The officers of Oscaluwa Grange were installed by Patron B. F. BOWMAN, of Towanda Grange, last evening.

The sale of Loyal Sock coal is rapidly increasing, not only in this market, but wherever it has been introduced.

School will commence Monday. The scholars have had a good holiday vacation, and will resume their studies with renewed interest.

Mrs. ROSETT, of Philadelphia, a sister of M. H. LANING, died in that city last evening. Deceased was the mother of Mrs. ANTHONY DREXEL, wife of the banker.

The Nail Works will not be started until every separate piece of the machinery has been thoroughly examined. Messrs. BOSTLEY and RANDALL believe in the Bible doctrine of "every man testing his own works."

Mr. A. D. STONE, of LeRoy, having lost his horse by accident, secured the use of a horse for a short time belonging to J. N. WRIGHT, in the morning went to the barn and found this horse dead, it having fallen through the floor striking on its head, dislocating the neck bone.

The flood tide of prosperity is gradually reaching this quiet little place. Among the things that are in prospective are two more grist mills. We learn that Mr. SAM. J. STRAIT proposes soon to erect a mill for grinding feed &c., on the site of his former "Centennial." The shop of Mrs. LOCKE, which has been idle for several years, has been rented to Mr. WILLIAM TULE, of Minnequa, and a gentleman from Williamsport, whose name we did not learn, for the purpose of making chop, meal, &c. The parties are making preparations for the changes this week.—*Canton Sentinel*.

Superintendent's Notes.

January 2.—Visited Woodside School, Towanda, Sina Kram, teacher, also the following schools of Asylum: Center, John Burke, teacher; Kerriek Hill, Sarah Kerriek, teacher; Bull School, Emery Kerriek, teacher; Ellis Hills, Laura Lamb, teacher.

Miss Kram is now teaching her second year at same school; thus is shown the appreciation of her work. Ellis Hill and Center are large schools, and well taught by finely qualified teachers. Miss Kerriek is a thoroughly progressive teacher, using the various improved methods suggested. Observed good work at Bull school.

Personal.

Rev. FRANKLIN PIERCE will preach in the Baptist church to-morrow at 10:30 o'clock A. M., and 7 P. M.

Mr. LEW B. COBURN, of Towanda, visited his brother, Mr. E. D. COBURN, and his uncle, Mr. H. H. BRANT, in this village, on Friday of last week.—*Owego Record*.

The Jury Commissioners elect, V. M. WILSON and THOS. J. SMILEY, were sworn in on Thursday.

D. C. DEWITT has rented the house on Chestnut street, now occupied by Mr. ANDRUS, and will "move in" April 1.

Here is an item from an Owego paper which may interest some of our fair readers: "At a meeting of the Bachelors of Owego, on Tuesday evening, it was decided to hold the 8th Annual Reception on Thursday, Jan. 22d, and committees were appointed to perfect the arrangements. Mr. D. M. GOODRICH was President of the meeting and GEO. T. STEBBINS, Secretary."

Ex-Alderman LYONS has returned from Towanda, where he spent last month in auctioning goods. The merchants there felt about it a good deal as our merchants felt several years ago about a similar matter brought here by LITCHENSTEIN; but his business was not interfered with. After answering a summons to serve on the grand jury, Mr. LYONS will open a store at Athens.—*Binghamton Republican*.

GREEN'S LANDING, Jan. 3, 1880.

HENRY BARLOW, a young man living near here, was hurt early this week by the reaction of an overloaded shot gun. He was in the act of shooting at a squirrel, when by some means both barrels were discharged, and he received a broken nose and bruises. When he came to himself the dogs were fighting over his squirrel.

The new year was watched for at Milan by several ministers and the people, and was welcomed with songs of praise.

Some excitement here this week over the boundaries of this school district. It has been settled by the board of directors—no changes being made.

The usual number of festivals, socials, Christmas trees, &c., have been held, and now we are to prepare to donate to ministers and others of the abundance of the land, such as we can afford to "lend to the Lord."

GRIST MILL FOR SALE.—The subscriber offers for sale an undivided half interest in the Globe Mills, near Towanda, and adjoining Maj. HALE'S, with mill-house, barn and other out buildings, and eight acres of land connected therewith. The mill has lately been put in thorough repair, and is now doing a splendid business—running day and night. Said half interest now rents for \$450 a year, clear of all expenses, and in good times would readily rent for \$600. This is a rare opportunity for a profitable investment. Terms, half cash, the balance on long time.

JOSEPH G. PATTON.

IMPORTANT TO SCHOOL DIRECTORS AND TAX PAYERS.—The following decision of the Superintendent of Public Instruction is of great importance to tax-payers as well as directors, as violation of the law upon the subject will deprive districts of the State appropriation, and subject Directors to severe penalties:

DEPARTMENT OF PUB. INS., Harrisburg, Pa., Dec. 1, 1879.

There is but one time in the year when directors can adopt a new series of text books for the schools under their charge, or change old ones, and that is between the time of electing teachers and the opening of the schools. Section 23, Act of May 1, 1854, says: "That immediately after the annual election of teachers in each school district of the state, and before the opening of the schools for the ensuing term, there shall be a meeting of the directors or controllers and teachers of each district; at which meeting the directors or controllers shall decide upon a series of school books, in the different branches to be taught during the ensuing school year; which books, and no other, shall be used in the schools of the district during said period."

Such is the law, with this exception, that books cannot now be changed more frequently than once in three years.
