ASK JITNEYS FOR MONEY FOR PARK BAND CONCERTS

Harrisburg Band Concert Association Seeks Aid From Chauffeurs Who Will Do Some Business On Concert Days—First Concert Monday

The jitneys having entered the passenger carrying business with more or less success will meet the same fate that other public carriers meet. They will be appealed to by the Harrisburg Band Concert Association for money to add to the park concert fund, the association believing that the jitneys will do some business as a result of the concerts. Letters will be sent to the 150 jitney drivers in the city in a few days.

The first concert by the association will be given Monday afternoon and evening when the Memorial Day celebration will be held. The afternoon concert will be from 3 to 5 o'clock and the evening concert from 8 to 10 o'clock. This is an innovation as concerts in other years began at 3:30 and 7:30. The Municipal band will play, conducted by Frank Blumenthal.

The program follows:

Afternoon, Part 1—March, "Coed," J. S. Zamecnik; overture, "Orpheus," J. Offenbach; tone poem, "In Lover's Lane," Arthur Pryor; idylle, "Stolen Moments," Leo Freidman; selection, "From the Midnight Sons," Raymond Hubbell.

Part 2—March, "Tou' La Nuit," Arthur Pryor; selection, "Eleanor," Jessie L. Deppen; waltzes, "Tales of Hoffman," J. Offenbach; intermezzo, "La Pepita," M. M. Tobani; selection, "Grand American Fantasia," Theo. Bendt.

Evening, Part 1—March, "The Federal," John Philip Sousa; overture, "Hungarian Comedy," Keler Bela; sextette, "From Lucia," Donizetti; Spanish dances, Original No. 1, No. 4, No. 5, M. Moszkowsky.

Part 2—March, "Rajah," M. A. Althouse; selection, "Chin Chin," Ivan Caryll; descriptive fantasia, "Cavalry Charge," G. Luder. Synopsis, Morning of the battle, infantry is heard approaching with files and drums; cavalry in distance, coming nearer and nearer until they charge upon the enemy; cavalry, infantry and artillery in the meloe of battle; defeat of the enemy pursued in the distance by the cavalry; valse, "Danseuse," Walter E. Miles; grand fantasia, "The International Congress," John Philip Sousa.

MORE THAN 600 ATHLETES IN ELIMINATION CONTESTS

Conditions on Franklin Field To-day Promised Record-Breaking Performances in Intercollegiate Track and Field Championships

Franklin Field, Philadelphia, May 28.—Clear, cool weather, a fast track in perfect condition and a field of more than 600 athletes, the pick of the score or more colleges in the association, promised record-breaking performances in the 40th all track and field championships of the Intercollegiate Association which opened to-day on Franklin Field. Elimination trials in the shot put, pole vault, running high jump, hammer throw and running broad jump, and preliminary heats in the 100-yard dash, half mile run, 120 and 220 hurdles, 440 and 220-yard dashes, comprised to-day's program. Six men will qualify for the finals in each of the field events and records made to-day will stand unless bettered in the final competitions to-morrow.

There was nothing left to be desired either in the condition of the track or in the weather when the various athletes came on Franklin Field for the first event. Everything favored high class performances. The crowd that came out to see the preliminary heats and elimination trials was small.

MAGEE MAY BE HEAD OF PUBLIC SERVICE BOARD

Intimated That Governor Brumbaugh Will Appoint Either Him or Former Governor Pennypacker As Chairman of Reorganized Body

The first formal business meeting of the Public Service Commission as at present constituted will be held on Tuesday next, by which time it is expected that Governor Brumbaugh will have announced the appointment of a chairman of the body, as he is authorized to do under the law. The name of William A. Magee, of Pittsburgh, is mentioned in connection with the chairmanship, but there is some probability of the reappointment of Samuel W. Pennypacker, the last chairman of the old commission.

