Howarth's Hibernica, which visited this place some time since, and was favorably received, are to appear at Mercur Hall on Friday and Saturday evenings, with a matinee on Saturday afternoon.

Athens was largely represented in Towanda by her influential property holders yesterday. They came down to confer with the Commissioners relative to the assessment of that ancient borough, and went home satisfied.

The following item from the Ithaca daily Journal in regard to our old friend and former townsman will be read with satisfaction by all our readers who have the honor to know the Colonel:

"Col. J. H. Horton has had added to his duties and responsibilities the general agency of the Lehigh Valley Coal Company for a large portion of central New York. The Col. will not remove from town, but will be necessarily absent more than heretofore. He still remains in charge of the general shipping business at the docks and the Lehigh Valley retail yard."

Troy and Burlington each has a licensed hotel, for the first time in many years. The late Judge LONG, of the Troy House, voluntarily banished liquor from his hotel several years ago, while the profits from his sales averaged \$2000 annually; and W. H. D. GREEN has kept a temperance house in Burlington for years. Both of the houses were famous for the excellent fare provided, and the quiet and order always observable. It is a pity they could not have been continued as temperance houses. Are the temperance people altogether blameless in not affording them such a generous support that the proprietors would have no desire to engage in rum-selling in connection with the honorable and necessary avocation of hotel-keeping?

ROBERT J. SHERMAN, whose death we announced yesterday, was 38 years old. He came to Towanda when a boy, some twenty-four or five years ago, and learned the trade of cabinet maker with JAMES MACKINSON. In 1861 he enlisted in the 141st Regiment, and served during the war. On the restoration of peace he returned to Towanda, and in June 1866 married Miss ELSIE FROST.

Mr. SHERMAN had suffered from poor health much of the time for some years, and about two years ago met with an accident which deprived him of the sight of one eye.

Something over a year ago he was appointed Mail Agent on the S. L. & S. Railroad, which position he held at the time of his death.

The deceased was an industrious, sober, honest man, and had many friends among the people of Towanda. He leaves a wife and one child to mourn his early death; but their grief is tempered with faith, that their loved one has gone before; that he has put off the mortal to put on immortality. "Blessed are the dead who die in the Lord."

The funeral will take place to-morrow, from the residence of J. O. FROST, on Main street, at 2 o'clock P. M.

The Two Orphans at Mercur Hall to-morrow night.

Howarth's Hibernica at Mercur Hall Friday and Saturday evenings.

The light which was observed south of town last night, about eleven o'clock, was caused by the burning of a house owned by W. R. STORES, situate on his dairy farm in Asylum township. The property was occupied by WM. BILES.

## Frightful Accident near Troy.

One man instantly killed, and two others seriously injured.

LESTER G. VANHORN, of East Troy, owned a steam mill at McIntosh Hollow, Armenia township, and while he was engaged firing the engine, yesterday morning, the boiler burst, instantly killing Mr. VANHORN—his body was blown in pieces, so that he was completely unrecognizable.

Two other men employed in the mill, M. M. LUTHER and Mr. CAMPBELL, were so badly scalded that their recovery is doubtful.

Mr. VANHORN, was an active business man, and quite a politician. Two years ago he was the Democratic nominee for the House of Representatives.

The boiler attached to WALTER GERNETT'S range, in Troy, burst yesterday morning demoralizing the stove and furniture of the room, and slightly injuring Mr. G. The explosion was caused by the freezing of the water pipes connecting the water tank and boiler.

W. L. BULLOCK, a young artist, whose friends reside in South Creek township, committed suicide at a hotel in Elmira, Monday night, by taking chloroform. He left a letter for his uncle, BURTON S. PARSONS, of Gillett's, and another for a young lady friend.—He was out of money and discouraged.

HEADQUARTERS WATKINS POST, DEPT. OF PENNA., G. A. R. February 11, 1880.

Members of the Post are requested to meet at Military Hall on Thursday, Feb. 12, at 10:30 A. M., to attend the funeral of Comrade ROBERT SHERMAN, at 11 o'clock.

By order of GEO. V. MYER, Com.

To the Editors of the Review: Your remarks on the verdict "Not guilty, but to pay the costs," suggest another form, perhaps preferable, which is said to have been used on a certain occasion, in a trial for sheep stealing, "Not guilty, if he will leave the county." Yours, &c.,

## Perseverence.

One step and then another,  
And the longest walk is ended;  
One stitch and then another,  
And the largest rent is mended;  
One brick upon another,  
And the highest wall is made;  
One flake upon another,  
And the deepest snow is laid.

So the little coral workers,  
By their slow and constant motion,  
Have built those pretty islands  
In the distant dark blue ocean,  
And the noblest undertakings  
Man's wisdom hath conceived,  
By oft-repeated effort  
Have been patiently achieved.

Then do not look disheartened  
On the work you have to do,  
And say that such a mighty task  
You never can get through;  
But just endeavor day by day  
Another point to gain,  
And soon the mountain which you feared  
Will prove to be a plain!

"Rome was not built in a day,"  
The ancient proverb teaches,  
And nature, by her trees and flowers,  
The same sweet sermon preaches.  
Think not of far-off duties,  
But of duties which are near,  
And having once begun the work,  
Resolve to persevere.
