THIS Rebuilding Sale will continue four days--Wednesday (tomorrow), Thursday, Friday and Saturday. During this sale we are particularly anxious that you visit this store; for then you'll realize why the items below speak of such rare price-values.

You'll see a wonderful change taking place here in the form of a new building replacing the old, and what word other than "Rebuilding", better suggests the necessity of lowering stocks and likewise prices? It also means the quick "turning-over" (commercially speaking) into cash, even new merchandise that is constantly arriving.

This sale to accomplish its purpose must do away with unnecessary surplus in merchandise, the clearing out of odd lots, and the like. By scanning each column on this and the opposite pages, you'll readily see the method we've determined upon to carry out the above; for PRICES ARE UNMISTAKABLY LOW.

Be on hand early--let the early hours of this sale be of most benefit to you.
