, May 14.—Charles Frohman left an estate valued at about \$350,000, consisting mostly of stocks and bonds in various theatrical ventures and business enterprises, according to estimates made by well informed persons Wednesday.

Daniel Frohman will probably apply in the courts for letters of administration as soon as the Surrogate legally establishes the death of the manager. David Gerber of the law firm of Dittenhofer, Gerber & James, attorneys for Mr. Frohman, said Wednesday that these proofs of death will be made in an affidavit by Daniel Frohman and from evidence in England that Mr. Frohman's body has been identified and embalmed and that his manager there has applied for letters of administration in that jurisdiction.

"Mr. Frohman did not leave a will," said Mr. Gerber. "A diligent search has been made through his effects and none has been found. In view of this situation his brother, Daniel Frohman, will apply to the Surrogate for appointment as administrator and will ask that Mr. Hayman be associated with him.

"Except for a farm up State Mr. Frohman held no real estate. He was a stockholder in the New York Theatre Company, which built the New York Theatre. The bulk of the estate consists of stocks and bonds in theatrical ventures or business enterprises allied with them, so far as is known.

"There did not exist a scrap of paper in the form of a contract between Mr. Frohman and his various stars, except Billie Burke. All other agreements were by word of mouth."

## TOTAL OF 402,716 TONS OF FOOD SENT BELGIANS

Relief Commission Issues Statement  
From New York Refuting Idea  
That All Needs in Stricken Country  
Are Supplied

(Special to the Star-Independent)  
New York, May 14.—As an absolute refutation of the idea that the need of the people in Belgium for food was more than adequately supplied, the Commission for Relief in Belgium, 71 Broadway, yesterday gave out a list of the ships under its charter that have within the last week unloaded their cargoes at Rotterdam or sailed from various American ports for Rotterdam. The figures show that eight ships carrying cargoes aggregating 47,492 tons have discharged their cargoes from the docks at Rotterdam.

On Thursday the steamship Hebburn sailed from the Erie elevators in Jersey City with 7,500 tons of wheat. The Hebburn made a record in loading, having berthed at the elevator on Tuesday afternoon and sailed for Rotterdam within forty-eight hours. The Strathblane, which is making her first trip across the Atlantic, took the place of the Hebburn at the Erie elevator, and will load a general cargo and get away some time between now and Tuesday next. The arrivals at Rotterdam reported were the Quite, which sailed from New York April 12, and the Ethel Brytia, from the River Plate, South America, both arriving a week ago to-day. Yesterday's arrivals at Rotterdam were the Cambrian King, 5,335 tons; the Queen Adelaide, from Galveston, 7,100 tons; the St. Kentigern, from Philadelphia, 6,710 tons; the Kamouraska, from New York, 7,150 tons, and the Horsa and Brophy, both from the River Plate, aggregate 9,277.

The St. Cecilia, carrying an aggregate of 6,500 tons, mostly contributed by the people of Canada, sailed from Halifax on Thursday and is due at Rotterdam May 23, and the Elfland, from Baltimore, is due to arrive at Rotterdam on May 29. The African Monarch arrived in the port of New York Thursday night, berthed at the Bush terminal docks, taking on a cargo there, and will probably sail the latter part of the coming week.

The total number of tons of food shipped up to and including yesterday is 402,716 tons.

This Is Also a Paid Advertisement

### RIGHT OR WRONG

We do not believe a whole lot in expending much money for newspaper advertising so that we are thereby compelled to ask increased prices for our goods. However, we do, just occasionally like to let **EVERYONE** know that this store is now as always selling furniture and other housefurnish at lower prices than most other stores.

### OUR WAY—

We do a large business under an economical expense system which enables us to quote the lowest possible prices on **EVERYTHING**. Our prices are uniformly low on all our goods. Our stock is one of the largest and most complete in the city.

Our customers will tell you that this store is not only one of the largest, but the best store in which to purchase their home needs. In fact, our customers really prove to be our advertisers and they have done it very well indeed. We believe thoroughly in a business system that will convince the customer that what he purchases here is at least just a little better for the same money, or as good for less money than he can obtain it for elsewhere.

This is the system which has built up our business to its present large proportions and is still doing good work for us. We try our best to give our customers the most for their money and our experience has been that the customer can always be depended upon to return the favor in some good way.

### REMEMBER THAT—

You may not see our advertisement in the newspapers very often, but we ask you to chalk this down: When you want to buy good furniture at the way-down price, this is the store that is sure to be there with the goods you may want and with the price that will suit.

A JITNEY WILL LET YOU OFF RIGHT AT OUR DOOR.