Governor Brumbaugh's announcement to the commission, in his talk with it on Tuesday afternoon, that he expects it to be a working body all the time, and that it will be expected to sit continuously, has led to speculation as to whether the commissioners will take up their residences in Harrisburg, but thus far but one of their number has signified his intention of so doing—John S. Rilling, of Erie.

A farewell banquet has been tendered to him by the citizen of Erie, where he has resided for many years. He was prominent as a member of the Erie bar. The other members of the commission, it was thought, will not give up their present places of residence but will come to Harrisburg regularly to attend the meetings—at least for the present.

A long list of cases awaits action of the commission at its next week's meeting, among them the following: The approval of the application of the Clark's Ferry Bridge Company for a charter of incorporation, in which Harrisburgers are interested.

The application of the Pennsylvania Central Light and Power Company for approval of the contract with Midlin county.

The application of the Bell Telephone Company for approval of a lease with the Western Union Telegraph Company.

The application of the Bell Telephone Company for approval of a contract with the Harrisburg Gas and Electric Company.

FINANCE

MORE GAINS THAN LOSSES AT OPENING OF THE MARKET

Improvement Was Mainly in Stocks of Minor Importance, However, Leading Issues Being Neglected—Canadian Pacific Weak Feature

By Associated Press.

New York, May 28 (Wall Street).—There were more gains than losses at the opening of to-day's market, but the improvement was mainly in stocks of minor importance, leading issues being neglected. Rock Island made further recovery of a point and some of the war specialties, coppers and motors, rose small fractions, but these were soon wiped out. Canadian Pacific was again the weak feature of the international list, losing over a point, despite its comparative firmness in London.

Among the more obscure industrials, Harvester Corporation of New Jersey declined over 4 points. The entire list receded moderately soon after the opening.

Transactions in the first hour barely aggregated 60,000 shares and of this total five of the leading speculative favorites contributed about 50 per cent. Local traction shares were almost the only issues to retain their recent rise, most other stocks falling fractionally under yesterday's close level. Canadian Pacific extended its decline to 1 1/2 points and Union Pacific lost a point. There was some short covering before midday, which helped to restore prices in America. Pool manipulation in motors, which gained 1 1/2 points, tended to list interest in better-known specialties. Bonds were steady.

SUES FOR \$8,000 FOR BOY ON WHOM SKIN IS GRAFTED

Continued From First Page.

Albitz farm and that he did not receive proper medical treatment immediately after the accident, the mother of the youth this morning brought a suit for damages against Mrs. Albitz, demanding \$8,000. The mother's claim for medical services and personal losses is for \$3,000 while that of the boy is for \$5,000.

Young Erb was able to be out of the house on a roller chair last week for the first time since he was brought home following the accident, which occurred on July 3, last. According to the mother and her attorney the boy's injuries were due directly to the pranks of a practical joker who thrust a lighted "sparkler" among several other "sparklers" and a handful of matches that young Erb was carrying in a trousers pocket. Almost instantly the supposedly "harmless" novelties were ablaze and before the lad could extract the burning mass or beat out the flames his leg and side were frightfully burned.

Not until almost two weeks after the accident was the mother advised of the extent of the boy's injuries. She declares her boy did not receive proper medical attention. Then she brought him to Harrisburg and called in a physician. Young Erb had been visiting the Albitz family on the Esterline farm when the accident occurred.

The boy, according to the family physician, lingered between life and death for many weeks and it was decided finally that skin grafting was necessary if his life was to be saved. Two operations were performed, one on September 30, and the other on November 20, in which more than a hundred square inches of skin were taken from the body of Steward G. Forney, 434 Harris street, and transferred to the burned surface. Forney volunteered to give the cuticle when he read in the Star-Independent of Paul Erb's plight.

The wound healed but the cuticle has remained very stiff and to move causes the boy great pain. Since the accident on July 3 he had not moved off his cot until this week, when he was taken out on the rolling chair. The boy has grown since his accident but the burned leg has not developed and it is believed that the one leg will permanently be shorter than the other.

