Carlisle, May 25.—Following an extended illness, Mrs. Phoebe Elizabeth Todd, wife of Robert R. Todd, died at her home, South and Pitt streets, here, Sunday morning at 8.40 o'clock. A complication of diseases contributed to her death. While it was generally known that Mrs. Todd was quite ill, the end was rather sudden for, until several days ago, she was able to get about. She is survived by her husband, Robert Robertson, and three sons, Charles Robert, Glenn Edward and Roger Keen; also her mother, Mrs. Harriet A. Fulton, Walkersville, and two sisters, Miss Edna Routzahn, Walkersville, and Mrs. Fred D. Miller, Westminster, Md.

They Are 70 Years Old

"For some time past my wife and myself were troubled with kidney trouble," writes T. B. Carpenter, Harrisburg, Pa. "We suffered rheumatic pains all through the body. The first few doses of Foley Kidney Pills relieved us. After taking five bottles between us, we are entirely cured. Although we are both in the seventies we are as vigorous as we were thirty years ago." Foley Kidney Pills stop sleep disturbing bladder weakness, backache, rheumatism, dizziness, swollen joints and some muscles. Geo. A. Gargas, 16 N. Third St. and P. R. R. Station.—Adv.

BELL TRIP BILL SIGNED

Approves Bill Providing \$20,000 for Journey to San Francisco

Philadelphia, May 25.—Mayor Blankenburg yesterday signed the ordinance appropriating \$20,000 to defray the expenses of the Liberty Bell special train to San Francisco and for the return of the escorting committee of Councils. Secretary Hall, of the committee, has the itinerary of the trip across the country printed in folder form and these are being mailed to Governors, Mayors and official committees of the cities and towns where the train will stop to give the people along the route an opportunity to get a glimpse of the bell and hear some of the "Gradio of Liberty" oratory. At the next meeting of the committee a few additional steps will be added to the itinerary. This is possible because of the elastic schedule. The train is scheduled to not exceed a speed of 25 miles an hour and some of the runs are reduced to 18 miles an hour, so as to make daylight stops. The additional stops will not in any way disarrange the itinerary as previously announced.

SUBURBAN HUMMELSTOWN

Fourth of July Celebration Program to Be Arranged Wednesday Evening

Special Correspondence. Hummelstown, May 25.—At the meeting of the general committee to be held on Wednesday evening, the program of events for the Fourth of July celebration will be arranged. The committees soliciting funds have been busy during the past week and the results of their efforts will be reported at the meeting. The people of the borough are responding generously to the appeal for funds and the general committee is endeavoring to arrange for a celebration that will meet the approval of the citizens who have been so liberal in their contributions. The principal idea of the celebration is to afford sufficient amusement so that the residents will spend the day at home. A large display of fireworks will be given in the evening which will be one of the best displays ever shown in the borough. Miss Mabel Nisley left this morning on a trip to the Panama Exposition at San Francisco. She will be gone about four weeks. Miss Eshenour has returned to her home in Middletown, after spending a week with Mr. and Mrs. Harry Wolf. Mrs. William Mullin was a visitor in Harrisburg yesterday. Mrs. H. F. POLING FIRST SPEAKER

National Council President Will Open Sessions of Flying Squadron Here on Thursday

All of the meetings of the Flying Squadron will be held in the Grace M. E. church at 2.30 and 7.30, Thursday, Friday and Saturday. Daniel A. Poling, president of the National Temperance Council and president's associate of the United Society of Christian Endeavor, will be the first speaker at the meetings Thursday, and, according to the expectations of the committee in charge a large delegation of the young people of the city will come out to welcome Mr. Poling, who is regarded as one of the leading workers among young people in the country. With him will come as associate speaker Dr. Charles M. Sheldon, noted minister of the Congregational Church, author of "In His Steps," and earnest exponent of practical and livable Christianity, while the soloist will be Daniel V. Poling, who is regarded as one of the leading baritone voices of the Pacific slope. William Lowell Patton, of Oregon, will be the pianist. E. P. Weaver is chairman of the local executive committee, and he is assisted by A. C. Dean, R. K. Berkstresser, James M. Barker and Mrs. M. Margery Steese, in arranging for the meetings and the reception of the speakers. J. Frank Hadley, former Governor of Indiana, and chairman of the Flying Squadron executive committee, who comes at the head of the third group of the squadron for the meetings Saturday, declared in a recent address that his organization is not officially connected with any existing temperance organizations, answering, it is pointed out, a question that is propounded to the leaders in almost every city.

