It has been raining all day.

The meeting of the Missionary Society of Christ Church will take place this afternoon, instead of Wednesday, as stated yesterday.

To-day is Epiphany, a day observed by Episcopal and Catholic Churches, in commemoration of the manifestation of Christ to the Gentiles.

The pews in the Presbyterian Church were sold yesterday. There was a good deal of interest manifested by the congregation, and good prices were realized. All of which is an evidence of unanimity of the congregation, and increasing attachment to the faithful pastor, Doctor STEWART.

The Commissioners have made the following appointments for the current year:

Clerk—WM. LEWIS.

Attorneys—DAVIES & CARNOCHAN.

Mercantile Appraiser—CHAS. STEWART.

Jail Physician—C. K. LADD.

The appointment of Mr. LEWIS for a fifth term is highly complimentary to him, and a deserved recognition of his ability in discharging the onerous and often intricate duties of his position, as well as his courteous bearing toward those who have business to transact with him.

ONLY.

Only a seed—but it chanced to fall
In a little cleft in a city wall,
And taking root, grew bravely up,
Till a tiny blossom crowned the top.

Only a flower—but it chanced that day
That a burdened heart passed by that way;
And the message that through the flower was sent,
Brought the weary soul a sweet content.

For it spake of the lilies so wonderfully clad;
And the heart that was tired grew strangely glad
At the thought of a tender care over all,
That noted even a sparrow's fall.

Only a thought—but the work it wrought
Could never by tongue or pen be taught;
For it ran through a life, like a thread of gold;
And the life bore fruit—a hundred fold.

Only a word—but 'twas spoken in love,
With a whispered prayer to the Lord above,
And the angels in heaven rejoiced once more;
For a new-born soul "entered in by the door."

In referring to the anticipated departure from this place of our popular and enterprising merchant tailor, J. DOUTRICK, we were in error in assuming that the business was to be discontinued. We are pleased to learn that Mr. W. H. POOL, who has been with Mr. D. for several years, and who is one of the best cutters in the whole country, is to retain the store now occupied by Mr. DOUTRICK, and will in every respect maintain the high reputation which the establishment has always enjoyed, and indeed for much of which he is entitled to credit. We make this correction with more than ordinary pleasure, for the reason that we believe the town ought to support such a business, and because it is in the hands of one so competent to render satisfaction to the people.

As the week of prayer will begin to-morrow and be observed at the Presbyterian and Methodist churches, we print again the programme as arranged by the Evangelical Alliance:

Tuesday, January 6—Confession of sin and humiliation before God.

Wednesday, January 7—Prayer for the church of Christ, its ministers, its growth in grace and its enlargement, and for revivals of religion throughout the country.

Thursday, January 8—Prayer for Christian education; for the family, and institutions of learning; for Sunday Schools and Christian associations.

Friday, January 9—Prayer for the nations, rulers and people; for peace and religious liberty.

Saturday, January 10—Prayer for home and foreign missions; for the outpouring of the Spirit upon all flesh, and the conversion of the world.

Personal.

We received a pleasant call from our old friend ISAAC MARSH, of Orwell, yesterday. Mr. M. has always been an active political worker from pure principle, as he has never asked any position from the party.

G. R. SHERWOOD, formerly ticket agent at this place, and now residing in Nebraska, was visiting friends here yesterday.

Col. OVERTON returned to Washington yesterday.

The New York Herald says Senator CAMERON's family will spend the winter in Elmira with friends.

WM. GRIFFIS returned to his post in the U. S. Senate yesterday. Washington life seems to agree with him well.

Hon. W. W. KINGSBURY spent the holidays in Towanda, and returned to Washington Monday.

J. P. KIRBY and wife were received into the Catholic Church this morning by Father KELLY.

J. A. MANVILLE, Towanda, Pa., will sell strictly first class Pianos and Organs at greatly reduced prices for the next sixty days. Pianos and Organs Tuned and Repaired. Office with C. M. MANVILLE, on 3d street.

The sittings in the Episcopal church were rented for the current year last evening. A large number of the congregation attended, and several of the pews sold at a premium. It must be quite complimentary to the Rector, J. S. BEERS, to see so much interest manifested, and to witness such a vindication of the wisdom of his judgment in urging the enlargement of the church.

Council Proceedings.

The Town Council met in regular session Monday evening, January 5, 1880. All the members were present except Councilmen Snell and Stevens.

The minutes of the last regular meeting and of the special meeting held December 15, 1879, were read and approved.

Communications and petitions from citizens relating to Borough affairs being the first business in order, under the rules, James Wood, Esq., presented a petition for the removal of the side-walk from the north to the south side of Bridge street, commencing at or near 3d street. On motion, the petition was laid on the table.

Mr. Wood also asked for a crossing at the corner of Mechanic and Bridge streets. On motion, the Street Committee of the 2d Ward was authorized to put down a crossing at that point.

The Finance Committee to whom was referred the claim of Daniel Walborn, for damages to his wagon on crossing the RR. track at the foot of Pine street, asked and obtained further time in which to examine and make their report.

The Gas Committee submitted the following report:

The Gas Committee to whom was referred the petition of citizens for the erection of a gas lamp post on Poplar street, near the residence of E. T. Noble, recommended that the prayer of the petitioners be granted.

The mill has lately been put in thorough repair, and is now doing a splendid business—running day and night. Said half interest now rents for \$450 a year, clear of all expenses, and in good times would readily rent for \$600. This is a rare opportunity for a profitable investment. Terms, half cash, the balance on long time. JOSEPH G. PATTON.

IMPORTANT TO SCHOOL DIRECTORS AND TAX PAYERS.—The following decision of the Superintendent of Public Instruction is of great importance to tax-payers as well as directors, as violation of the law upon the subject will deprive districts of the State appropriation, and subject Directors to severe penalties:

DEPARTMENT OF PUB. INS.,
Harrisburg, Pa., Dec. 1, 1879.

There is but one time in the year when directors can adopt a new series of text books for the schools under their charge, or change old ones, and that is between the time of electing teachers and the opening of the schools. Section 23, Act of May 1, 1854, says: "That immediately after the annual election of teachers in each school district of the state, and before the opening of the schools for the ensuing term, there shall be a meeting of the directors or controllers and teachers of each district; at which meeting the directors or controllers shall decide upon a series of school books, in the different branches to be taught during the ensuing school year; which books, and no other, shall be used in the schools of the district during said period."

Such is the law, with this exception, that books cannot now be changed more frequently than once in three years.

Superintendent Public Instruction.