BIG FRENCH LINER RUNS ASHORE AND IS DAMAGED

Continued From First Page.

Paris, May 28, 3:20 P. M.—Officials of the French line here say that all the passengers on La Champagne have been landed at St. Nazaire and that there is no need of anxiety as to the safety of the vessel. They state she was not torpedoed.

The name of the steamer which took off La Champagne's passengers is unknown at the company's offices in Paris. Representatives of the company express the opinion that the stranding of the vessel was an accident.

STEEL CORPORATION HEAD SEES BIG RACE AFTER WAR

Continued From First Page.

energy and enterprise. These nations will not remain inactive or despondent, or indifferent. We shall see the most active and persistent efforts to rebuild and extend and to succeed in the international race for supremacy that the world has ever witnessed. From adversity will come greater prosperity than ever before. From necessity will spring thought and study and effort that will enable the survivors to reach greater heights of success than ever before supposed to be within the reach of human kind. It is not too much to believe that, after the close of the war, there will be a feeling almost universal that there must be established and maintained a court of arbitration—simple comprehensive, effective and permanent—that will secure the adjustment of all future differences without any protracted or general contest by armed forces.

"Now what should the United States prepare for? If we conduct our affairs properly, if we make the most of our opportunities, if we co-operate with one another, if the government and governmental agencies and the business people are allies on with the other, we shall become stronger and richer and more potential in our influence and we shall be able to occupy a position in the van of nations, progressing toward results more satisfactory than ever before."

GERMANS ADMIT REVERSE AT HANDS OF RUSSIANS

Berlin, May 28, Via London, 3:30 P. M.—A reverse at the hands of the Russians in the fighting along the river San, in Central Galicia, is announced in to-day's statement from the war office. It is said the Germans in the region of Sienawa, on the left bank of the river, were forced back and lost six cannon.

The German positions, according to this announcement, were not defended by strong forces. The statement also says: "In the district northeast of Permysl we are still progressing favorably on both sides of the river Wyzsina. In addition to the booty reported May 25 about 9,000 additional prisoners have been taken and 25 cannon and about 20 machine guns have been captured."

LATE WAR NEWS SUMMARY

Continued From First Page.

which represents the situation in the east as favorable to Germany with the exception of the retreat from the San near Sienawa.

The character of the fighting in France and Belgium has not changed materially. To-day's reports show that severe engagements are in progress on the western portion of the line but aside from local successes the attempts of each side is to dislodge the other from established line of battle are proving of as little effect as has been the case for months past.

Reports to London by way of The Hague say Germany's answer to the American note will be delivered to-morrow, asking the United States whether ammunition for the allies was on board the Lusitania.

Italian troops are pushing steadily into Austria, along the line running north of the Gulf of Trieste. Apparently the Austrians have as yet offered no serious resistance, although further west there has been severe fighting. An official statement from Rome announced the occupation of the Austrian town of Grado, and states that a squadron of Italian aeroplanes successfully attacked the Trieste-Nabresina railroad, probably cutting the line. Additional territory along the Tyrol frontier has been occupied.

Occupation of Urumiah, Northwest-ern Persia, by Russian forces is announced by the Caucasian army staff. Capture of the city was effected after battles near Dilman and Bachkala.

President Calls Off Cabinet Meeting

Washington, May 28.—President Wilson called off the Friday Cabinet meeting to-day because there was nothing of pressing importance ready for consideration and because he was slightly indisposed. No word had come from Berlin regarding the reply to the American note.

