NEWS OF STEELTON

FEATURES OF THE LOCAL CIVIC CLUB CARNIVAL

An Energetic Committee Has Secured the Co-operation of Steelton Band and the Croatian and Serbian Sokols—Many High School Girls Will Help

The carnival announced to be held Saturday afternoon and evening by the local Civic Club on North Second street, between Pine and Adams streets, promises to be the greatest outdoor beneficial show ever attempted in the borough. An energetic committee has secured the promise of the co-operation of the best in local outdoor entertainers, such as the Steelton band and the Croatian and Serbian sokols, and will be ably assisted in other features by approximately 100 girls of the local High school and some very small girls. These girls, attractively attired in white, will do the Maypole dances, the very small ones in the afternoon at 3 and 4 o'clock, and the larger ones in the evening. Every member of the various committees will wear white and the color scheme of the whole carnival will be green and white, including the ribbons to be wound around the Maypole. These dancers will number sixty in all and will be divided into two sets, which will alternate with the ribbons. The sales ladies at the country store will be attired in white, with varicolored beach hats. The space to be occupied by the carnival will be enclosed with rustic boughs, five feet high and the following men will have charge

of the four entrances: E. E. Yake, Jesse Beck, Mr. Gray and Mr. Forker.

MRS. HILLIS OPENED WITH A SPLENDID VOCAL SOLO

Evangelist Hillis Scored Pastor Russell and Outlined Hell So Forcibly That Many in the Audience Got Rid Quickly of Their Chill Feelings

Despite the threatening weather, there was a large audience present at the tabernacle last evening and, according to a statement made by the executive committee this morning, there are evidences on every hand that the revival is beginning to grip Steelton and vicinity in a forceful way. Nine converts hit the sawdust trail. Beginning to-morrow afternoon at 2:30 o'clock and continuing up until Saturday there will be two afternoon meetings each day. One will be held in the tabernacle and the other in the Main Street Church of God. Church members who are denouncing the campaign were scored in no uncertain terms by Evangelist Hillis last night, and his words met with the hearty approval of all present. He said: "If you do not favor the campaign, keep your mouth shut." Just before the sermon Mrs. C. E. Hillis sang in a manner that touched every heart "There Is Time Enough Yet to Be Saved." The subject of the Rev. Mr. Hillis Sunday night was "Is There Any Hell?" He said by way of introduc-

tion that every minister, if he is true to his vows, must preach on hell. We need our jails to confine our criminals in and hell is needed to confine those in who reject God. I believe that hell is as much a part of God's love story as heaven. God has provided a way for man to be saved and, if man will not accept his plan, he will go to hell. There is no room for you to argue this question. The Bible says you must quit sin or go to hell. If there is no hell, close up your churches and your Sunday schools and throw your Bibles in the mud. No man can be a Christian and not believe in hell. Pastor Russell says there is no hell. You know why he does not believe in hell. If there is a hell, he is sure to go there." Here Evangelist Hillis quoted passage after passage from the Bible to show that there is a hell.

"Pastor Russell says 'Christ's body was not raised from the dead, but was dissolved into gases.' I call him a liar. He said the end of the world would come in 1914. That time has come and passed and the end has not come. I believe that Mrs. Eddy and Pastor Russell should be placed in a cannon and shot through a sewer into a barbed wire fence into hell.

"I am not giving you theories and speculations, but the word of God, and it says there is a hell. I am giving you the word of God, and I don't care what you think. I don't care who he is, including President Elliot, of Harvard, God will damn him just the same as he will damn the lowest hobo of Steelton. Pastor Russell and all who have given up what the Bible says about hell have done so because they are doing things that will certainly send them there. I believe hell is certain because Jesus said so, and the word of God has stood the test for eighteen centuries. Many a man and woman are getting their hell here as well as hereafter.

"Hell is the mad house of the universe. You will never take any money with you to hell. I believe the worst torment endured in hell is that of memory. You will remember the things you have done, the memory of the rejection of Christ. I believe there will be no gratification of any desires you form here. Hell is a place of shame. Hell is a place without hope, according to the word of God. There is not a word from Genesis to Revelations that will give you one ray of hope for those who die in their sins.

"The only way to escape hell is to accept Jesus Christ as your personal Saviour. If you go to hell, you must go over the blockade of the Bible, the church, the ministry, a mother's prayers and the bleeding body of the Lord Jesus Christ."

To Observe Memorial Day A committee of residents of Highspire will meet Wednesday evening at the home of George E. Sides, Second street, to complete a program to be observed on Memorial Day. The promoters of the celebration desire to have the co-operation of all the schools in

that town, as well as the patriotic orders. The program will be observed Monday, May 31.

AN OPEN LETTER
This Is Also a Paid Advertisement

RIGHT OR WRONG
We do not believe a whole lot in expending much money for newspaper advertising so that we are thereby compelled to ask increased prices for our goods. However, we do, just occasionally like to let EVERYONE know that this store is now as always selling furniture and other housefurnish at lower prices than most other stores.

OUR WAY—
We do a large business under an economical expense system which enables us to quote the lowest possible prices on EVERYTHING. Our prices are uniformly low on all our goods. Our stock is one of the largest and most complete in the city.

Our customers will tell you that this store is not only one of the largest, but the best store in which to purchase their home needs. In fact, our customers really prove to be our advertisers and they have done it very well indeed. We believe thoroughly in a business system that will convince the customer that what he purchases here is at least just a little better for the same money, or as good for less money than he can obtain it for elsewhere.

This is the system which has built up our business to its present large proportions and is still doing good work for us. We try our best to give our customers the most for their money and our experience has been that the customer can always be depended upon to return the favor in some good way.

REMEMBER THAT—
You may not see our advertisement in the newspapers very often, but we ask you to chalk this down: When you want to buy good furniture at the way-down price, this is the store that is sure to be there with the goods you may want and with the price that will suit.
