PAST AND PRESENT MEMBERS OF COUNCIL, DINNER GUESTS

Harrisburg Councilmanic Association, Recently Organized, Held First Banquet Last Night in Chestnut Street Hall

Members of the old and newer city government to the number of two hundred, who have recently organized themselves into what is known as the Harrisburg Councilmanic Association, so that they can get together at least once in a while, attended the first dinner of the organization last night in Chestnut street auditorium.

During the dinner former city officers made brief addresses and related incidents that had taken place during their terms of office. Among the speakers were Mayor Royal, who years ago was a member of Council; Benjamin F. Umberger, Colonel H. C. Denning, William Jennings, Charles E. Pass and a number of others, who made brief talks. Daniel S. Seitz, City Solicitor, acted as toastmaster.

Prior to the dinner a short business meeting was held and the following officers were elected:

Charles A. Miller, president; Ashton D. Peace, first vice president; Cameron L. Baer, second vice president; Charles Emmitt Murray, treasurer, and R. Ross Seaman, secretary.

The members of the association are:

Arthur D. Bacon, Cameron L. Baer, Harry F. Bowman, Thomas J. Bell, Charles H. Bernheisel, H. E. Brandt, Theo. G. Calder, L. Calder Clemson, John Dougherty, Calvin Etter, Harry A. Wilhelm, William A. Wilson, George A. Wilhem, William B. Wilson, George A. Young, Richard B. Zeigler, J. Herman Knisely, R. Ross Seaman.

Will Dedicate New Y. W. C. A.

On Thursday of next week, May 27, the Young Women's Christian Association will dedicate its new building. In the afternoon at 3:30 the special responsive service will be held in the John Y. Boyd Memorial Hall. G. Sherwood Eddy, International Secretary of Y. M. C. A. work in Asia, will be present for ten minutes at this meeting and give one of his vivid, forceful talks. The public is cordially invited to attend both this meeting and the dedicatory address which will be delivered Thursday evening at 8 o'clock in Pine Street Presbyterian church by G. Sherwood Eddy. Mr. Eddy is one of the noted figures in modern religious life. In 1912 and 1913 when he toured India, China and Japan, he had audiences of four thousand even in that heathen world.

At Mukden the government schools were dismissed in order that the students might have the honor of listening to one whose ripe scholarship and profound eloquence had appealed strongly to the Oriental mind. Mr. Eddy should be greeted by an overflowing house on Thursday night. Certainly those in Harrisburg who have heard him before will not neglect this opportunity of hearing him again, while those who have not been so fortunate should seize the opportunity thus presented. There will be no collection taken at either service and all interested in Christian work and Christian development are cordially invited to attend both services.

Governor Brumbaugh Host

Governor Brumbaugh entertained at dinner last evening at the Executive Mansion, having as his guests the entire membership of the Pennsylvania Legislative Correspondents' Association, some thirty-two in number. The newspapers of Philadelphia, Harrisburg, Scranton, Pittsburgh and the other larger cities of the State were represented at the board, and the dinner in all of its appointments was perfect. The table decorations were gardenias and roses. Before saying good-bye to his guests, who have, in a measure been his intimates since his induction into office, Governor Brumbaugh took occasion to express his high appreciation of the assistance they had given him in many ways and the help they had been to him in securing the dissemination of news information that had been timely and intelligent.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you need watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimplies—a bilious look in your face—dull eyes with no sparkle.

Your doctor will tell you ninety percent of all sickness comes from intestinal bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective.

They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.