PROHIBITION CONVENTION

Pittsburgh, Pa., May 28.—The State convention of the Prohibition party closed yesterday by re-electing the following officers:

Chairman, the Rev. Dr. Byron E. P. Prugh, of Harrisburg; secretary, Henry S. Gill, Greensburg; treasurer, T. H. Hamilton, Harrisburg. The executive committee comprises H. G. Steele, Lancaster county; D. S. Von Nieder, Lancaster; James Poehles, Lancaster; Albert Gaddis, Fayette; E. J. Pithian, Merco; William Umsted, Philadelphia; J. G. Hosick, Allegheny; E. B. Lacey, Warren; William Repp, Lackawanna; F. E. Whittlesey, Erie; C. J. Fluck, Northampton; J. C. Rummel, Cumberland; Isaac Mondrean, Crawford; D. B. McCalmont, Venango; G. L. Pennock, Delaware.

The time and place for the 1916 convention was left in the hands of Chairman Prugh.

OPEN WILD CAT CLUB TO-DAY

Harrisburgers Among Those at Famous Resort Near Marietta

The members of the Wild Cat Falls Club, located near Marietta, to-day held the thirtieth annual opening of the fine club house along the Susquehanna river, the attendance being very large.

Under the care of Harry L. Hershey, former Internal Revenue Collector, who is vice president of the club, a large delegation of Harrisburgers went down to the Falls this morning, and a smaller delegation left this afternoon, including many State officials.

Guests were present from Philadelphia, Pittsburgh, Reading, Lancaster, Columbia, Scranton and other places. A Susquehanna shad dinner, the fish having been taken from the river a few miles below the club house, was one of the features of the opening.

Flowers For G. A. R. Veterans

Members of the East Harrisburg Women's Christian Temperance Union who wish to contribute flowers for Memorial Day exercises, are requested to take them to the home of Mrs. William Heasley, 7 South Fourteenth street, to-morrow or early Monday morning. The flowers will be given to G. A. R. Post No. 38.

Mrs. Weber Denies Charges

Mrs. Katherine Weber, whose husband, Frank Weber, 925 Grand street, is suing her for a divorce on the grounds of cruel treatment, to-day denied the husband's story that she made this life burdensome. It is true enough that the husband makes the charges in the papers he filed in court as stated in the newspapers, but the wife denies the charges are true.

JACKSON TO TALK TO NEWSIES

Labor Commissioner Will Address Their Association To-night

John Price Jackson, Commissioner of Labor and Industry, will address the Harrisburg Newsboys' Association at the Harrisburg News Agency quarters, 108 Chestnut street, at 8 o'clock this evening. All carriers and newsboys, whether members of the association or not, are invited to attend this meeting.

This will be the last meeting to be held at the News Agency rooms. Wagner Hoffman, president of association, said to-day a committee has selected club rooms for the boys on North Second street and they will be opened in the near future.

To Discuss Paving Camp Hill

A public meeting of the voters and other interested citizens of Camp Hill has been called by the burgess of that borough for Friday, June 4, at the fire house, at 8 p. m., to discuss the proposed paving loan which is to be voted on June 19, 1915. Several speakers will address the meeting and it is planned to have a road engineer present to answer questions as to the plans.

Will Show "Caberia" Here

James George, manager of the Victoria theatre, has contracted for "Caberia," the Italian film, which has created a sensation since it was imported to this country at the beginning of the last theatrical season. It will be shown Thursday, Friday and Saturday of next week. Special music, which has been set to this production, will be played on the organ.

LIBERTY BELL COMMITTEE

Mayor Royal Names Men to Take Part In July 5 Celebration

Committees for the reception of the Liberty Bell on its half-hour stop over on the evening of July 5, were announced last evening by Mayor Royal, general chairman. He will soon fix a date for the meeting at which arrangements will be made. The committee follows:

Committee on Arrangements, C. C. Long, George Shreiner, A. E. Buchanan, Paul Johnston, David E. Tracy, Samuel Kunkel, A. C. Stamm, Ira P. Romberger, William Essick, A. D. Bacon and Samuel Rambo.

