TO HAVE PRETTY HAIR

If your hair is not as soft, and pretty, or as fresh and full as that of some friend, do as she does—give it daily attention, just the same care you would give a plant to make it grow healthy and beautiful. Luxuriant hair—soft, fluffy, thick and lustrous—is really a matter of care. If it is too thin, stimulate the hair roots and bring out the new hairs. If it is too dry and brittle, soften it up—lubricate it. If you have dandruff it's because the scalp is too dry and flakes off. Freshen up the scalp and all dandruff disappears.

An inexpensive tonic, called Parisian Sage, which you can get from H. C. Kennedy, or any drug counter, is just what you need—it softens the scalp, nourishes and invigorates the hair roots, immediately removes all dandruff and makes the hair fluffy, lustrous and abundant. One application will stop itching head and cleanse the hair of dust and excess oil. Parisian Sage takes away the dryness and brittleness, makes the hair seem twice as abundant and beautifies it until it is soft and lustrous.

By the use of this helpful tonic any woman can easily have beautiful hair; and pretty hair will surely increase charm and beauty.—Adv.

FIND OUT

The Kind of Food That Will Keep You Well

The true way is to find out what is best to eat and drink, and then cultivate a taste for those things instead of poisoning ourselves with improper, indigestible food, etc.

A conservative Mass. woman writes: "I have used Grape-Nuts 5 years for the young and for the aged; in sickness and in health; at first following directions carefully, later in a variety of ways as my taste and judgment suggested."

"But its most special, personal benefit has been as a substitute for meat, and served dry with cream when rheumatic troubles made it important for me to change diet."

"Served in this way with the addition of a cup of hot Postum and a little fruit it has been used at my morning meal for six months, during which time my health has much improved, nerves have grown steeper, and a gradual decrease in my excessive weight adds greatly to my comfort."

Name given by Postum Co., Battle Creek, Mich. Read, "The Road to Wellville," in pkgs. "There's a Reason."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.