IGNORE TEACHERS' STRIKE

No Action Is Taken by the Scranton Board of Control

Scranton, Pa., May 25.—The rebellion of 400 school teachers of this city when ordered to take a special test in McMurray's "How to Study" last week was virtually ignored at last night's meeting of the Board of School Control. The matter was not referred to until near the close of the meeting, when Superintendent Weber reported that a total of 129 teachers had taken the examination. As soon as the report had been formally referred for filing, adjournment was taken. It was privately said after the meeting that the reason no action was taken was due to the fact that the board has not yet received Superintendent Schaeffer's interpretation of the school code.

BURNS WIFE WITH POKER

Wilkes-Barre Man Inflicts Severe Wound on Woman's Arm

Wilkes-Barre, Pa., May 25.—Joseph Celie has been arrested and sent to jail for burning the arms of his wife with a red-hot poker. Mrs. Celie was found with an infant in her arms wandering about the city in scant attire yesterday. She informed the police that her husband had taken the poker and got it red hot. At an unexpected moment he placed the heated iron on her arm and burned her badly. Mrs. Celie ran from the home and refused to return. When arrested Celie did not deny the crime, but declared that his wife had received what she deserved.

Tart Retort

Of Lord Jeffrey's, noted for his heartless cruelty, it is recorded, when he was chief justice he had a witness before him whose evasive answers aroused the judge's ire. The witness answered an exceedingly long and bushy beard. Said Jeffrey, "If your conscience is as large as your beard you'll swear anything." Unabashed, the witness retorted, "If your lordship measures consciences by beards your lordship has none at all."

REDUCE THOSE DANGEROUS SWOLLEN VEINS

Physicians are prescribing and hospitals are using a new and harmless, yet very powerful germicide that not only causes enlarged or varicose veins and bunches to become normal, but also reduces goitre, enlarged glands and wens.

Ask any first-class druggist for an original two-ounce bottle of Emerald Oil (full strength) and refuse to accept anything in its place. It is such a highly concentrated preparation that two ounces lasts a long time and furthermore if this wonderful discovery does not produce results, you can have the price refunded.

It is not wise for anyone to allow swollen veins to keep on enlarging, often they burst and cause weeks of pain, suffering and loss of employment. Start the Emerald Oil treatment as directions advise and improvement will begin at once. Any druggist can supply you.—Adv.

POP CONCERT THURSDAY

Show on Order of Cabaret Will Be Given at St. Andrew's for Kindergarten Benefit. Harrisburg's first "Pop Concert" will be held on Thursday night of this week in St. Andrew's parish house, Nineteenth and Market streets, for the benefit of St. Andrew's kindergarten. Many tickets already have been sold, and the arrangements which are being made for the concert indicate an excellent program. The "Pop Concert," which is merely an abbreviation for "popular" concert, is new to this city, but has met with great success elsewhere, having originated in Boston. It is on the order of a cabaret show, with everything of an informal character. The program on Thursday evening will include piano, violin and vocal solos, fancy dancing and recitations. Refreshments will be served at small tables scattered about the assembly room. St. Andrew's kindergarten, while it meets in St. Andrew's parish house, rent free, is not connected with St. Andrew's church. It is managed by a committee of residents of Allison Hill whose children attend it and who are working on the concert in order to make up a deficit which has arisen from free tuition being extended in some cases. Mother of E. L. Hoover Dies. Word was received here yesterday of the death of Mrs. Lewis Hoover, of Lock Haven, at the home of her son, H. M. Hoover, Curwensville, Pa. She is the mother of E. L. Hoover, of this city, an attaché of the State Treasury Department.

WILL VOTE ON \$30,000 BONDS

Camp Hill Electors Will Decide Question on June 12 at Polls. A special election will be held in Camp Hill, Saturday, June 12, to decide on the question of a \$30,000 bond issue for the paving of Market street, that borough. The Civic Club has been active in proposing the paving of this main thoroughfare and it is likely that a town meeting will be called to discuss it before it goes to a vote. The Valley Railways Company, which used Market street for its main valley trunk line, has agreed to pave between its tracks. Persons in the borough believe that the company should pave six inches outside of its tracks. This question has not yet been settled. The assessed valuation of Camp Hill is \$649,000, and its bonded indebtedness is \$9,000. The proposed \$30,000 increase would bring the debt to about 4 1/2 per cent. of the valuation.

COURT CENSURES MOVIES

Boys Who Tried to Wreck a Train Sent to Reform Schools. Stroudsburg, Pa., May 25.—At a session of juvenile court yesterday Judge Staples sentenced William Devore, 15 years old, and Frank Talez, 12, who attempted to wreck a Pennsylvania train near here last Thursday. Devore will go to the Huntingdon reformatory and Talez to the Glen Mills School, both for an indefinite period, approximately three years. The Judge censured moving pictures, which were likely to have an influence on the minds of boys, and instructed the District Attorney to act as censor of the films.