Reception Committee—William L. Gargas, William H. Lynch, Harry F. Bowman, M. Harvey Taylor and Owen M. Copelin for the city of Harrisburg; Miss Cora Lee Snyder, regent, Daughters of the American Revolution; Harry A. Boyer, William A. Boll, Adam D. Houtz, Charles S. Fahl, George W. Kennedy, Millard F. Saul, Harry M. Bretz, George A. Werner, William N. Yates, for the school directors; Dean Hoffman, Gus M. Steinmetz, V. Hummel Berghaus, Jr., Wellington G. C. Jones, George B. Goodfellow and Robert R. Froy for the press; E. B. Hoffman, Sr., Post 58; Dr. William F. Bishop, Post 116; James M. Auler, Post 529, for the G. A. R.; Francis C. Neely, No. 15, H. E. Moore, Susquehanna Association, for Sons of Veterans; Howard Newcomer, commander of the United Spanish War Veterans.

AGED RESIDENT DIES

Charles Frederick Mueller Succumbs at Age of 90 Years

Charles Frederick Mueller, one of the oldest residents of this city, died yesterday at his home, 619 Boas street, in his ninety-first year. Mr. Mueller came to this country from Baden, Germany. When quite a young man he learned stationary engineering, which work he followed until the time of his retirement sixteen years ago. He was a long and faithful member of St. Michael's German Lutheran church. Surviving are two sons.

The funeral will be held from his home Monday afternoon at 3 o'clock. The Rev. Reinhold Schmidt officiating. Interment will be private in the East Harrisburg cemetery.

Injured in Fall of Earth

Eugene Roberts, 346 South Fourth street, suffered a fracture of the right foot when caught under a slight fall of earth in a cellar excavation near his home early this afternoon. The fracture was reduced at the Harrisburg hospital.

Fractures Knee in Fall

George Mosey, 923 Sarah street, employed at the Commonwealth hotel, fractured his left knee in a fall down a flight of steps this morning. He was treated at the Harrisburg hospital.

COMBINE TWO THEATRES

George Brothers Buy Photoplay and Will Make It Part of Victoria

The George Brothers, proprietors of the Victoria moving picture theatre, 223 Market street, have completed plans for enlarging that theatre to include the Photoplay Theatre adjoining at 221 Market street, a deal for the purchase of that theatre from Isaac Silverman being consummated recently.

Work on the enlargement will begin in a few days and will not interrupt the performances in the Victoria until the work is nearing completion and then it will take but a few days to throw the two theatres into one.

Both theatres run from Market street to Blackberry street and are on the same floor level and have practically the same lines of construction. The time for the closing of the Photoplay has not yet been decided on. The George Brothers recently took over the William Penn Theatre at Thirteenth and Thompson streets and are now building a restaurant at Market and Aberdeen streets. They were pioneers in the moving picture business in Harrisburg.

ACADEMY GRADS TO BANQUET

32 Members to Hold Farewell Dinner at Country Club This Evening

The annual farewell dinner to the graduating class of the Harrisburg Academy and the faculty will be held at the Harrisburg Country Club at 7 o'clock this evening. All of the thirty-two members of the class, as well as the majority of the faculty, will be represented. Proceeding the dinner the members will be given an automobile joy ride.

The toastmaster of the evening will be Arthur S. Snyder, while short speeches will be made by Raymond Holmes, William S. Broadhurst, Albert H. Stackpole, Thomas B. MacMillan, H. Elmore Smith, Charles S. Horton and Arthur E. Brown.

GOVERNOR BARS CALLERS WHILE WORKING ON BILLS

Measures Submitted by the Legislature—Believed Most of Appropriations Will Stand

Action on bills now in the Governor's hands will not be announced before next week, the Governor now being very busily engaged with them. These include the workmen's compensation series and the full crew repealer. The workmen's bill will probably be approved, but the fate of the full crew repealer is unknown as the Governor has not indicated in any way what he proposes to do with it. The fact that he will have no hearings on appropriation bills will greatly facilitate the work of disposing of them.

On Wednesday next Governor Brumbaugh, Attorney General Brown and Chairman Woodward and Backman, of the House and Senate Appropriations Committees, respectively, will take up all of the four hundred appropriation bills now in the Governor's hands and they will be disposed of rapidly.

