TECH EXPECTED TO CARRY OFF READING HIGH MEET

Eighteen Athletes Will Be Entered in Memorial Day Races—Steeleton to Have Full Team—Central to Send But Three Men

Tech High is entering the annual track and field meet held under the auspices of the Reading High School Athletic Association at Reading Monday with a determination to win. The entry list includes twelve schools many of them different from the ones which Tech has encountered in meets this spring, but that is believed to be a small matter.

The Reading team had but four entries in the scholastic meet here Saturday afternoon, sending but enough athletes to take home the shield won by that team in past years. A full entry list will be sent into the meet there on Monday and Reading may prove a dangerous rival to Tech.

The local champions will be represented by between eighteen athletes. All the men, who placed in the local meet, will be sent with a possible exception of Miller, winner of the hammer throw because no hammer thrown will be included in the Reading meet. Steleton will also have a full entry list. Houtz, Diefenbach and Smeltzer, point winners for Central High in the local meet, will go to Reading.

This is the first time Central High has entered this meet since 1910, when trouble with the Reading management caused them to withdraw from the meet.

MEREDITH A CANDIDATE

Olympic Champion May Lead Penn's 1916 Track Team

Philadelphia, May 25.—Regardless of what the showing is of the University of Pennsylvania track team in the coming intercollegiate, the honor of captaincy of next year's team is almost certain to fall upon James E. (Ted) Meredith, the sensational runner and holder of the Olympic 800-metres championship.

Meredith is a Junior and appears to be the logical person for the position. He is without doubt the most popular athlete in college and, aside from this, carries the admiration of every athlete in the amateur ranks.

The speed demon is a graduate of Mercersburg Academy, having entered that school from Williamson Trades School.

A banquet will be held in honor of the Penn track team Saturday evening following the intercollegiate races, and the election of captain will take place at this festival. It is doubtful if any other track man will oppose Meredith.

THREE CARS WITHDRAWN

Could Not Make the Time Limit at Indianapolis

Indianapolis, May 25.—Three cars entered in the 500-mile automobile race to be held here Saturday withdrew yesterday and it was said other withdrawals are expected because of inability to make the required speed of 80 miles an hour. Yesterday was the last day for the speed trials.

The three cars that withdrew were American make and their drivers were to have been Pullen, Rackstell and Nix. It was explained that the three drivers have been having engine trouble and could not get their mounts in shape.

Darius Resta made a lap yesterday at the rate of 88.5 miles an hour. Cox and Lecain also made better than the required average.

Braves Lose Stallings For Time

Boston, May 25.—The Boston Nationals probably will be without the guidance of Manager George T. Stallings for some days. He was confined to his room yesterday with a complaint believed to be due to mastoiditis. Captain John R. Evers, who has been at his home in Troy, N. Y., recovering from a broken ankle bone, is expected here to take up the managerial reins to-day. He is able to get about with crutches.

INDEPENDENTS TO PLAY

P. R. R. Y. M. C. A. and Harrisburg Teams Clash To-morrow

The Harrisburg Independents and the Pennsylvania Railroad Y. M. C. A. teams will clash to-morrow afternoon on the H. A. C. field. Wet grounds made it necessary to cancel the game which was scheduled for Saturday afternoon. Play will start promptly at 3.15 o'clock. Babe Alcorn will pitch for the railroaders while Wertz will mount the mound for Harrisburg.

The railroad association has one of its strongest teams this season. To-morrow it will be fresh from a game with the Chambersburg team of Blue Ridge League which was scheduled for this afternoon. This contest will test the relative merits of Samuel Hughes, Harrisburg and Chambersburg battled to a 16-inning tie a week ago.

JOHNSON'S GIFT ACCEPTED

Canadian Minister Expresses Thanks For Soldiers' Baseball Paraphernalia

Chicago, May 25.—The gift of baseballs, bats and other paraphernalia from President Johnson and the clubs of the American League to the Canadian soldiers fighting abroad will be assembled at Toronto and shipped to London, where General John Carson probably will see to its transportation across the channel and distribution among the soldiers. This was announced yesterday by President Johnson, who said the first batch would be ready in about ten days. Samuel Hughes, Canadian Minister of Militia, in a telegram received by President Johnson, said:

"As Minister of Militia it gives me great pleasure to accept and thank your league for its gift. It will be highly appreciated by our magnificent boys, who are so nobly doing their duty at the front, and make many a leisure hour pass pleasantly."

WANT FIGHT DECISIONS

New Boxing Law Expected to Stop Stalling in Bout

Albany, N. Y., May 25.—The new boxing law, it is expected, will result in decisions being ordered for boxing bouts. Under a ruling of the old Commission no decisions were allowed. This men in pugilistic circles held, caused many boxers to stall through the six or ten rounds of their bouts. Decision, it is claimed, will make the boys put up first-class fighting exhibitions. Many complaints have been received of the practice of some boxers to earn their money with the least possible effort, and, therefore, it is expected that the new Commission will make a ruling in favor of decisions.

The new law supplants the present three unprotected Commissioners with a Commission of three members, who will get salaries of \$3,000 each. Mike Donovan, Roosevelt's old sparring partner, and John Farney, of this city, are active candidates for Boxing Commissionerships.

Isbell Mentioned as Indians' Manager

Chicago, May 25.—A rumor reached the office of President O'Neill, of the Western League, yesterday that Frank Isbell, owner and manager of the Des Moines club, was being considered for manager of the Cleveland Americans, succeeding Joe Birmingham. Isbell, in his major league experience, which ended about six years ago with the Chicago Americans, played nearly every position. He still takes part in games and is said to be hitting well.
