The Pomona Grange meets at Standing Stone on Thursday and Friday of this week.

Service at Christ Church this afternoon at 3:30.

The spring term of the Troy Graded School will open next Monday.

MICHAEL KIRWIN has five ewes which have given birth to eleven lambs this season.

Owing to the death of Prof. ALLEN, the Normal and Orphans' schools, at Mansfield, are closed.

The measles seems to be spreading. ED LYNCH's children are down with the disease but not very serious disease.

VENOR may do for a Canadian prophet but his prognostications are no nearer correct than the almanacs in this country. Instead of being severely cold weather here as predicted by him, it is mild as spring.

GEO. W. BRINK has just been elected Justice of the Peace of LeRaysville—for more than the third term. Like the GRANT men, the people there appreciate a good officer when they get him.

The Good Templars' District Convention convenes in Ulster to-day. Ulster is having more than its share of good things. Only last week the Teachers' Association met there.

Paper has advanced 50 per cent., but the REVIEW will still retail at one penny per copy. The readers and the advertisers are gainers by this business boom, which has raised the price of everything but newspapers and advertising.

Business men would do well to advertise their goods now, before the spring business begins to boom, especially since the business of the coming spring promises to be of unusual activity. Those keeping their name before the public will reap the reward when the time comes to buy. Be wise and "and take time by the forelock."

TOMMY, our hibernian, came rushing into the office yesterday and exclaimed: "Lottheries are bad things to fule wid. Tha brings the wust of luck. There was me own cousin DAN invisted in a lotthery, and drew \$3000, and the very next day BIDDY, his wife, was doon wid thwins; and DAN's leetthle dog, that leetthle dog as DAN tho't the wurruld of, bruk its leg, did the poor craythur. Bad cess, sez I, to lottheries."

NICHOLS, in person or by letter, at the Delavan House, Elmira, N. Y., or by letter at Towanda, Pa. Parties can procure tickets every Tuesday morning at same rates. Train leaves 5:40 A. M.

## Personal.

L. B. RODGERS is to erect a dwelling house for Miss HELEN MASON, on the lot north west corner Main and Grant streets, this spring.

Prof. RYAN would make an excellent successor to the late Prof. ALLEN.

C. F. NICHOLS is working up western emigration, and advertises excursions to leave Elmira every month. Persons who contemplate "going west," will be able to gain much valuable information from Mr. N.

KINNEY says no one is authorized to speak for him in regard to what his course will be at Chicago. He will undoubtedly act for the best interest of the Republican party.

A. M. MOTT, one of the most active temperance men in the county, and Dr. MCLACHLAN, of Granville, made us a call to-day. They were so much pleased with the REVIEW that they concluded to take it.

G. H. WOOD has opened an insurance office at HOLMES & PASSAGE'S music store.

HENRY C. PORTER has engaged rooms at the Ward House, and will board there with his family after the first of April.

DAVID HORTON, of Horn Brook, was visiting friends near Canton last week.

We have a first-class compositor, who is a deaf mute.

Miss LEONORA OWEN, the organist of the first Presbyterian church in Wysox, was presented last week, by the church, with a piece of beautiful black silk, sufficient for an elegant dress. Miss OWEN has served the church for many years, and is very highly thought of by the congregation. She has a brother, W. B. OWEN, who is one of the Professors in Lafayette college.—*Elmira Free Press.*

J. SIDNEY BOVINGDON is nearing the close of a six months term of school at Herrickville. Mr. B. is a Towanda boy, and is one of the finest teachers in the county. He gives the best of satisfaction wherever he teaches. When in town the other day he favored us with a call.

In the Court of Quarter Sessions of Lancaster yesterday, the cases of the Commonwealth vs. PETER HERDIC were called for trial, but counsel for the Commonwealth announced that they had decided not to proceed with them, but would enter *nolle prosequere* upon all the bills of indictment found and pending against HERDIC in Lancaster county. This disposition was approved by the Court, and HERDIC was discharged.

"Readers are not aware of the fact, but a fact it is of daily increasing magnitude, and of ready of terrible importance to readers, that their first grand necessity in reading, is to be vigilantly, conscientiously select; and to know everywhere that books, like human souls, are actually divided into what we may call 'sheep and goats,' the latter put inexorably on the left hand of the judge; and tending every goit of them at all moments, whither we know not; and much to be avoided, and, if possible, ignored by all sane creatures."—*Thomas Carlyle.*

JUSTICE COURTS.—LeRaysville is really getting to be a place of considerable note, judging from the two criminal courts held on Thursday. No "Cooler" for the safe keeping of convicts. The day being full of trade, the court room was packed with anxious spectators. In the afternoon Mr. & Mrs. HOWARD CONKLIN and Miss ETTIE MAY GEERS were brought before STEPHEN GORHAM, Esq., on a warrant, charged with taking about \$500 from JOSIAH BROADLY while at the said CONKLIN's near Pottersville, on Monday night last, Mr. CONKLIN was acquitted, his wife gave bail in the sum of \$200, and Miss GEERS was sent up in default of \$500 bail. A warrant was also issued for JOHN ACKLEY, who was out of town, and who was also implicated in the matter. ACKLEY returned in the evening and was put on trial and bound over in the sum of \$500.

At the conclusion of the above trial Constable M. S. PRENTICE arrived with two prisoners, SAM HILL, from Silver Lake, and WILL SMITH, from Prattville, charged with stealing some traps from RICHARD CLARK, in Pike. The prisoners were brought before GEO. W. BRINK, Esq., who called up the case and no prosecutor appearing, the defendants were discharged by the court, and the prosecutor held for costs.—*LeRaysville Advertiser.*

To-night is the regular meeting of the K. P's.

There are already eighty subscribers to the Elmira telephone exchange.

So soon forgotten! Not even the National Banks here observed the birthday of the Father of his country yesterday.

Nail-cutting was begun at the nail-mill yesterday. Quite a number of visitors, including several ladies visited the establishment to witness the operation.

UNIVERSALIST CONFERENCE MEETINGS.—Our friends of the Church of the Messiah contemplate holding a series of meetings in their church in this place, for the dissemination of their faith, and for the increase of interest in the cause of Christ and humanity. The meetings will commence on Tuesday evening, March 2d, and continue every evening during the week, and until further notice. Rev. E. R. FULLER, of New York, will assist the Pastor, Rev. Dr. TAYLOR, in the services. At the close of the services each evening, a free inquiry meeting will be held, at which any questions in regard to faith, life and duty may be freely asked. The public are cordially invited to attend, and bring their doubts with them, and give them utterance.

I will sell this farm on long time, or exchange it in part for property in Towanda borough.