The appropriations for the session carry over \$66,000,000 and \$67,000,000, and all of the bills were gone over so carefully in committee, with the Governor's knowledge, that it is thought there will be very few, if any, items vetoed. The Governor was kept informed on almost every appropriation bill by Chairman Woodward and already knows almost exactly what each one carries, so that it will be a matter of but a short time for him to dispose of them. He has, however, requested the presence of the two chairmen in the event that there should be any bill carrying a vague provision, in which case he would ask that it be explained fully.

Chairman Woodward was here to-day but left for Barnegat Bay to spend the week-end. There he will tabulate the appropriation figures. Governor Brumbaugh is so taken up with other bills that he is practically inaccessible, and will not come "out of seclusion" until he has all of the bills off his hands.

CHIEF SEIZES CLASS COLORS

Confiscates Three Balloons Stelton Junior Planned to Release

Stelton's chief of police was called on last night to prevent the Juniors from carrying out a deep-laid plot to float their colors above those of the Seniors during the annual commencement exercises held at the Stelton High School auditorium.

The colors of the Seniors were suspended near the top of the stage. A party of Juniors purchased three inflated toy gas balloons, each about nine inches in diameter, which were tied in a cluster. To this cluster the colors of the Juniors were attached, the whole package being covered with white tissue paper to make it look like a bouquet of flowers.

This package was given to a young man, not a Junior, to smuggle into the High School building, which was successfully accomplished a short time after the program started.

The Seniors got wind of the plot, however, and Chief of Police Longnecker was instructed by Professor Charles S. Davis to make a search for the balloons. As a result the gas bags were confiscated by Longnecker about one minute before the time it was planned to release them.

166 WILL BE GRADUATED

Professor Dibble Signs Two Sets of Diplomas Away for Commencement

Professor Howard G. Dibble, new principal of the Central High School, to-day signed the 166 diplomas of the graduates of the school and to-morrow will return to Lambertville, N. J., where he will perform the same duty for his class there. He is merely spending two weeks in Harrisburg because the board there gave him two weeks' leave of absence.

His presence at the commencement exercises in Lambertville are required by the board there and he will not be in Harrisburg to see the exercises here. He will return to this city, June 20, when he will remain permanently.

POEM MAY BE SUCCESSFUL

"H. A.'s" Exoneration Likely If He'll Indulge in No More Verse

"I see you have got my name still on your list. But I'm sure my dollar will never be missed. If you'll put to my credit a dollar this time, I'll sing of your praise in song and in rhyme. I cannot pay a single dollar no matter how you whistle and holler." Thus did "H. A." whoever that is seek exoneration from the one dollar occupation school tax in a letter to the School Board. The Finance Committee, whose job is to act on exonerations, is seriously considering this request and will more than likely do it, a member said to-day, if the writer will write no more poetry.

Lard—July, 9 1/2; September, 10 1/2.

Ribs—July, 10 1/2; September, 10 1/2.

TO HEAR OF OLD RESERVOIR

Members of Natural History Society to Motor to Lebanon Monday

About twenty-five members of the Harrisburg Natural History Society will journey to Lebanon Monday, where they will be told the history of the famous Union reservoir, which has stood intact for a century or more. The members will be taken to the place in a large auto truck, which has been hired for the purpose. They will leave Market square at 8:30 o'clock, returning to this city at 4 o'clock in the afternoon.

The reservoir was built during the Revolutionary days and was in its prime before the erection of railroads. It was abandoned in 1840. During that time it was used in pumping water into the old canal which bore the same name.

Student Brought Home Ill

Daniel F. Rumpf, a student at Kiskiminetus Springs School, at Saltsburg, Pa., was brought to his home, 8 North Cameron street, Thursday evening, seriously ill.

Special FRIDAY AND SATURDAY COCOANUT BISCUIT

20c the lb.
